

Local and Tribal Public Health Program Element (PE) Funding Table
Updated: 2025-07-16

PE Element	PE Number	Center	Short Name	Description	LPHA Recipients	Funding Formula	Limitations on Funds	Funding Source	Funding Source Budget Reveal	Program Manager	Fiscal Contact	Require Workplan? Reveal Budget?	Due Date Workplan	Due Date Budget
PE01	PE01-01	OSPHD	PHD - State Support for PH	Funds must be used to operate a Communicable Disease Program to include reporting, monitoring and control of communicable disease; diagnostic and consultative services; early detection, education and prevention; immunizations; and data collection and analysis. Program must operate within statutory standards and requirements for control of communicable diseases.	All LPHAs	Per capita.	None	State GF and OAMP fees	7/1/25-6/30/27	Liz Hunt	Michelle Adams	N/A Both	N/A	N/A
PE01	PE01-12	Public Health Practice	Infection Prevention Training	Infection and prevention control for high-risk populations.	All LPHAs	Equal amounts		Federal	8/1/2019-7/31/2026	Les Zhang	Jeff Cartwright	N/A Both	N/A	N/A
PE02	PE02	Public Health Practice	HSPR - Cities Readiness Initiative	The CRI Program focuses on plans and procedures that support medical countermeasure distribution and dispensing (MCMDD) for all-hazards events. For the 2019-2024 performance period, the CDC will require all CRI LPHAs to ensure elements of planning and operational readiness for two specific threats: the intentional release of a Category A agent, such as anthrax, and an Emerging Infectious Disease (EID), primarily pandemic influenza. The CDC has determined key operational readiness elements for both planning scenarios.	CRI Region: Washington, Multnomah, Clackamas, Yamhill and Columbia counties	Yes, as approved by CRI LPHAs	No research; clinical care; purchase of furniture or equipment unless clearly identified and approved in Budget; construction of major renovations; purchase of clothing; purchase of house of living quarters for those under quarantine; purchase of vehicles, trucks or electrical or gas-driven motorized carts.	Federal	07/01/2025-06/30/2026	Eric Gebbie	Jill Snyder	No work plan, yes budget	N/A	2025-08-15
PE03	PE03-02	Public Health Practice	Tuberculosis Case Management	Funds used for management of TB cases. Funds disbursed per case on an invoice model	All LPHAs	Per case	Case management for TB as specified in PE.	GF (3%) and Federal (97%)	7/1/25-6/30/27	Heather Blake	Dori Rickert; Barbara Keepses	N/A Both	N/A	N/A
PE04	PE04-02	Prevention and Health Promotion	Community Chronic Disease Prevention	Through the SRCH initiative, the LPHA must work with CDCs, clinics, CBOs and others involved with health system transformation and delivering Evidence-Based Interventions and Services, and to prevent and improve chronic conditions and improve Community Linkages.	Multnomah	N/A		Federal	6/30/25-6/29/26	Tameka Brazile-Miles (Danielle Farris)	Na Richardson; Margaret Sanger	Yes Both	TBD	TBD
PE08	PE08-01	Public Health Practice	HST - Ryan White Case Mgmt	PE 08 provides funding for HIV Case Management and Support Services in accordance with and as described in the Program, Part B of 5001 of the PHA Act as amended by the Ryan White HIV/AIDS Treatment Extension Act of 2009 (Ryan White Program) administered by Health Resources and Services Administrations (HRSA), HIV/AIDS Bureau (HAB). Services are delivered to eligible persons living with HIV in order to assist clients in accessing and retaining HIV medical care and medications and achieving viral suppression. LPHAs and other non-county contractors are responsible for delivering case management services per the Oregon HIV Medical Case Management Standards of Services and may provide support services per the guidance provided by the HIV Community Services Program. Ryan White funds are utilized as funds of last resort per federal mandate. The OHA, PHD, HIV Community Services Program is responsible to administer oversight of the delivery of services per HRSA/HAB requirements, implement policy and guidance, provide training and technical assistance, meet grant and reporting obligation, and monitor quality and service delivery. PE 08-01 funds Case Management personnel.	Hood River	\$1,500 Base funding per county served. Remaining split 30% All Case Management Units reported in the previous calendar year. 40% unduplicated clients served with at least one face to face Case Management in the previous calendar year. 30% HIV/AIDS living in service area (2 year average), as reported by HW Surveillance.	Services as specified in PE and spending per OHA-approved budget	State Program Income	4/1/2025-3/31/2026	Heather Blake	Dori Rickert	No work plan, yes budget	N/A	May, annually
