

**Available LPHA funding to support hMPXV and Covid-19 work**  
**Updated 10/10/2022 - changes in dark red**

This table outlines possible existing LPHA funding sources that may be used for hMPXV as well as additional funding sources to support Covid-19 work as Covid-19 specific funding sources are exhausted or expire, this table provides overall. For additional information on Covid-19 funding sources provided to LPHAs from OHA, please go to [www.healthoregon.org/lhd](http://www.healthoregon.org/lhd).

*Please carefully consider the allowable scope of work and expiration date of each funding stream when prioritizing your spending plan as some funding streams may support similar activities but have different end dates. In addition, please carefully consider equity, disease morbidity, mortality and severity in your jurisdictions when making funding prioritization decisions.*
