00:29:06.130 --> 00:29:07.000

HALL Brittany A

Yes, we can.

00:29:07.340 --> 00:29:27.110

shereen (Guest)

OK my name is Doctor Shireen Underwood and I strongly oppose these mandates for health care workers, with all the data coming out about the amounts of death and disability from this experimental Messenger RNA treatment. I am disgusted that the oha is still wanting to coerce anyone in to take a mess.

00:29:27.820 --> 00:29:55.320

shereen (Guest)

In totalitarian style, you were telling her health care workers to play Russian roulette with their lives or lose their jobs. You eat should be held personally accountable for each death or disability that comes from mandating these vaccines. This medical treatment almost killed my own brother. It put him into the hospital twice with Pericarditis and he had to have a needle put into his chest to drain the fluid off of his heart.

00:29:57.280 --> 00:30:28.410

shereen (Guest)

He took this vaccine against his will. It was mandated to keep his job you were asking people in this state to unwillingly take this risk? Which is coercion. And in Nuremberg violation. When this is properly prosecuted each of you will be named for this violation. Doctor Toby Rogers, an actuary who investigates safety of vaccines estimated that 117 children will die from this vaccine. For every life theoretically saved friendly virus database.

00:30:28.450 --> 00:30:48.280

shereen (Guest)

Which is under reported by a factor of at least 41 they have estimated at least 150,000 US citizens have died from this vaccine? What's an acceptable level of death for you. GM was pulled into Congress and had recalls 2.6, 1,000,000 cars after 124 deaths.

00:30:50.680 --> 00:30:56.370

shereen (Guest)

I strongly insist that you do not mandate these vaccines for health care workers.

00:31:01.510 --> 00:31:12.290

HALL Brittany A

Thank you next we have a phone number that ends in 0951. We will enable your microphone. So you can press star 6 to unmute yourself and provide your testimony please.

00:31:13.810 --> 00:31:19.680

HALL Brittany A

And then Next up on the list. We have Debbie Rogers, Laura Kelton and Cyril Collier.

00:31:22.040 --> 00:31:23.830

+15\*\*\*\*\*51

This is Debbie can you hear me?

00:31:24.220 --> 00:31:25.060

HALL Brittany A

Yes, we can.

00:31:26.500 --> 00:31:36.010

+15\*\*\*\*\*51

My name is Debbie Rogers on the lifetime resident of Oregon. I opposed masking and vaccination requirements of any kind to control kovid in our healthcare studies.

00:31:36.720 --> 00:32:07.350

+15\*\*\*\*\*51

People working in the health care industry has been exposed to kovid close to 2 years now. I'm sure most of those caregivers have gotten covid in have natural immunity 's, which are proven to be the best defense against Covid. These people have spent years studying medicine to work in the medical field shouldn't. They know best whether or not. They should be getting vaccines or wearing mask? Why is it OHA dictating? What people in the medical industry should do I would like to close a lousy Louisiana US Western District Judge who blocked by you?

00:32:07.450 --> 00:32:09.830

+15\*\*\*\*\*51

Mandates for the health care workers.

00:32:10.520 --> 00:32:20.600

+15\*\*\*\*\*51

It's human nature industry teach anything, it is that civil liberties face grave risk when government proclaimed him definite states of emergency.

00:32:21.870 --> 00:32:26.950

+15\*\*\*\*\*51

I haven't listened to hours of testimony against each proposed mandate.

00:32:27.520 --> 00:32:42.690

+15\*\*\*\*\*51

Not one person that I've heard testify supports them. Oregon residents do not want mask or vaccine mandates and we certainly don't want. These mandates made permanent. Thank you for having these hearings and taking the time to listen to it.

00:32:44.350 --> 00:32:47.300

+15\*\*\*\*\*51

Please do the right thing and stop demanding.

00:32:51.570 --> 00:33:13.530

HALL Brittany A

Thank u Next up to speak will be a phone number that ends in 7913. We will enable your microphone so you can unmute by pressing star 6 and we have Laura Kelton Cyril Collier and Nicholas on zamo. Please identify yourself by raising your hand that's star 5 on the phone.

00:33:15.900 --> 00:33:16.710

+15\*\*\*\*\*13

Can you hear me?

00:33:17.470 --> 00:33:18.650

HALL Brittany A

Yes, please go ahead.

00:33:19.910 --> 00:33:26.870

+15\*\*\*\*\*13

OK, this is Cheryl Collier and I am strongly against both the vaccine mandate and the masking.

00:33:28.360 --> 00:33:57.990

+15\*\*\*\*\*13

Just to give background I have had cancer. I understand there are areas where mask makes sense. When you had it compromised people but to make a strong mandate that says, is across the board makes no sense. I have many doctors appointments like go to weekly some of them make sense to have masks. Some of them don't so they have a blanket mandate makes no sense whatsoever. It doesn't make sense for me when I'm going to physical therapy to try to exercise and get muscle.

00:33:58.730 --> 00:34:27.500

+15\*\*\*\*\*13

Working to have to wear a mask that makes me right can't breathe. They can't actually do. The exercise that I need to do to get better now is just one example. When you have to wear a mask to pick up prescriptions at the pharmacy when you have to wear a mask to do other things. It makes no sense. Please use common sense. One size does not fit all and this medicine. If that was the case we would be robots. We're not robots. Please make sense and do away with these mandates thank you.

00:34:32.230 --> 00:35:02.570

HALL Brittany A

Thank you up next. We have Laura Kelton Nicholas Ansell Anzelmo, Rob Goodwin and Peter Christoff. If you could please identify yourself by raising your hand that's either star 5 from the phone or the hand icon at the top of the computer screen will be calling on people who have signed up to testify if you did not have a chance to sign up. We are taking signups until about 215. Please email public health dot rules.

00:35:03.070 --> 00:35:10.160

HALL Brittany A

At DHS OHA dot state dot OR dot US to be added to the list.

00:35:11.220 --> 00:35:13.450

HALL Brittany A

It looks like we have Nicolas.

00:35:17.830 --> 00:35:41.860

Nickolas

I am I am Nicholas and zammo I am strongly opposed to any mandate for masks or a vaccination or inoculation. Whether it's permanent or temporary. I find it, it speaks volumes that even healthcare workers professionals cannot are being having their rights and choices. My body my choice taken away from them.

00:35:42.440 --> 00:36:03.020

Nickolas

Uh and it's no surprise, though, because we all know that any doctor or health care worker that in the past has gone out against the narrative has been attacked and has their licensing been taken away and their licenses of of being able to say that they're a doctor or a medical professional which to me is just immoral.

00:36:04.870 --> 00:36:05.810

Nickolas

Do the right thing.

00:36:10.470 --> 00:36:13.810

HALL Brittany A

Thank u Next up? We will have Rob Goodwin.

00:36:14.490 --> 00:36:22.260

HALL Brittany A

And in the queue, we also have Laura Kelton, Peter Christoff, Jessica Carlton and an Kneeland.

00:36:24.340 --> 00:36:28.040

HALL Brittany A

So Rob you can go ahead and unmute yourself and present your testimony please.

00:36:28.580 --> 00:36:46.740

Rob Goodwin

Alright I'm Rob Goodwin and I come with these others stand opposed to this and I just want to thank everybody for taking the time to come here and state their opinion. I don't have a lot to add except that I'm I'm very against this and I think it's obnoxious that that we would be treated this way.

00:36:46.790 --> 00:36:47.040

Rob Goodwin

Hey.

00:36:48.010 --> 00:36:56.410

Rob Goodwin

And I think it's very wrong and the AJ should really consider not doing this and that's all I really want to say thanks.

00:37:33.670 --> 00:37:37.570

HALL Brittany A

Alright up next will have Jessica Carlton.

00:37:40.070 --> 00:37:42.690

HALL Brittany A

And in the queue, we have Peter Christophe.

00:37:43.540 --> 00:37:55.650

HALL Brittany A

And Neil and Amanda Clarke and Elizabeth cable if you're able to identify yourself by raising your hand. It's star 5 on the phone or the hand icon at the top of the screen.

00:37:58.830 --> 00:38:04.680

HALL Brittany A

So Jessica Carlton your microphone has been enabled if you can unmute yourself and provide your testimony please.

