Nurse Staffing Plan During an Emergency

(1) A hospital is not required to follow the staffing plan developed and approved by the staffing committee in the event of:

(a) A national emergency or state emergency declared under ORS 401.165 to 401.236 or 433.441 to 433.452 requiring the implementation of a facility disaster plan and crisis standards of care, as defined in Section 2 of this rule;

(b) Sudden and unforeseen adverse weather conditions; or

(c) An infectious disease epidemic suffered by hospital staff.

(2) "Crisis standards of care" are comprehensive guidance for objective prioritization of care, prioritization of patients, and limitations on services implemented by the hospital because of the declared emergency. means standards or policies that a hospital has adopted to apply, or that it otherwise may implement, during times of scarce resources and high demand for services because of an emergency, to help a hospital and hospital providers make choices about who can receive care or what kind of care can be provided.

(3) No later than 30 days after any hospital unit or department deviates from the written nurse staffing plan as described in subsection (1)(a) of this rule, the hospital incident command shall provide a written report to the both cochair of the hospital nurse staffing committee established under ORS 441.154 an assessment of the nurse staffing needs arising from the national or state emergency declaration.

(4) Upon receipt of the report described in section (4) of this rule, either co-chair of the nurse staffing committee shall call a meeting of the staffing committee to develop a contingency nurse staffing plan to address the needs arising from the emergency, and the contingency nurse staffing plan must align with the care being provided under crisis standards as implemented.

(5) The hospital's deviation from the written hospital-wide staffing plan approved by the hospital nurse staffing committee may not be in effect for more than 90 days without approval of the hospital nurse staffing committee.

~~[2]~~ (6) In the event of an emergency circumstance not described in section (1) of this rule, either co-chair of the staffing committee may specify a time and place to meet to review and potentially modify the staffing plan in response to the emergency circumstance.

(7) The hospital shall maintain documentation showing compliance with sections (1) through (6) of this rule.