PE08	PE08-02	Public Health Practice	HST - Ryan White Support Services	PE 08-02 funds Financial Support Services to ensure goals of PE 08-01.	Hood River	75% unduplicated clients served with face to face Case Management in the previous calendar year. 25% HIV/AIDS living in service area (2 year average), as reported by HW Surveillance.	Services as specified in PE and spending per OHA-approved budget	State Program Income	4/1/2025-3/31/2026	Heather Blake	Dori Rickert	N/A Both	N/A	N/A
PE12	PE12-01	Public Health Practice	Public Health Emergency Preparedness and Response (PHERP)	The PHERP Program shall address prevention, protection, mitigation, response, and recovery phases for threats and emergencies that impact the health of people in its jurisdiction through plan development and revision, exercise and response activities based on the 15 Centers for Disease Control and Prevention (CDC) Public Health Emergency Preparedness and Response Capabilities.	All LPHAs	\$64,392 for large counties (LPHAs with population of 10,000 or more) and \$36,773 for small counties (LPHAs with population of less than 10,000). The remaining funds are split by population using the College of Urban and Public Affairs for Portland State University Prepared by Population Research Center population data.	No research; clinical care; purchase of furniture or equipment unless clearly identified and approved in Budget; construction of major renovations; purchase of clothing; purchase of house of living quarters for those under quarantine; purchase of vehicles, trucks or electrical or gas-driven motorized carts.	Federal	07/01/2025-06/30/2026	Eric Gebbie	Jill Snyder	Yes Both	09/15/2025	2025-09-15
PE13	PE13	Prevention and Health Promotion	HPCDP - TPEP	The purpose is for LHDs to: facilitate community partnerships; create tobacco-free environments; counter pro-tobacco influences, promote quitting among adults and youth; enforce statewide tobacco control laws; and reduce the burden of tobacco-related chronic disease. State responsibilities include: providing funding, training, technical assistance, and resources for LHDs to successfully implement activities in their communities.	Baker, Benton, Clackamas, Clatsop, Columbia, Coos, Deschutes, Gilliam, Grant, Harney, Hood River, Jackson, Josephine, Klamath, Lake, Lane, Malheur, Marion, Morrow, Multnomah, NCHD, Polk, Tillamook, Union, Washington, Wheeler, Yamhill	Taxed Funding CAA Response: \$16,500 (fewer than 10 complaints per year based on 3-year average) \$38,000 (more than 10 average complaints per year based on 3-year average) Tier 1 - Up to \$99,999, varies by program and based on requirement to fund at least 0.5 FTE Tier 2 - \$100,000 - \$349,999 Tier 3 - \$350,000 - \$1,000,000	Unallowable uses of TPEP funds include, but are not limited to, the following: •Providing direct services, other than cessation services and the provision of NRT, as outlined in Program Element 13. •Supporting reimbursement models for policy implementation, such as direct financial payments to individuals for quitting tobacco use. •Reimbursing over \$5,000 in paid media (see Health Communications section on page 16). •Enforcing local tobacco laws or maintaining compliance programs other than required CAA activities. •Covering legal assistance and other litigation-related costs in addition to standard overhead, without prior approval from HPCDP. •Funding Tobacco Retail License (TRL) activities like retailer education and enforcement, as these are now covered under Program Element 76	State - Other Funds	07/01/2025-06/30/2027	Jennifer Chandler	Na Richardson	Yes Both	2025-03-15	2025-03-15