00:38:06.860 --> 00:38:36.870

Jess Carlton

I would like to begin by thanking you for the opportunity to discuss my position and strong opposition to masking and vaccination requirements to control kovit in healthcare settings. My name is Jessica Carlton and I am a licensed acupuncturist with the Oregon Medical Board and a current doctoral candidate and their DM program. It is the highest degree that can be given to one in my field and has a large focus on medical research. Authorities have spearheaded this pandemic response with one.

00:38:36.920 --> 00:39:07.570

Jess Carlton

Goal in mind mass vaccination and they have invaded and ignored discussion surrounding preventative care early intervention. Alternative treatments and the superiority of natural induced immunity this entire pandemic. In my opinion. This borderlines medical negligence. The Nuremberg Code was a promised to humanity that we will never again force humans to participate in medical experimentations of any kind without voluntary consent, even if it is in the best interest of the patient.

00:39:07.860 --> 00:39:38.260

Jess Carlton

Or in the best interest of public health in fact, it is precisely why informed consent is not only a fundamental cornerstone for the ethical practice of Medicine. But it is our legal responsibility to uphold as health care. Practitioners informed consent includes a critical choice and that choice belongs to the right of the patient and not the provider, and certainly not to an employer or governmental agency trying to assume power over the patient through the use of coercive manipulation tactics informed consent protects the patient and their right.

00:39:38.320 --> 00:39:47.020

Jess Carlton

And the law clearly states that patient has the right to decline any medical intervention that may they feel have potential risks that outweigh the benefits.

00:39:47.750 --> 00:40:17.690

Jess Carlton

We cannot properly inform anyone on the risks involved without long term safety data. They'd also requires complete transparency on behalf of the medical community about all potential risks involved even if those induced vaccine hesitancy and those concerned with safety. May I remind you that health care. Practitioners are also patients who share these same rights and we are not expendable or less qualified to make decisions involving our own health considering that we help patients make decisions regarding their own health almost daily.

00:40:17.750 --> 00:40:30.090

Jess Carlton

And we are licensed to do so vaccine mandates remove the right to informed consent and are completely unethical. How long will we continue to Commodify Healthcare at the expense of actual health.

00:40:32.190 --> 00:40:32.790

Jess Carlton

Thank you.

00:40:36.610 --> 00:40:40.040

HALL Brittany A

Alright thank you up next will have Elizabeth Cable, please.

00:40:45.370 --> 00:40:46.770

Elizabeth Cable (Guest)

Yes, hello can you hear me?

00:40:47.150 --> 00:40:47.910

HALL Brittany A

Yes, we can.

00:40:48.370 --> 00:41:09.130

Elizabeth Cable (Guest)

Hello everybody once again, I am testifying my name is Elizabeth Cable. I'm one of the people of the state of Oregon out of the many who oppose oh HR 333 dash 019 dash 1010 as well as 3330191011.

00:41:10.340 --> 00:41:40.740

Elizabeth Cable (Guest)

Covid injections are deteriorating human immunity with spike protein overload to vital human organs. I wanna say. I am grateful to all Oregonians using freedom of speech soon. It will come to the Second Amendment to protect our freedom of speech and the courts will put you people where you belong and hold you accountable for your crimes against the people of Oregon are healthcare workers deserve to be healthy, no covid injections for anyone no forced injections for anyone.

00:41:41.420 --> 00:41:51.630

Elizabeth Cable (Guest)

I'm grateful for this opportunity to speak and again. I'm going to say goodbye now and allow more people to speak. Thank you so much everyone. Britney everyone all of you.

00:42:13.820 --> 00:42:18.480

HALL Brittany A

So Amanda Clarke if you're able to unmute yourself, you can provide your testimony please.

00:42:38.700 --> 00:42:39.670

HALL Brittany A

Amanda Clarke,

00:42:43.610 --> 00:42:44.980

Amanda (Guest)

Hello can you hear me?

00:42:45.430 --> 00:42:46.270

HALL Brittany A

yes, we can.

00:42:47.060 --> 00:43:15.990

Amanda (Guest)

Yes, my name is Amanda Clark, I am against the vaccine mandate for 2 reasons. The vaccines are failing at their purpose. But most importantly, the mandates attack our personal freedoms. There are several European Studies, which show that there are higher. Covid infection rates with vaccinated. People versus the unvaccinated. I won't discuss all of the studies. But there is one out of Germany, which concluded that the vast R 8.12 times more likely to be infected with.

00:43:16.050 --> 00:43:45.880

Amanda (Guest)

Omnikron than the unboxed the fact that we are even having this discussion about mandating vaccines shows that they do not work in vaccines are effective and protects someone from infection or transmission? Why do we need to protect the protected from the unprotected. Also, if the vaccines are safe? Why don't. The manufacturers accept liability. There is a famous quote, which states if you have to be persuaded reminded pressured lied to incentivized.

00:43:46.060 --> 00:44:14.820

Amanda (Guest)

Forced bullied socially shamed guilt tripped threatened punished and criminalised if all of this is considered necessary to gain your compliance you can be absolutely certain that? What is being promoted is not in your best interest. This isn't even about the virus anymore. This is about whether we are sovereign over our own bodies or whether we are a slave. If we don't have medical freedom, then we have lost all of our freedoms. Thank you for your time.

00:44:18.150 --> 00:44:28.670

HALL Brittany A

HALL Brittany A

Peter Christoff and Neal and Michael Beg and Becky do brash.

00:44:53.500 --> 00:44:54.200

+15\*\*\*\*\*67

Hello can hear.

00:44:56.410 --> 00:44:57.280

HALL Brittany A

Yes, we can hear you.

00:44:59.860 --> 00:45:00.510

+15\*\*\*\*\*67

Can you hear me?

00:45:02.040 --> 00:45:02.990

HALL Brittany A

Yes, we can hear you.

00:45:04.690 --> 00:45:15.360

+15\*\*\*\*\*67

OK, yes, hello my name is John Kenningham, I just wanted to voice my concerns over mandating vaccine for health care professionals.

00:45:16.110 --> 00:45:22.350

+15\*\*\*\*\*67

I think already when the the system is strained with emergency responders.

00:45:23.160 --> 00:45:23.780

+15\*\*\*\*\*67

Being.

00:45:24.540 --> 00:45:28.960

+15\*\*\*\*\*67

Uh just taxed after almost 2 years of.

00:45:29.900 --> 00:45:31.370

+15\*\*\*\*\*67

This pandemic.

00:45:32.170 --> 00:45:35.100

+15\*\*\*\*\*67

Adding an additional strain on the system.

00:45:35.890 --> 00:45:38.680

+15\*\*\*\*\*67

Is unwise and it's gonna ethical?

00:45:39.750 --> 00:45:41.150

+15\*\*\*\*\*67

I think it's OK.

00:45:41.780 --> 00:45:49.250

+15\*\*\*\*\*67

As a government agency to encourage to educate to inform that mandating is wrong.

00:45:50.050 --> 00:45:53.710

+15\*\*\*\*\*67

It's wrong because it takes an individual 's responsibility.

00:45:54.460 --> 00:45:57.110

+15\*\*\*\*\*67

Of their own medical decision.

00:45:57.750 --> 00:45:59.980

+15\*\*\*\*\*67

And it takes that out of out of play.

00:46:00.890 --> 00:46:05.500

+15\*\*\*\*\*67

And you're forcing individuals who May.

00:46:08.000 --> 00:46:25.530

+15\*\*\*\*\*67

Who have a a an ethical or a maybe they already have a natural immunity to this virus as many people do and you're not even considering that and instead you're saying This is the one way that we're going to get through this.

00:46:26.130 --> 00:46:32.000

+15\*\*\*\*\*67

When uh it's not considering all the factors. It's it's it's a unilateral approach.

00:46:32.670 --> 00:46:35.940

+15\*\*\*\*\*67

To a problem that is multifaceted.

00:46:36.510 --> 00:46:38.640  
+15\*\*\*\*\*67

And it's unwise to mandate it.

00:46:39.440 --> 00:46:42.070  
+15\*\*\*\*\*67

You educate inform and courage.

00:46:42.990 --> 00:46:44.660  
+15\*\*\*\*\*67

But don't mandate that's wrong.

00:46:47.380 --> 00:46:48.930  
+15\*\*\*\*\*67

That's all I have to say thank you for your time.

00:46:51.670 --> 00:46:52.470  
HALL Brittany A

Thank you.

