## ADDITIONAL ELIGIBILITY GUIDANCE

- . **Vaccines Required for School Attendance:** Any vaccines are available for uninsured high school students ages 19+ if the vaccine is required by Oregon law for school attendance. This includes vaccines not listed in the table above.
- . **Vaccines for Hematopoietic Stem Cell Transplant Recipients:** Any vaccines required for transplant recipients are OK to use as 317-funded, as indicated in chapter 2 of the [Pink Book](#). This includes vaccines not listed in the table above.
- . **Oregon Health Plan and Medicare:** Adults with OHP or Medicare coverage are considered insured and are not eligible for any 317-funded vaccines.
- . **Vaccines for Leisure Travel:** Leisure travelers – including religious missionaries or civic volunteers – are not eligible for any 317-funded vaccines.
- . **Vaccines for Immigration:** Except for refugees, clinically unnecessary vaccines needed only for immigration status are not covered.