PE25	PE25-14	Public Health Practice	ACDP - Gen. Footfall, Pertussis	Enhanced Pertussis Surveillance: Establish and conduct among residents of Multnomah, Washington and Clackamas Counties enhanced surveillance for pertussis and enhanced investigation of pertussis cases reported to specified Local Public Health Authorities (LPHAs) by medical laboratories and providers. •Expand pertussis surveillance activities in the Portland Metropolitan Area. •Determine the epidemiology of pertussis in the Portland Metropolitan Area. •Correlate laboratory data with clinical and demographic data, including age, vaccination status, and duration of cough illness, etc. •Encourage physicians, physician assistants and nurse practitioners to test for pertussis including with culture, on patients with appropriate clinical symptoms. •Conduct special studies of pertussis and its control; and •Support OHA/ACDP or Immunizations programs in the investigation and control of unusual pertussis activity or outbreaks in Oregon outside the Portland Metropolitan Area.	Multnomah	N/A	N/A	Federal	Calendar year	Paul Cieslak	Jeffrey Cartwright; Diane Leiva; Lauren Powell	No work plan, yes budget	N/A	
PE25	PE25-15	Public Health Practice	EIP - MPX	Emerging Infections Program funding for special mpox surveillance to estimate the effectiveness of JYNNEOS vaccine in preventing laboratory-confirmed or probable symptomatic mpox infection among adult (≥18-49 years) gay, bisexual, and MSM, and transgender individuals.	Multnomah, Lane	None	N/A	Federal	Calendar year	Melissa Sutton	Jeffrey Cartwright; Diane Leiva; Lauren Powell	No work plan, yes budget	N/A	#N/A
PE27	PE27-04	Prevention and Health Promotion	MPV - Naloxone	Prescription Drug Overdose Prevention (PDOP)	Multnomah, Clatsop	N/A	Funds may only be used to implement Prescription Drug Overdose Prevention and harm reduction activities	Federal	FFY 10/1/2025 - 9/30/2026	Courtney Fullmer	Amanda Couch; Tammy Kelly	Yes	2025-11-01	N/A
PE36	PE36	Prevention and Health Promotion	HPCDP - ADPEP	Funds are to deliver the Alcohol and Drug Prevention and Education Program (ADPEP). ADPEP is a comprehensive program that encompasses community and state interventions, surveillance and evaluation, communications, screening interventions, and state administration and management to prevent alcohol, tobacco and other drug use and associated effects, across the lifespan. The program goals are to plan, implement and evaluate strategies that prevent substance use by identifying risk factors and increasing protective factors associated with alcohol, tobacco and other drugs.	Benton, Clackamas, Clatsop, Columbia, Coos, Crook, Deschutes, Gilliam, Grant, Hood River, Jackson, Josephine, Lake, Lane, Lincoln, Linn, Marion, Morrow, Multnomah, Polk, Umatilla, Union, Washington, Wheeler, Yamhill	Funding formula used, if applicable: PE 36 is funded based on the following funding formula: Benton \$ 164,470 Clackamas \$ 368,750 Clatsop \$ 122,500 Columbia \$ 122,500 Coos \$ 165,501 Crook \$ 122,500 Curry \$ 122,500 Deschutes \$ 201,252 Douglas (ADAPT) \$ 218,750 Gilliam \$ 122,500 Grant \$ 122,500 Harney (Symmetry Care) \$ 122,500 Hood River \$ 122,500 Jackson \$ 368,750 Jefferson (Bear Care) \$ 122,500 Josephine \$ 310,545 Klamath (CBBH) \$ 164,500 Lake \$ 122,500 Lane \$ 272,252 Lincoln \$ 122,500 Linn \$ 202,253	Funds may not be used for: • Medications or harm reduction supplies • Clinical services • Substance Use Identification Devices (i.e. breathalyzers, drug tests, vape detectors) • Purchasing buildings or capital improvements. For a more comprehensive list of unallowable and allowable expenses, please see Appendix F: 2025-2027 ADPEP Allowable Expenses.	Federal	10/1/2023 - 9/30/2025 10/1/2024 - 9/30/2026	Jennifer Chandler	Na Richardson	Yes Both	2025-03-15	2025-03-15
PE36	PE36-01	Prevention and Health Promotion	OSTPR Board	The Opioid Settlement Prevention, Treatment and Recovery (OSTPR) Board Primary Prevention (PE 36-01) funding to support LPHAs to bolster surveillance capacity and evidence-based primary prevention strategies for substance use, substance use disorder, and overdose).	Benton, Clackamas, Clatsop, Columbia, Coos, Crook, Deschutes, Gilliam, Grant, Hood River, Jackson, Josephine, Lake, Lane, Lincoln, Linn, Marion, Morrow, Multnomah, Polk, Umatilla, Union, Washington, Wheeler, Yamhill	Modernization Formula with \$51,667 floor	Overdose Reversal Medications like Naloxone, or harm reduction supplies and programs (including safe syringes and needle exchanges); Medication for opioid use disorder or other treatment services; Direct medical or behavioral health services that could otherwise be billed to Medicaid/Oregon Health Plan (OHP) or other existing health insurance; Purchasing buildings or capital improvements; Political actions, including lobbying	State - Other Funds	7/1/2025-6/30/2026	Courtney Fullmer	Amanda Couch; Tammy Kelly	Yes	11/15/24 (annual updates)	2025-03-14