00:46:55.300 --> 00:46:57.560

00:47:29.510 --> 00:47:32.510  
HALL Brittany A

Michaela are you able to unmute yourself and provide your testimony.

00:47:36.460 --> 00:47:37.460  
Michaela (Guest)

Can you hear me now?

00:47:37.800 --> 00:47:38.560  
HALL Brittany A

Yes, we can.

00:47:39.290 --> 00:48:10.740  
Michaela (Guest)

Hi I'm Michaela Beg and this is how OHA stole my 33 year health care career and why I'm opposed in 2016, Peter Daszak outlined the criminal conspiracy in an email to Fouchy. We need to increase the public understanding of the need for public countermeasures, such as a pan coronavirus vaccine. A key

driver is the media and the economics will follow the height unquote to succeed with a planned asset can Fouchy would need accomplices. Kate Brown in the oha functioned as a public relations agency and spread fear based propaganda is, though, or medical.

00:48:10.790 --> 00:48:41.000

Michaela (Guest)

Advice this fake fear based medical advice coerced healthcare workers into believing they were informed with valid medical information. Many volunteered or relate are mandated and coerced by other lies to take an injectable bioweapon in to wear a mask, all while believing that a medical emergency existed. Many were injured in many died from this fear fear based medical disinformation campaign by definition under US code 18. Section 2321 domestic terrorism means activities that involve acts dangerous.

00:48:41.050 --> 00:49:13.550

Michaela (Guest)

To human life that are a violation of the criminal laws of the United States or of any state to intimidate or coerce a civilian population. We were subjected to these harms because of a medical emergency that did not exist, then and does not exist. Now, however, in emergency was required in order to carry out the criminal conspiracy. In other words, they could not allow any treatments other than a vaccine. This is a direct quote from the FDA for the FDA to issue an emergency use authorization. There must be no adequate approved and available alternative to the candidate product for diagnosing preventing.

00:49:13.600 --> 00:49:45.040

Michaela (Guest)

Or treating a disease or condition to succeed with their criminal conspiracy. It was vital that party and ethic convince our governors and the public that only masks and vaccine would make us safe. This medical disinformation was personally disseminated by Deborah Birx, who propagated the medical disinformation through the oha pharmacies and hospitals to harm us. This was and is a criminal conspiracy. Every policy that has been written under the false protection of an emergency use authorization must be immediately revoked unblocked the medications are physicians need to treat patients.

00:49:45.090 --> 00:49:47.180

Michaela (Guest)

Instead of killing them thank you.

00:49:50.770 --> 00:49:54.610

HALL Brittany A

Thank u Next up? We have Becky do brash.

00:50:02.550 --> 00:50:03.040

Becky RN

Hi there,

00:50:04.160 --> 00:50:09.860

Becky RN

OK, so uh my name is Becky Deborah, such iama experience. ER nurse and medium sized urban hospital in Oregon.

00:50:04.210 --> 00:50:04.500

HALL Brittany A

Hi.

00:50:10.900 --> 00:50:40.900

Becky RN

Mike I'm against the mandates UM all around my experiences and unvaccinated person dealing with governor. Brown 's mandates last fall that all health care workers be vaccinated, has been terrible. Nobody wants to be forced to course and having a medical procedure. Healthcare workers included some of my coworkers. He didn't want the covid vaccine gave in and got it. They felt they had no other choice. It was either get the shot and provide for their families or not. I have several coworkers. He took the original vaccine, but do not want to boost her. We see first hand that vaccinated. People get and spread cope. It just as much as unvaccinated.

00:50:41.170 --> 00:50:51.890

Becky RN

We also see patients that come in concerned about adverse events after the vaccines. I personally have had zero covid shots and I haven't gotten kovid that I know of I. I'm guessing I probably have immunity.

00:50:52.620 --> 00:50:53.250

Becky RN

Uhm.

00:50:53.870 --> 00:51:08.960

Becky RN

And I've had it from from exposure in the last 2 years. We currently have a critical nursing charters in Oregon. It's been going on since last summer. I am concerned it will be worse. And if we make governor. Brown 's mandates permanent nurses are leaving to follow the money by taking traveling jobs or moving to other states that don't have mandates.

00:51:10.040 --> 00:51:22.650

Becky RN

It will further worsen the nursing shortage at these mandates become permanent. I was recently told that we have 60 min nurses coming to my Department. I also heard a rumor that the theme in our says are not required to take the vaccine and that this is a start of a government takeover of health care.

00:51:23.280 --> 00:51:24.680

Becky RN

Whether that is true or not time will tell.

00:51:26.060 --> 00:51:48.240

Becky RN

Congressman Dan Crenshaw from Texas is for proposing the no mandates for health care workers act. I had been a lifelong Democrat. Up until recently. I now vote for freedom bodily autonomy and politicians who actually listened to and work for the people. I did notice that Mark Thielman, who is a current

candidate for governor in Oregon, has been listening and commenting on the last 2 oha meetings. I've never met. The guy but he seems like someone who listens to and actually works for the people not.

00:51:49.300 --> 00:51:57.730

Becky RN

OK, it is past time to be done with all of this, let people decide what's best for themselves and their families regarding masking Matt and vaccines mandates are no longer needed or acceptable. Thank you.

00:52:01.210 --> 00:52:04.190

HALL Brittany A

Thank you up next. We will have Linda Hoolahan.

00:52:10.210 --> 00:52:12.520

Linda Houlihan (Guest)

Hello can you hear me?

00:52:12.830 --> 00:52:13.570

HALL Brittany A

Yes, we can.

00:52:13.860 --> 00:52:27.290

Linda Houlihan (Guest)

Thank you. You've heard testimony on Thursday, all day against these vaccines and mandates and masks. Sorry mandates for masking vaccines and.

00:52:28.580 --> 00:52:36.970

Linda Houlihan (Guest)

You heard him this morning and now you're hearing him now, so I don't need to repeat myself or repeat? What other people have said, but they are all true and.

00:52:38.080 --> 00:52:39.610

Linda Houlihan (Guest)

Come to have to.

00:52:41.000 --> 00:52:42.610

Linda Houlihan (Guest)

For the government.

00:52:43.710 --> 00:52:50.730

Linda Houlihan (Guest)

To mandate for health care workers who make health decisions for people every single day.

00:52:51.690 --> 00:52:54.220

Linda Houlihan (Guest)

Then tell them they can't make their own health.

00:52:54.790 --> 00:53:06.870

Linda Houlihan (Guest)

Decisions is complete arrogance and I'm totally against these rulings so I'll leave this for the rest of the people to share their information. Thank you have a good day.

00:53:09.730 --> 00:53:15.550

HALL Brittany A

Thank u Next up? We will have Donna Lowry and then Danniella and.

00:53:16.700 --> 00:53:23.750

HALL Brittany A

HALL Brittany A

Go ahead, Donna if you're able to.

00:53:59.110 --> 00:54:29.880

Donna Lowry

I can't hear out wait there, we go thank you. UM difficulty with this figuring out on teams muting and Unmuting, but thank you for your patience. Again, I when I go into a doctor's office. All I care about is there. One is their staff there to take care of me. When I finally can make an appointment when I'm in the hospital emergency room. I wanna know if there is staff there that has highly qualified and trained I don't care about their covid status.

00:54:01.370 --> 00:54:01.660

HALL Brittany A

Yep.

00:54:02.770 --> 00:54:03.000

HALL Brittany A

Yeah.

00:54:30.200 --> 00:54:45.280

Donna Lowry

I don't care if at the process at a point they're wearing mask. I care about is quality service. I care that there are individuals who are there to take care of us I feel this vaccination requirement.

00:54:46.110 --> 00:55:16.000

Donna Lowry

Has added to the shortage of medical professionals in Oregon, and especially rural Oregon this? It is cutting back. The quality of service. It is putting a overtaxed overburden onto our first medical health

responders is completely unfair to their mental and physical well being to require this requirement, so I am highly highly offended and opposed that the.

00:55:16.110 --> 00:55:27.640

Donna Lowry

Oregon is putting this mandate on all our professionals that I've spent years of training and in their knowledge and now you're questioning UM.

00:55:29.640 --> 00:55:40.590

Donna Lowry

Their ability to make choices on their own so again when I'm highly. I am so offended that this is what where we've come to thank you and I'll let give up my time.

