^Review is for quality assurance purposes, no formal compliance findings will be issued. Per agreement with Douglas County Board of Commissioners upon transition of public health services to Douglas Public Health Network.

\* Modified review since review occurring less than three years since last review.

†Modified review since on new schedule review will occur more than three years from last review.

‡Wallowa will be fiscal review only in 2018 and has been removed from the future review schedule due to the county's decision to transfer public health authority to the state.

↓ Schedule is subject to change in consultation with local public health authorities
