

**Possible Tribal hMPXV Funding Sources  
8/4/2022**

This table outlines potential funding sources Tribes may use in the Public Health Intergovernmental Agreement to support Tribal response efforts to hMPXV.

<b>Funding Stream</b>	<b>hMPXV</b>
<p align="center"><b>PE 65-04/66-04 (Health equity funding)</b></p>	<p>May be used to support hMPXV response efforts. If the Tribe is going to use these funds, please notify Danna Drum at <a href="mailto:danna.k.drum@dhsosha.state.or.us">danna.k.drum@dhsosha.state.or.us</a> to determine if you need to submit a revised budget.</p>
<p align="center"><b>PE 65-05/66-05 (Covid-19)</b></p>	<p>May be used to support hMPXV vaccine as long as provider is also a COVID-19 vaccine provider.</p>
<p align="center"><b>PE 58/59 (Tribal PH Modernization)</b></p>	<p>May be used to support hMPXV investigation and response efforts, including testing, vaccination and isolation supports for outbreak control and mitigation if the Tribe/NARA chooses to do so. Tribe/NARA must be able to demonstrate that hMPXV response activities align with its overall goals and strategies for public health modernization. Tribe/NARA must adhere to budget guidance.</p>