00:55:44.770 --> 00:55:47.270

HALL Brittany A

Thank u Next up? We will have Danniella.

00:55:52.110 --> 00:56:22.480

Dani Ella (Guest)

Hello hi this is Daniela I am a owner Oregon resident and I absolutely oppose masking and vaccination requirements is very simple federal government state of Oregon. OSHA OHA do not own us. You have no rights over our bodies or a medical choices. Each nurse doctor. No other health care workers are professionals and adults and they can make their own decisions and when to wear a mask and he did vaccines are right for them like they always have and they don't need you to mandate anything. The vaccine push it's a crime against humanity.

00:56:22.770 --> 00:56:53.660

Dani Ella (Guest)

Stop lying about how vaccines are mass or effective ways in the pandemic and to remind you of the own rules that you're breaking like I said, this morning. Here's an extract of Rs 431180 title interference with individual selection of health care provider treatment or religious practice prohibited extra quote nothing in this rule or any other public health law of this state shall be construed as authorizing the Oregon Health Authority or any local public health.

00:56:53.720 --> 00:57:23.440

Dani Ella (Guest)

Authority to interfere in any manner with an individual 's choice mode of treatment. You are breaking this rule. Governor Brown and OHA by Bush in this box in my in the mass requirements in any setting you are overstepping your boundaries and this is overreach and crime and honestly, we already imagining your behind the the bars if you keep pushing for this we will tear down this organization because you're attempting to interfere with individuals right to choose medical treatment Lastly extract.

00:57:23.730 --> 00:57:46.710

Dani Ella (Guest)

Current constitution article one section one oh power is inherent in the people in all 3 governments are founded on their authority and they have at all times are right to alter reform or abolish the government

Adriana Capobianco (CosmicSynergy) (Guest)

Alright.

00:58:37.800 --> 00:58:41.570

Adriana Capobianco (CosmicSynergy) (Guest)

OHA your behavior is insane.

00:58:42.320 --> 00:58:48.100

Adriana Capobianco (CosmicSynergy) (Guest)

Your proposed rules are insane and your leadership is completely insane.

00:58:49.510 --> 00:58:55.990

Adriana Capobianco (CosmicSynergy) (Guest)

Oregon has gone off the rails of democracy and falling down into a dark pit of medical fascism.

00:58:57.200 --> 00:59:04.210

Adriana Capobianco (CosmicSynergy) (Guest)

The problem for you is that in order for this nonsense to continue it requires ongoing compliance by the people.

00:59:05.880 --> 00:59:08.450

Adriana Capobianco (CosmicSynergy) (Guest)

But we see right through you and we know who you are.

Adriana Capobianco (CosmicSynergy) (Guest)

We will never stop and each day I see our movement growing.

00:59:24.960 --> 00:59:27.400

Adriana Capobianco (CosmicSynergy) (Guest)

Too many of us are awake to the tyranny now.

00:59:28.700 --> 00:59:36.110

Adriana Capobianco (CosmicSynergy) (Guest)

We see through this charade and we're organizing a vast network of freedom fighters. I am so very proud of my organ.

00:59:37.260 --> 00:59:41.810

Adriana Capobianco (CosmicSynergy) (Guest)

When it comes to vaccines, many of us would rather die than ever received one.

00:59:42.470 --> 01:00:12.330

Adriana Capobianco (CosmicSynergy) (Guest)

So go ahead and keep poking the lion where I miss to massive awakening and the revolution is coming.

We know you are trying to divide us with race politics and gender. But we see through that too. It's a divide and conquer play and this tactic is also failing we have a legacy in this country of standing up against tyrants in standing up for our civil rights. We the American people will always find a way to come together.

01:00:12.930 --> 01:00:15.460

Adriana Capobianco (CosmicSynergy) (Guest)

And we will always have each others back.

01:00:16.180 --> 01:00:29.880

Adriana Capobianco (CosmicSynergy) (Guest)

01:00:32.950 --> 01:00:35.890

HALL Brittany A

Thank u Next up? We will have Richard Leroy.

01:00:46.940 --> 01:00:49.520

HALL Brittany A

Richard are you able, yes, we can hear you.

01:00:47.240 --> 01:00:47.940

Richard LeRoy

Can you hear me?

01:00:50.750 --> 01:01:02.480

Richard LeRoy

As a concerned citizen of Oregon. I oppose these masks and vaccine mandates rules in healthcare settings as unconstitutional. I will not consent, I will not comply.

01:01:03.080 --> 01:01:06.100

Richard LeRoy

We're not going to take it anymore.

01:01:06.940 --> 01:01:07.400

Richard LeRoy

Thank you.

01:01:13.410 --> 01:01:40.030

HALL Brittany A

Thank u Next up? Is a phone number that ends in 6027. We will enable your microphone so that you can press star 6 to unmute yourself and in the queue. We still have Johanna Z. Catherine gentle Dan Stassou and Josephine Aquino. If you could please identify yourself by raising your hand and that's a star 5 on the phone or the hand icon at the top of the computer screen.

01:01:43.570 --> 01:01:45.140

+18\*\*\*\*\*27

Hi this is Johanna can you hear me?

01:01:45.400 --> 01:01:46.480

HALL Brittany A

Yes, please go ahead.

01:01:47.320 --> 01:02:09.400

+18\*\*\*\*\*27

I'll get you wanna see I'm a resident of or again. I'm a former registered nurse and a doctor of natural hygiene. I am vehemently opposed to this proposal. There's absolutely no need. It's actually quite sad when you say that the best options. We have are masking and vaccines because there are so many other ways to keep us healthy.

01:02:10.850 --> 01:02:35.040

+18\*\*\*\*\*27

So we know that this point that vaccines do not prevent the spread of Kovid. We know that the exemptions have been very, very difficult for people to get and are rarely given and with great hoops to jump through just in order for someone to keep their livelihood health care workers and this is my personal experiences from people that I know they have been mocked and harassed for not going along with the agenda.

01:02:35.740 --> 01:02:44.630

+18\*\*\*\*\*27

You OHA among the other organizations have created environment of division and this is hardly a setting for people to heal.

01:02:45.350 --> 01:02:56.820

+18\*\*\*\*\*27

We know that chronic mask wearing adversely affects the immune system and again, you're clearly targeting this population in need. I say that this is a clear violation of the Nuremberg code.

01:02:57.920 --> 01:03:01.440

+18\*\*\*\*\*27

These measures are increasing the isolation of patients.

01:03:02.360 --> 01:03:14.560

+18\*\*\*\*\*27

When they can't have an advocate with them when Visitation is either limited or not allowed so this is leading to an increase of deaths, especially when we know that the particular protocol is being used.

01:03:15.980 --> 01:03:22.850

+18\*\*\*\*\*27

You know are not working they're killing people and with the proper treatment. No one is dying so.

01:03:25.090 --> 01:03:26.030

+18\*\*\*\*\*27

Thank you I'm good.

01:03:31.250 --> 01:03:33.660

HALL Brittany A

Thank u Next up, we have Jose.

01:03:34.690 --> 01:03:35.590

HALL Brittany A

And.

01:03:36.240 --> 01:03:43.760

HALL Brittany A

In the queue is Catherine Gentle Dan Stassou, Andrew Lewis and Mark Mcorley.

01:03:45.900 --> 01:03:50.770

HALL Brittany A

So see if you could please unmute yourself and state your full name and provide your testimony.

01:03:59.110 --> 01:04:28.660

Josie (Guest)

Hello my name is Josephine Aquino. I'm go by. Jose I am an unemployed registered nurse because here in our community. Unvaccinated nurses are terminated even if you're not seeing patients and no accommodations are or exemptions are being held. I submitted a religious accommodation to all care health who then just terminated me.

01:04:28.900 --> 01:04:58.730

Josie (Guest)

Because they accepted no accommodations all of us were terminated. I would be willing to go back to work in my community. Unfortunately, Asantae Healthcare Systems in Grants Pass terminated all its nurses who requested accommodation or exemption. Although I do get called from Asantae because

they're at a level 5 internal triage, and would like nurses to come and work I have not reapplied to Asantae Because.

01:04:58.790 --> 01:05:00.450

Josie (Guest)

They've terminated all of us.

01:05:01.140 --> 01:05:15.430

Josie (Guest)

We also know that the government likes to implement mandates that they say will be reviewed or taken off the books when they no longer become necessary, but we know that doesn't happen either.

