Klamath Falls, OR 97601

Dear Chair DeGroot:

The triennial agency review of Klamath County Public Health was conducted June 27 through August 3, 2023. The Oregon Health Authority Public Health Division reviewed county public health programs for compliance with state and federal public health laws and compliance with the Intergovernmental Agreement for the Financing of Public Health Services and the Intergovernmental Agreement for Environmental Health Services.

The review included appraisal of items in 11 program areas, listed below. Program areas that had compliance findings are indicated with an asterisk. In addition, biennial reviews were conducted in 2022 of the Women, Infants, Children (WIC) program, WIC Farm Direct, and WIC fiscal. All WIC biennial review findings have been resolved.