PE40	PE40-01	Prevention and Health Promotion	WIC - NSA Jul - Sep	WIC Services are nutrition and health screening, Nutrition Education related to individual health risk and Participant category, Breastfeeding promotion and support, health referral, and issuance of food benefits for specifically prescribed Supplemental Foods to Participants during critical times of growth and development in order to prevent the occurrence of health problems and to improve the health status of mothers and their children.	Baker, Benton, Clackamas, Clatsop, Coos, Crook, Deschutes, Gilliam, Grant, Harney, Hood River, Jackson, Jefferson, Josephine, Klamath, Lake, Lane, Lincoln, Linn, Malheur, Marion, Multnomah, NCHPD, Polk, Tillamook, Union, Washington. State general funds	7/1/2025-6/30/2026	Tiare Sanna	Cara Phillips Bramwyn; Karen Shi	Yes Both	2025-07-01	2025-07-01
PE42	PE42-03	Prevention and Health Promotion	MCANH - Perinatal GF & Title XX	As part of LPHA MCANH funding, state perinatal GF provides funding for activities, functions or services that support the optimal health outcomes for women before and between pregnancies. This is most often used in conjunction with the federal Title V funds and support strategies and activities identified through that program. It can be used for activities outside of the Title V priorities. It can be matched with Medicaid federal dollars, e.g. Medicaid Administrative Claiming.	Baker, Benton, Clackamas, Clatsop, Columbia, Coos, Crook, Deschutes, Gilliam, Grant, Harney, Hood River, Jackson, Jefferson, Josephine, Klamath, Lane, Lincoln, Linn, Malheur, Marion, Morrow, Multnomah, NCHPD, Polk, Tillamook, Umatilla, Union, Washington, Wheeler, Yamhill	Number of Low Birthweight Babies over a 5 year average. Women in Need, 0-44 population, urban/rural factor. Each criteria accounts for 25 % of the formula funds.	As detailed in PE description.	State and Federal	7/1/2025-6/30/2026	Cate Wilcox	Cynthia Duley; Amanda Lim	Yes, both	2025-04-01	2025-04-01
PE42	PE42-04	Prevention and Health Promotion	MCANH - Babies First GF	The primary goal of MCH Public Health Nurse Home Visiting Services are to strengthen families and improve the health status of women and children. Babies First is a home visiting program supporting qualifying families, prenatal to age 5. Services are delivered or directed by public health nurses (PHNs) and are provided during home visits.	Baker, Benton, Clackamas, Clatsop, Coos, Crook, Deschutes, Gilliam, Grant, Hood River, Jackson, Jefferson, Josephine, Klamath, Lane, Lincoln, Linn, Malheur, Marion, Morrow, Multnomah, NCHPD, Polk, Tillamook, Umatilla, Union, Washington, Wheeler, Yamhill	Number of Low Birthweight Babies over a 5 year average. Women in Need, 0-44 population, urban/rural factor. Each criteria accounts for 25 % of the formula funds.	As detailed in PE description.	State	7/1/2025-6/30/2026	Pamela Ferguson	Cynthia Duley; Amanda Lim	No	N/A	N/A
PE42	PE42-11	Prevention and Health Promotion	MCANH Title V	The purpose of Title V MCH Block grant is to provide a foundation for ensuring the health of the Nation's mothers, women, children, and youth. Services are delivered using Federal Title V MCH funding that comply with Federal Title V MCH statute and Oregon's Title V MCH implementation guidance, and address Oregon's Title V priorities.	Baker, Benton, Clackamas, Clatsop, Columbia, Coos, Crook, Deschutes, Gilliam, Grant, Harney, Hood River, Jackson, Jefferson, Josephine, Klamath, Lane, Lincoln, Linn, Malheur, Marion, Morrow, Multnomah, NCHPD, Polk, Tillamook, Umatilla, Union, Washington, Wheeler, Yamhill	Number of Low Birthweight Babies over a 5 year average. Women in Need, 0-44 population, urban/rural factor. Each criteria accounts for 25 % of the formula funds.	As detailed in PE description.	Federal	10/1/2024 - 9/30/2026	Cate Wilcox	Cynthia Duley; Amanda Lim	Yes workplan, no budget	2025-04-01	2025-04-01