01:05:15.480 --> 01:05:15.680

Josie (Guest)

Right.

01:05:17.030 --> 01:05:27.960

Josie (Guest)

You know as a registered nurse and previous educator. I believe I am responsible and can make a personal choice stay home if I'm feeling sick.

01:05:29.020 --> 01:05:36.850

Josie (Guest)

And choose to not be vaccinated, and if someone offers accommodation or exemption.

01:05:37.690 --> 01:05:40.090

Josie (Guest)

They should be willing to accept mine.

01:05:40.750 --> 01:05:59.470

Josie (Guest)

The data is questionable on lots of the vaccination and the Bears reports I understand that all cared did receive some extra money, depending on the number of vaccinated staff. They have and I do believe that the hospital did as well, they incentivized.

01:06:00.150 --> 01:06:16.720

Josie (Guest)

It incentivized to mandate this for us and terminate those of us who were unwilling to go along with this and I would hope the Oregon Health Authority would respect personal choice on behalf of health care workers.

01:06:17.600 --> 01:06:18.210

Josie (Guest)

Thank you.

01:06:22.410 --> 01:06:36.110

HALL Brittany A

Thank you. I'm Next up? We have a phone number that ends in 7185. We will enable your microphone

so that you can press star 6 to unmute yourself. After that, we'll have Mark Mcorley and then in the queue.

01:06:34.830 --> 01:06:36.020

+15\*\*\*\*\*85

Yeah, my name is Catherine.

01:06:37.510 --> 01:06:40.300

HALL Brittany A

Is in the queue is Andrew Lewis?

01:06:41.240 --> 01:06:45.080

HALL Brittany A

Catherine gentle and danced SOK, please go ahead.

01:06:46.340 --> 01:07:16.410

+15\*\*\*\*\*85

Hi yes, uh this is 7185. Uh my name is Catherine General. I gave oral testimony this morning. I expressed extreme opposition to your continued violation of our civil liberties and schools and I'm here to carry that message across to all help healthcare settings. In fact, this message carries to all facets of life and living is free and sovereign beings of the living soil stop treating our health care workers and health compromised patients as subhuman and placing them at risk. Stop all actions pursuing the passage of compulsory vaccination and masking immediately.

01:07:16.810 --> 01:07:48.280

+15\*\*\*\*\*85

The people have a right to choose and have chosen what keeps them healthy. Our choice will be honored. It's insanity to keep following failing and extremely harmful policies and saying Oh maybe this time they'll work these measures do not work. They have not worked, they will not work. You know, or any arm of the executive branch and unelected officials have authority. It's your policies, causing great harm. You're ignoring the red flags all around and are the cause for the health care crisis. We face you hold strong to vaccines and masks at the only way denying needed health care.

01:07:48.570 --> 01:08:18.640

+15\*\*\*\*\*85

Appointment to the end vaccinated, you risk everyone lives by bringing unlicensed or minimally qualified professionals because they took an an approved vaccine. You deny healthy and capable healthy workers and replace them with subpar care to those most in need. You are putting us at risk and causing the devolution and dysfunction of our once trusted health system. We the people and many brave souls are stepping forward to do the job that you are paid billions to do you are failing in the most gross and negligent?

01:08:18.690 --> 01:08:23.800

+15\*\*\*\*\*85

Way I suggest everyone go back to watch Senator Ron Johnson, second opinion panels today.

01:08:24.510 --> 01:08:55.040

+15\*\*\*\*\*85

You have not prioritized or made equal room for our second opinion, you must listen to us. This this breaks too. Extreme corruption from the highest levels of our government. You know you are causing harm to your people. The good news today is that because of this. Senate hearing the FDA is finally agreed to meet with a second opinion panel of experts, too little, too late or better late than never time will tell. Either way, be clear, we will not comply do the right thing.

01:08:55.180 --> 01:08:56.590

+15\*\*\*\*\*85

Mark McSorley

01:09:38.270 --> 01:10:00.790

Mark McSorley

Because mass trigger my PTSD and when they have flashbacks because of it. I become violent. I have hand to hand and close quarters combat training. Nobody in the community is trained to protect themselves from me and even my wife, who I love more than anything else has actually been threatened and almost harmed by me.

01:10:01.880 --> 01:10:14.380

Mark McSorley

And it's disturbing and disgusting that you know, we're not making combinations for that. Not only that, but when you have to sign a waiver, saying that you will not Sue the manufacturer of this vaccine.

01:10:14.980 --> 01:10:34.400

Mark McSorley

So if you have serious side effects. That's also a problem and then of course, you know, we had the hypoxia issues as well as fungal and viral infections and even skin infections that my wife and my mother are both being affected by by wearing these masks all day. This is unsafe insane and needs to stop.

01:10:35.940 --> 01:10:36.400

Mark McSorley

01:11:30.490 --> 01:12:00.300

+15\*\*\*\*\*55

Hi my name is Vera Katz. I am in Eugene, Oregon. I am a health provider. A health care provider. True health true care and I just want to state. My testimony for public record and private record that I adamantly oppose all of these mandates across the board, especially in healthcare settings. And I think everyone has so beautifully stated a factual and experiential information that is.

01:12:00.350 --> 01:12:30.040

+15\*\*\*\*\*55

This is blatantly obvious we, we all know OHA you know you see it. You understand and not only is just this just about money. It's also about control and whenever there's lies and deceit and chaos that is where Satan lives and my message to you. Today is to take a look at that within yourself and within your organization and please understand that state and only has.

01:12:30.380 --> 01:13:01.170

+15\*\*\*\*\*55

So much time on earth and from a religious exemption perspective. This is why you guys don't want to give religious exemptions because God is here with us and all of us who are willing to speak out. God is here with us and there are so many other people that would love to speak out on this. But they're just you know they're not ready or they don't feel confident they don't feel in control because of the mandates that you have placed upon the people and I would just like to say stay in only has so much.

01:13:01.230 --> 01:13:16.860

+15\*\*\*\*\*55

Time on Earth so please redeem yourself. Please redeem these horrific actions that you are doing to the people. Otherwise, you will rest in the pitted realms of Hell. I am complete.

01:13:20.550 --> 01:13:24.340

HALL Brittany A

Thank you next we have a phone number that ends in 1981.

01:13:48.350 --> 01:13:48.910

HALL Brittany A

Yes.

01:13:49.880 --> 01:13:51.680

+19\*\*\*\*\*81

OK my name is Amy Morgan.

01:13:52.320 --> 01:14:03.190

+19\*\*\*\*\*81

I do not agree with any of your rules, you guys need to look up operation lockstep. This whole thing was a plan. Demik to depopulate the world stand up, and fight let's go Brandon.

01:14:07.370 --> 01:14:29.310

HALL Brittany A

01:15:17.070 --> 01:15:18.130

RN (Guest)

Can you hear me OK?

01:15:18.600 --> 01:15:19.380

HALL Brittany A

Yes, we can.

01:15:21.070 --> 01:15:36.340

RN (Guest)

Uh my name is Rachel Najar. We don't need masks or vaccines. This entire pandemic was preventable in other countries are actually using science to help their country by giving them treatments to keep at home for free so that they can begin early treatment.

01:15:37.220 --> 01:15:56.140

RN (Guest)

Why are Americans being deceived listen to the doctors and do the treatment? Where is the risk benefit analysis so this vaccine? It's negative and you know it. This job is, killing 15 people. For every person that you might save for kids that number is in the hundreds.

01:15:57.730 --> 01:16:02.400

RN (Guest)

Public health degrees are not medical degrees. I know this because I have 2 of them.

01:16:03.020 --> 01:16:08.540

RN (Guest)

It is time that we let the people that did the grueling work in medical school do their jobs.

01:16:09.610 --> 01:16:39.470

RN (Guest)

They are much more capable of making an informed decision about these inoculations. Then you OHA. We still do not know the long term effects of this inoculation? What if everyone dies. In 18 months like the ferrets. We will have needless deaths skyrocket simply because there will be no staff much like the situation. We already seem to be in let doctors be doctors. This is not your call and you will be held liable for the death of these doctors and nurses not to mention the people.

01:16:39.600 --> 01:16:40.610

RN (Guest)

That, they are treating.

