PUBLIC HEALTH DIVISION
Office of the State Public Health Director

Policy and Partnerships Unit

- Part of the Office of the State Public Health Director
- Responsible for planning and coordinating public health policy development across the division.
- This unit works to promote and protect the health of the public by advancing the quality, performance and equity of the Oregon **public health system**, which includes state, local and tribal public health departments and public-private partnerships.

Public Health System

Source: Public Health Practice Program Office, Centers for Disease Control and Prevention, National Public Health Performance Standards Program, User Guide (first edition), 2002. (Current version available at www.cdc.gov/nphpsp)

Governmental public health

- Governments at every level—federal, tribal, state, and local—play important roles in protecting, preserving, and promoting the public's health and safety
- State and local governments have a responsibility for the health of its citizens.
 - Health Officials are accountable to ensure that the government is able to **monitor the population's health** and intervene when necessary **through laws, policies, regulations, and expenditure of the resources** necessary for the health and safety of the public.

Public Health Governance

State and Local Health Department Governance Classification Map

As of August 2015

Local Health Department Jobs

Partnerships Unit

BENTON COUNTY – QMHP Behavioral Health Consultant – Benton County Health Services – Lebanon, OR & Sweet Home, OR

Currently we are recruiting for two open positions at the BCHC clinic:
(1) Regular Part Time .8 FTE and (1) Regular Full Time 1.0 FTE.
These positions will be located at the East Linn Clinic and Sweet Home, OR Clinic.

A significant change is underway in healthcare. Behavioral health services are becoming embedded in primary care. Such integration efforts do not always succeed. It takes an informed and well-resourced effort to successfully make the transition from traditional medical clinic to integrated healthcare home. The behavioral health clinician who works in primary care is called a Behavioral Health Consultant (BHC).

For a full description of this job go to: <http://agency.governmentjobs.com/bentonor/default.cfm>

Application deadline: Open until filled, next consideration date: 2/29/2016

Contact information: Dianna Bagenski, HR Liaison 541-766-6837