PE42	PE42-12	Prevention and Health Promotion	MCANH Oregon Mothers Care Title V	Oregon MothersCare is a program that identifies needs and provides referrals for prenatal care and related services to pregnant people as early as possible in their pregnancies, with the goal of improving access to early prenatal care services in Oregon. OMC Services include an ongoing outreach campaign, utilization of the statewide toll-free 211 info telephone referral system, and local access sites to assist women to obtain prenatal care services.	Baker, Benton, Clackamas, Coos, Crook, Deschutes, Gilliam, Grant, Hood River, Jackson, Jefferson, Josephine, Klamath, Lane, Lincoln, Linn, Malheur, Marion, Morrow, Polk, Umatilla	Base funding plus additional funds based on the proportional effort for services provided in the prior year.	As detailed in PE description.	Federal	10/1/2024 - 9/30/2026	Catalina Aragon	Cynthia Duley; Amanda Lim	No	N/A	N/A
PE43	PE43-01	Public Health Practice	Immi - Immunization Services	Immunization Services: includes population-based services including public education, enforcement of school immunization requirements, and technical assistance for healthcare providers that provide vaccines to their client populations, as well as vaccine administration to underserved populations that lack access to vaccination with an emphasis on ensuring equity in service delivery.	All LPHAs	Public Health Modernization FF	Not allowable: vaccine purchases, vehicle purchases, construction, incentives of any kind, including food and gift cards, entertainment costs (e.g., live music), promotional and/or incentive materials (e.g., plaques, clothing, and commemorative items such as pens, mugs/cups, folders/folios, lanyards, magnets, conference bags)	Federal	7/1/2025-6/30/2025	Mimi Luther	Shannon McFadden	Yes workplan, no budget	May 31, 2025 June 30, 2026	N/A
PE43	PE43-07	Public Health Practice	School Law	Support for Curry County compliance with Oregon School Immunization Law	Josephine	None	As detailed in PE description.	Federal	7/1/2025-6/30/2025	Kelly McDonald	Shawna Crowther; Shannon McFadden	#N/A	#N/A	#N/A
PE44	PE44-01	Prevention and Health Promotion	ASRHI - SBHC Base	Funds provided under this Agreement for this Program Element may only be used to deliver School-Based Health Centers (SBHC) Services. SBHC Services includes those activities related to planning, oversight, maintenance, administration, operation, and delivery of services within one or more SBHCs as required by OHA's SBHC funding formula.	LPHAs	State certified SBHCs are eligible to receive base operating and Mental Health Expansion Grant funds	LPHAs have first right of refusal to SBHC funding. If LPHAs declines funding, OHA contracts directly with SBHC medical sponsor agency	State general funds	7/1/2025-6/30/2026	Stefanie Murray and Kate O'Donnell	Dominic Ferraro; Mima Hurst	No Both	N/A	N/A
PE44	PE44-02	Prevention and Health Promotion	ASRHI - SBHC - Mental Health Exp.	Funds provided under this Agreement for this Program Element may only be used to deliver School-Based Health Centers (SBHC) Services. SBHC Services includes those activities related to planning, oversight, maintenance, administration, operation, and delivery of services within one or more SBHCs as required by OHA's SBHC funding formula.	LPHAs	State certified SBHCs are eligible to receive base operating and Mental Health Expansion Grant funds	LPHAs have first right of refusal to SBHC funding. If LPHAs declines funding, OHA contracts directly with SBHC medical sponsor agency	State general funds	7/1/2025-6/30/2026	Stefanie Murray	Dominic Ferraro; Mima Hurst	No both	N/A	N/A
PE44	PE44-04	Prevention and Health Promotion	SBHC Telehealth Program	Funds provided under this Agreement shall be used to support a telehealth pilot project, that is: providing services to schools via a school-based health center system. Funding can be used to support infrastructure, personnel, and technical assistance related to telehealth and the SBHC; a portion of funds must go to the partnering school district for their planning and staff time.	Multnomah	\$300,000 per biennium	LPHAs have first right of refusal to SBHC funding. If LPHAs declines funding, OHA contracts directly with SBHC medical sponsor agency	State funding - HB 2591	7/1/2025-6/30/2026	Stefanie Murray	Mearroth Ny	Yes Both	June of each year	June of each year