01:16:41.280 --> 01:16:47.790

RN (Guest)

I know, people that can't get medical care because they get sick around inoculated individuals and all medical staff are inoculated.

01:16:48.700 --> 01:17:11.220

RN (Guest)

Where there is risk there must be choice and continuing down this road will collapse our society vaccine manufacturers are not liable for damages. So guess who will be you. This is unacceptable and we will not tolerate this any longer. It is time that we start holding you accountable for the damage that you have done and are doing we will not comply.

01:17:15.880 --> 01:17:26.110

HALL Brittany A

Thank you and my apologies if I had just called your name up. Uh my may have provided the wrong information. It should be star 5 in order to raise your hand to identify yourself.

01:17:26.730 --> 01:17:31.140

HALL Brittany A

And then it will be star 6 to unmute yourself once we've enabled your microphone.

01:17:32.590 --> 01:17:39.440

HALL Brittany A

So Next up? We have Tammy Bennett, Amy Olcc Samantha Gibeau.

01:17:40.320 --> 01:17:41.550

HALL Brittany A

Kelly Barnett.

01:17:42.320 --> 01:17:44.090

HALL Brittany A

And Andreas salmon.

01:17:56.830 --> 01:18:03.480

HALL Brittany A

Alright Kelly Burnett. We'll go ahead and enable your microphone so you can unmute yourself and present your testimony please.

01:18:10.800 --> 01:18:11.690

Kelly Barnett (Guest)

Hi can you hear me?

01:18:12.420 --> 01:18:13.140

HALL Brittany A

Yes, we can.

01:18:14.020 --> 01:18:20.770

Kelly Barnett (Guest)

Yes, my name is Kelly Barnett. I am retired kamikazes and bioterrorism preparedness nurse my current affiliation.

01:18:21.510 --> 01:18:23.740

Kelly Barnett (Guest)

Uh centrally is just as a whistleblower.

01:18:24.720 --> 01:18:33.290

Kelly Barnett (Guest)

So my statement is is that twice since the inception of the Homeland Security programs. the United States Department of Defense has been sued.

01:18:34.140 --> 01:18:43.700

Kelly Barnett (Guest)

For unlawfully experimenting on our soldiers in 2003. They lost the case and they're moving to trial again in September 2022 for doing the same thing.

01:18:44.650 --> 01:18:58.360

Kelly Barnett (Guest)

By logical extension these defenses should extend to our civilian population and the buy did ministraton intentionally withheld this information from the United States Supreme Court when it garnered the ruling to allow him to move forward.

01:18:59.010 --> 01:19:01.380

Kelly Barnett (Guest)

With mandates in the healthcare sector.

01:19:02.010 --> 01:19:14.280

Kelly Barnett (Guest)

To that end, I'll remind Oregon Health Division that they have a 10th amendment right and a moral ethical and legal obligation to defend the 10th amendment for this state and for the citizens of this state.

01:19:15.200 --> 01:19:20.010

Kelly Barnett (Guest)

And the Prep Act is not being properly used by DHS in order to give.

01:19:20.640 --> 01:19:22.900

Kelly Barnett (Guest)

Liability and immunity protections.

01:19:24.020 --> 01:19:44.630

Kelly Barnett (Guest)

The United States aired in providing vaccine foreign countries under the guise that there is an approved vaccine, which has been federally adjudicated that does not exist and is not in manufacturer and it's likely very important for Oregon Health Authority to know that this issue is much larger than the one we're facing interest state.

01:19:45.280 --> 01:19:52.760

Kelly Barnett (Guest)

And that there are members and other countries that is eyeing how we're behaving and their response to these unapproved vaccines. Thank you.

01:19:56.450 --> 01:19:57.170

HALL Brittany A

Thank you.

01:19:58.680 --> 01:20:04.130

HALL Brittany A

Next up, we have Tammy Bennett, Amy Olcc Samantha Gibeau.

01:20:04.810 --> 01:20:06.040

HALL Brittany A  
Andreas salmon.

01:20:06.750 --> 01:20:19.710

HALL Brittany A  
Katherine Greene and Steven go to kiss if you could please identify yourself by raising your hand. That's star 5 on the phone or the hand icon at the top of the screen.

01:20:21.670 --> 01:20:26.990

HALL Brittany A  
Hey go ahead, Katherine Green. We will enable your microphone so that you can unmute yourself and provide your testimony.

01:20:27.990 --> 01:20:49.830

Katherine Green (Guest)  
Thank you Oregon Health Authority for the opportunity to speak to this very important issue, one of the things that has disturbed me. The most in the state of Oregon is the firing and abuse of all our brave healthcare workers who fought the pandemic on the front lines and probably have natural immunity to 95%.

01:20:52.300 --> 01:21:12.650

Katherine Green (Guest)  
The fact that we have denied the existence of natural immunity shows corruption collusion and violence against the people of this nation. They are forcing a product for which no one is liable. We have no safety data for it. It is showing negative.

01:21:13.470 --> 01:21:30.680

Katherine Green (Guest)  
Vaccine Efficacy after multiple doses for preventing the latest variants of SARS Co V 2 and it looks like it is creating more variants by being training your immune system to be only able to fight the original one.

01:21:31.590 --> 01:22:02.280

Katherine Green (Guest)  
The safe and effective treatments, which exist and many other nations including Japan, Mexico and India have made high use of and provided to their entire populations for free stamping out kovit in literally 2 weeks time in some cases have been suppressed violently in this country so that you could force this product on an unwilling population and finally, we have all caused deaths skyrocketing in the age group 16.

01:22:02.440 --> 01:22:32.650

Katherine Green (Guest)  
To 64 are working class, it is from these products and finally when a politician, Kate Brown and a finance ear Pat. Allen think they get to make the medical decisions for medical doctors and nurses and chiropractors and naturopathic and acupuncture 's. They are wrong. They are violently wrong and they are harming people. You need to let people do their own research make their own decisions end of story, you are out of line.

01:22:32.770 --> 01:22:48.240

Katherine Green (Guest)

Your end run around our legislature and the population of this state, I hope that your budget is slashed to 10% and a natural path is put in charge and then you will see improvement in the health of Oregonians. Thank you.

01:22:51.910 --> 01:22:54.390

HALL Brittany A

Thank you in the queue, we have.

01:22:55.200 --> 01:23:20.720

HALL Brittany A

Tammy Bennett, Amy Olcc Samantha Kimbo, Andrew Salmon, Steven go to kiss page cream and Virginia Hall and Tina Bacon. If you've heard your name. Please identify yourself by raising your hand that's star 5 on the phone or the hand icon at the top of the computer screen.

01:23:21.720 --> 01:23:27.070

HALL Brittany A

Virginia Hall, we will go ahead and enable your microphone so you can unmute yourself and provide your testimony.

01:23:32.660 --> 01:23:37.030

Virginia (Guest)

OK, one minute, I'm Virginia Hall.

01:23:41.290 --> 01:23:43.780

Virginia (Guest)

And it is my opinion.

01:23:44.390 --> 01:23:54.550

Virginia (Guest)

And the result of my research that laws that enable local health departments to issue public health orders are.

01:23:55.150 --> 01:23:55.650

Virginia (Guest)

Doing.

01:23:55.730 --> 01:24:08.340

Virginia (Guest)

Unconstitutional business local health authorities have grown accustomed D issue Edicks and coercing compliance. It is far past time for this.

01:24:08.590 --> 01:24:12.260

Virginia (Guest)

Unconstitutional conduct to stop.

01:24:12.910 --> 01:24:25.410

Virginia (Guest)

So lozin question allow state health officials or local health departments to create and enforce orders to limit the spread of disease.

01:24:26.240 --> 01:24:40.200

Virginia (Guest)

The law violates the state constitution, which gives separate powers to different branches of government and says it elected officials should be the ones to issue such mandates.

01:24:41.920 --> 01:24:49.630

Virginia (Guest)

Whether your Department can abolish representative government in the creation of public laws.

01:24:50.250 --> 01:24:51.380

Virginia (Guest)

Or not.

01:24:52.310 --> 01:25:19.070

Virginia (Guest)

The state health Department 's rules are also permitting local governments to subject Oregonians 2 disparate treatment by enabling a patchwork of local health orders. Thus, violating the equal protection clause of the states constitution refrain from issuing public health orders.

01:25:22.780 --> 01:25:23.530

Virginia (Guest)

Adults.

