PE65-03/-04 (Tribes) and PE66-03/-04 (NARA) Allowable Expenses and Budget

Each Tribe and NARA must submit a PE65-03/-04 or PE66-03/-04 budget plan and narrative using the template provided by OHA. The budget is **due by August 30, 2021**. OHA may request revised budgets or additional information on expenditures on an as needed basis.

Although a portion of these funds are active through 5/31/23, each Tribe and NARA should use these funds as needed for the COVID response. For some Tribes and NARA, this may mean that all funds will be expended in FY21, and the Tribe/NARA should develop a budget accordingly. For others, these funds will carry forward to FY22, and the Tribe/NARA should develop a budget for the length of time they expect funds to last.

COVID-19 funds may not be used for implementation of programs outside of emergency preparedness and response related to COVID-19.