PE46	PE46-05	Prevention and Health Promotion	RH Community Access	Funds provided through this Program Element support LPHA's efforts in developing and sustaining community-wide partnerships and assurance of access to culturally responsive, high-quality, and evidence-based reproductive health services.	Baker, Benton, Clackamas, Clatsop, Columbia, Coos, Crook, Deschutes, Douglas, Gilliam, Grant, Harney, Hood River, Jackson, Josephine, Klamath, Lane, Lincoln, Linn, Malheur, Morrow, Multnomah, NCHPD, Polk, Tillamook, Umatilla, Union, Washington, Wheeler, Yamhill	Funding formula based on a variety of factors including population size, CT rates, Women in Need of publicly funding family planning services, language, rural/urban, and BP/OC population.	Federal (Title X if available) (State - GF if needed)	4/1/2025-3/31/2026	Annika Shore	Dominic Ferraro; Mima Hurst	Yes, both	2025-07-01	2025-07-01	

PE50	PE50	Health Protection	SDW - Safe Drinking Water	The purpose of the Safe Drinking Water Program is to provide services to public water systems that result in reduced health risk and increased compliance with drinking water monitoring and Maximum Contaminant Level (MCL) requirements. The Safe Drinking Water Program reduces the incidence and risk of waterborne disease and exposure of the public to hazardous substances potentially present in drinking water supplies. Services provided through the Safe Drinking Water Program include investigation of occurrences of waterborne illness, drinking water contamination events, response to emergencies, Water Quality Alerts, technical and regulatory assistance, inspection of water system facilities, and follow-up of identified deficiencies. Safe Drinking Water Program requirements also include reporting of data to OHA, Public Health Division, Drinking Water Services (DWS) necessary for program management and to meet federal Environmental Protection Agency (EPA) Safe Drinking Water Act program requirements.	Participating LPHA partners	Yes - program specific and approved by DWS & CLHO	Funds provided under this Agreement for this Program Element may only be used in accordance with, and subject to, the requirements and limitations set forth below, to ensure safe drinking water.	Federal (60%) & State (40%) funds	(Federal SRF SPW) 3/1/2024-2/28/2027 (Federal - Primary) 10/01/2024-09/30/2025 (State - General Funds) 7/1/2025-6/30/2026 (State - Other Funds (annual water system fee) 7/1/2025-6/30/2026	Tony Fields	Michael Clark	No both	N/A	N/A
PE51	PE51-01	OSPHD	PHD - PH LPHA Implementation	Funds must be used to a) establish leadership and governance to plan for full implementation of public health modernization and b) implement strategies to improve local infrastructure for communicable disease control, emergency preparedness and response, environmental health, and health equity and cultural responsiveness.	All LPHAs	Public Health Modernization funding formula (base funding and set of indicators that considers each county's health status and socioeconomic demographic factors to determine each LPHA's award)	See PE 51 Budget Guidance	State general funds	7/1/2025-6/30/2026	Andrew Epstein	Michelle Adams	Yes both	2023-10-06	2023-10-06
PE51	PE51-02	OSPHD	PHD - PH Regional Implementation	Funds must be used to implement regional strategies to improve regional infrastructure for communicable disease control, emergency preparedness and response, environmental health, and health equity and cultural responsiveness.	LPHAs that serve as fiscal agents for regional districts	Funds are awarded to fiscal agents for regional partnerships based on proposed work plans and budgets and the amount of funds available.	See PE 51 Budget Guidance	State general funds	7/1/2025-6/30/2026	Andrew Epstein	Michelle Adams	Yes/both	2023-10-06	2023-10-06
PE51	PE51-05	OSPHD	CDC PH Infrastructure Funding	Funds must be used to recruit, hire, support, sustain and retain public health staff.	All LPHAs except Multnomah County	Public Health Modernization funding formula	See PE 51 Funding Table	Federal	12/1-11/30 (ends 11/30/2027)	Andrew Epstein	Michelle Adams	No Both	N/A	N/A
PE60	PE60	Prevention and Health Promotion	Suicide Prevention, Intervention and Postvention	Deliver Suicide Prevention, Intervention and Postvention Program activities	Deschutes, Lane, Multnomah	N/A	No funds can be used to refer to or pay for abortion.	Federal	9/30/2024 - 9/29/2025	Taylor Chambers	Amanda Couch, Tammy Kelly	Yes Both	Annual	Annual
PE62	PE62-01	Prevention and Health Promotion	Opioid Settlement - LPHAs	Overdose Prevention: Counties: to implement strategies that prevent opioid overdose, opioid misuse, substance use disorder, drug overdose, and related harms from substance use.