01:25:31.150 --> 01:25:34.270

HALL Brittany A

Thank you. I'm Next up will have Steven go to kiss.

01:25:43.140 --> 01:25:46.270

HALL Brittany A

So even if you're able to unmute yourself and provide your testimony please.

01:25:57.850 --> 01:25:58.500

Steven GK (Guest)

More forgiving now than they will in a few months from now.

01:26:33.320 --> 01:26:52.750

Steven GK (Guest)

Uttarpradesh, India eradicated kovid with fiber Mekton Bouchie made that impossible to get in the states. As with aids. The 8th pandemic. He made the simple drugs. Then then possible to get Mexico City eradicated kovid with Ivar Mac 10 as I that hydroxychloroquine and the other Christian families that are well known antivirals.

01:26:53.510 --> 01:27:03.650

Steven GK (Guest)

And other also natural antivirals. Vouchee is still preventing these the use of these drugs. As with El Salvador that gave all its people I've ever met in in its medical kits.

01:27:04.680 --> 01:27:08.480

Steven GK (Guest)

Free Assange pardon Snowden and Pardon Assange. Thank you very much.

01:27:43.610 --> 01:27:44.610

HALL Brittany A

01:27:44.970 --> 01:27:45.410

Tina Bacon (Guest)

01:27:47.390 --> 01:27:54.240

Tina Bacon (Guest)

I am Tina Bacon of Oregon and I'm against these 2 rulings and ask that you please stop all vaccine and masking rules.

01:27:55.000 --> 01:28:01.740

Tina Bacon (Guest)

Mask promote bacteria and reduce oxygen levels science has proven masks are ineffective.

01:28:02.820 --> 01:28:15.010

Tina Bacon (Guest)

Staff and patients are living in fear because of OHA mandates to wear mask and the threat to have to go against beliefs and having a right of choice taken away to be vaccinated, or not.

01:28:15.730 --> 01:28:31.980

Tina Bacon (Guest)

Masker killing patients and all be reminded the recent Supreme Court ruling blocking vaccination and testing that administration has overstepped authority. I'm asking oha to comply with this immediately for the health and welfare of the Oregon people.

01:28:32.890 --> 01:28:45.800

Tina Bacon (Guest)

Oha is creating the shortage in medical staff with these mandates please stop. OHA is creating an unsafe healthcare environment for patients with these mandates not kovid please stop.

01:28:46.970 --> 01:29:16.660

Tina Bacon (Guest)

Listen to doctor Robert Malone and his speech yesterday. He created the RNA vaccine technology, he said. These vaccines are not safe. Vaccines do not provide immunity natural immunity from Covid is long lasting and highly protective. We have the right to make a choice and not be threatened or forced. Please stop businesses should not be enticed or encouraged by Kovid money to put pressure or threaten people.

01:29:17.320 --> 01:29:23.650

Tina Bacon (Guest)

Please restore our rights to govern our body and stop these mandates that is all.

01:29:27.290 --> 01:29:28.050

01:29:57.600 --> 01:30:02.110

Virginia (Guest)

OK.

01:30:15.710 --> 01:30:40.680

Virginia (Guest)

State Department rules state health Department rules also permit local governments to subject Oregonians to disparate treatment by enabling a patchwork of local health orders. Thus, violating the equal protection clause of our states constitution refrain from issuing public health orders.

01:30:41.380 --> 01:31:13.270

Virginia (Guest)

Adults have the constitutional right to privacy which by court rulings has been interpreted to include the right to refuse medical treatments. Adults also have the protection of tort law in that any unwanted medical procedure is considered an unwanted touch or even assault or battery refusing medical treatments is often based in deeply held religious beliefs. the First Amendment protections.

01:31:13.730 --> 01:31:20.290

Virginia (Guest)

Of adults rights to freely practice their religion, as they see fit can prevent treatment.

01:31:21.220 --> 01:31:38.810

Virginia (Guest)

The US Constitution safeguards the rights of Americans to privacy and personal autonomy. Although the constitution does not explicitly provide for such rights, the US Supreme Court has interpreted the constitution.

01:31:39.420 --> 01:31:40.010

Virginia (Guest)

Uh.

01:31:41.090 --> 01:31:54.710

Virginia (Guest)

That they protect these rights specifically in the areas of marriage procreation abort abortion private consensual homosexual activity and medical treatment.

01:33:48.710 --> 01:33:49.600

Melissa Marks-Ladd (Guest)

Can you hear me now?

01:33:49.980 --> 01:33:50.760

HALL Brittany A

Yes, we can.

01:33:52.310 --> 01:34:15.420

Melissa Marks-Ladd (Guest)

I'm I am Melissa Mark Sad. I am an RN at and at a hospital in Southern Oregon and have been on leave since October 18th. I am in no way Anti Vax. I actually received the first Moderna vaccine in August independent of any mandates after looking at the data, which showed an antibody boost following the covid infection, which I had in January of 2021.

01:34:16.880 --> 01:34:19.250

Melissa Marks-Ladd (Guest)

I currently have lab confirmed antibodies.

01:34:20.210 --> 01:34:31.150

Melissa Marks-Ladd (Guest)

After Covid Plus One dose. I'm literally in the most protected cohort much more so than the health care workers that are currently allowed to work with Covid because of the dire state of the health care systems.

01:34:32.510 --> 01:35:01.160

Melissa Marks-Ladd (Guest)

I am at home caught between policy and science while patients suffer the consequences of compromised care medicine requires nuance this week. the CDC put out a new report in the MMWR that states as was observed in the present study after July. Recent International Studies have also demonstrated increased protection and P persons with previous infection with or without vaccination relative to vaccination alone. This new report.

01:35:01.210 --> 01:35:09.680

Melissa Marks-Ladd (Guest)

Is the first time the CDC has acknowledged an increased level of protective immunity from previous infection and confirmation of the international data that has supported this.

01:35:10.460 --> 01:35:28.090

Melissa Marks-Ladd (Guest)

Science is never a one size fits all approach prohibiting people like myself with adequate protection is contributing to staff shortages directly impacting patient safety and outcomes as I have said I'm not anti vax. But I am adamant that my medical decisions are backed by data in light of the latest CDC report.

01:35:29.770 --> 01:36:00.250

Melissa Marks-Ladd (Guest)

I hope Oregon is willing to pivot to allow the latest data to guide policy and lead the nation. Accordingly, just today. I received an email from my hospital that is 100% vaccine vaccinated, not accepting anyone with exemptions to work. They have over 100 health care workers out with Covid now and have moved into contingency staffing plan, while I sit home with antibodies and patient care plummets. The vaccine works for the individual but does not prevent transmission and therefore mandates are not logical. It is time to follow the latest science.

01:36:00.300 --> 01:36:03.930

Melissa Marks-Ladd (Guest)

Which needs are healthcare workers back in the hospitals thank you?

01:36:07.870 --> 01:36:10.790

HALL Brittany A

Thank u next step. We will have Christina Carmichael.

01:36:25.100 --> 01:36:25.620

Christina Carmichael

Hear me.

01:36:26.760 --> 01:36:27.760

HALL Brittany A

Yes, we can hear you.

01:36:28.640 --> 01:36:58.170

Christina Carmichael

Hi my name is Christina Carmichael I'm in intensive care Ward nurse. I work in 2 different ICU 's throughout the state and I'm calling in to oppose the vaccine mandates since these failed policies of vaccine mandates have been implemented at first. We were told. It was to reduce the spread of covid among health care workers to ensure that we could show up to work and staff. But yet the state of Oregon sent home several hundreds.

01:36:58.510 --> 01:37:08.560

Christina Carmichael

Of health healthy health care workers who had already had antibodies and we're already immune to kovid with lifelong immunity. We're now seeing in our studies that that is actually better.

01:37:09.030 --> 01:37:12.010

Christina Carmichael

Uh you know, I oppose these mandates.

01:37:12.390 --> 01:37:42.910

Christina Carmichael

Uh because it it actually created the staffing crisis as opposed to helping it. I also have a Birds Eye view and audited the codes that happened in my hospital and I was able to see it at multiple people died. It almost doubled starting in August. When these mandates were implemented and people die because you don't see it coming. You don't get in front of it. They have heart attacks. They have complications because your nurses were taking 5 or so or more patients.

01:37:43.260 --> 01:38:05.100

Christina Carmichael

Untrained staff they had volunteer or not volunteers, but National Guardsmen in in their riverbend went ahead and sent home. A bunch of the healthy workers and then turned around and absorbed all the taxpayer, money through federal grants, so that they could pay \$10,500.00 a week further burdening our community.

01:38:06.030 --> 01:38:34.860

Christina Carmichael

So these mandates have increased unemployment, they increased poverty. They've increased suicides or death rates are up 40% not due to Covid, but instead due to these vaccines and you have healthy nurses at home sitting waiting to be called back to work. These mandates have to stop governor. Brown 's policies expired and failed OHA should not take up the torch. Otherwise, you will be held liable as well. We have the names of the decision makers on this board and we will pursue legal action.

01:38:43.600 --> 01:38:46.040

HALL Brittany A

Thank u Next up, we have.

01:38:48.120 --> 01:38:49.610

HALL Brittany A

Stephanie Mulholland.

01:38:52.720 --> 01:39:21.660

Stephanie Mulhollem

Hi I am my name is Stephanie Mahal am I am a nurse and I am very strongly opposed to the vaccine mandates in the healthcare settings. Healthcare is an extremely personal matter. One of the favorite go. TOS for a long time has been my body by choice but whereas that rhetoric now whereas my choice for what is right for my body as a nurse? I've had to watch people make decisions with their bodies that personally I may or may not agree with. But how it is their choice getting a vaccine should be my choice.

01:39:22.360 --> 01:39:39.740

Stephanie Mulhollem

Uhm masking should be a personal choice, if it makes an individual feel safer then by all means choose to mask at the vaccine stop, making this a war between the maskers and anti maskers and those pro

vaccine and the quote Unquote Anti. Vaxxers choose instead to make people responsible for their health choices and their own health care. Thank you.

01:39:43.290 --> 01:39:45.820

HALL Brittany A

Thank you next we have Megan Langdon.

01:39:51.040 --> 01:39:52.040

Megan Langdon

Hi can you hear me?

01:39:52.970 --> 01:39:54.070

HALL Brittany A

Yes, go ahead, please.

01:39:54.970 --> 01:40:04.650

Megan Langdon

Hi my name is Megan Langdon. I am a health care worker and I am against the permanent mask and vaccine mandates in our health care facilities or in any setting for that manner.

01:40:05.950 --> 01:40:13.560

Megan Langdon

And there are many reasons to immediately stop the implementation of the masking vaccine mandates as so many people have explained before me.

01:40:14.180 --> 01:40:15.770

Megan Langdon

But I want to talk about the data.

01:40:17.240 --> 01:40:21.830

Megan Langdon

Let me start by asking what do these mandates actually do to protect anyone?

01:40:22.660 --> 01:40:27.260

Megan Langdon

Have the mask in vaccine mandates done anything to mitigate the spread of Covid, an organ.

01:40:27.920 --> 01:40:41.920

Megan Langdon

Let's look at some of the data here in Oregon, 74.6% of individuals above the age of 18 have completed their primary series of covid shots, meaning they have gotten one J&J or 2 of the murder or Pfizer series.

01:40:42.740 --> 01:40:59.170

Megan Langdon

Over 85% of health care workers have had a complete covid series and 39.2% of Oregonians have had a booster dose since the availability of these shots and achieving the governor 's goal of over 70% rate of uptake our case rate in Oregon, has gone up.

01:41:00.110 --> 01:41:10.430

Megan Langdon

It has not gone up by just a little bit either. The number of daily updates of coronavirus cases has gone up 904% since April of 2021.

01:41:11.310 --> 01:41:20.020

Megan Langdon

Since the reinstatement of the indoor mask mandate on August 13th 2021 daily covid case rates have gone up 307%.

01:41:21.060 --> 01:41:40.520

Megan Langdon

I would say if anything. This data tells us that the mask mandates and the covid shots are causing more cases of this disease or at best. Doing nothing at all, and we should scrap these so called safety measures immediately. They are not working the numbers that these numbers that I got came directly from the AJ dashboard today.

01:41:41.460 --> 01:41:42.070

Megan Langdon

So.

01:41:43.550 --> 01:42:15.450

Megan Langdon

Why why would anyone be required to take any of these shots? Why would we double down on our master requirements? Why are people losing their livelihoods and their careers? Why are people being threatened coerced and deceived into taking these shots and being forced to wear an infective ineffective face covering for hours in a day. What is the goal here? We deserve to have our voices heard and recognized not one measure taken by the state of Oregon has been initiated since his side of this pandemic and the rest of the country sees us as a joke and this insanity, and the mask of vaccine mandates and their full capacity and and.

01:42:15.500 --> 01:42:16.910

Megan Langdon

Any setting thank you.

01:42:20.330 --> 01:42:41.270

HALL Brittany A

Thank u Next up? We have a phone number that ends in 0685 and as a reminder. We have Britney Ruiz Sonia Fintech and melody short boys in the queue if you could please identify yourself by raising your hand and that star 5 on the phone or the little hand icon at the top of the screen.

01:42:42.170 --> 01:42:48.490

HALL Brittany A

So the phone number that I just called go ahead and unmute yourself with star 6 and provide your name and testimony please.

01:43:08.100 --> 01:43:09.550

+14\*\*\*\*\*85

Hello can you hear me now?

01:43:09.790 --> 01:43:10.750

HALL Brittany A

Yes, we can hear you.

01:43:11.390 --> 01:43:12.910

+14\*\*\*\*\*85

Oh my gosh, I'm so sorry.

01:43:13.720 --> 01:43:19.980

+14\*\*\*\*\*85

I wasn't expecting to actually get on, but that is confusing sometimes so.

01:43:21.060 --> 01:43:24.110

+14\*\*\*\*\*85

After hearing so many testimonies of science.

01:43:24.980 --> 01:43:41.410

+14\*\*\*\*\*85

And UM experiences from professionals from experts from mom from dad from citizens business owners. I'm a business owner. In Lincoln City, Oregon and a citizen that owns a home as well.

01:43:42.180 --> 01:43:43.270

+14\*\*\*\*\*85

And UM.

01:43:44.040 --> 01:43:44.510

+14\*\*\*\*\*85

Yeah.

01:43:45.410 --> 01:43:55.240

+14\*\*\*\*\*85

I feel like everything that needs to be, said it's been said that I would just add that we are. I just agree with everyone and there's a lot of us.

01:43:56.480 --> 01:44:10.930

+14\*\*\*\*\*85

I I do wanna say in my 2 minutes that I spent an hour and a half trying to figure out how to get on the meeting today. So I know there are myriads of people that are not on this meeting that could not get through the technological difficulties that I encountered today.

01:44:11.920 --> 01:44:18.250

+14\*\*\*\*\*85

And I was thrown out 3 times on the call. My dad and my cell phone. I don't know doesn't usually happen.

01:44:19.310 --> 01:44:33.700

+14\*\*\*\*\*85

And I'm offended that and I think a lot of us are that we can have public meetings, if masks work and back end work. Then all of you that are mapped. In fact should be able to be in a public room with the rest of us together.

01:44:34.440 --> 01:44:39.970

+14\*\*\*\*\*85

Because this is not fair. It's not constitutional it is a form of censoring.

01:44:40.730 --> 01:44:42.730

+14\*\*\*\*\*85

As far as the math says, we all well know.

01:44:43.920 --> 01:44:44.590

+14\*\*\*\*\*85

And.

01:44:45.400 --> 01:44:46.570

+14\*\*\*\*\*85

Think closing.

01:44:47.780 --> 01:44:51.280

+14\*\*\*\*\*85

My husband was fired as a coach and the school system because.

01:44:51.900 --> 01:44:53.470

+14\*\*\*\*\*85

He didn't want to.

01:44:54.450 --> 01:45:03.760

+14\*\*\*\*\*85

Sign the paper to adhere to the draconian measures that other people had testified about so I hear my time is up and I will finish up here and.

01:45:05.250 --> 01:45:07.870

+14\*\*\*\*\*85

We would like for him to be able to go back employed.

01:45:08.600 --> 01:45:14.810

+14\*\*\*\*\*85

The one last thing during the abuse programming that teachings that we go through.

01:45:15.880 --> 01:45:39.900

+14\*\*\*\*\*85

It stated that we were required to report child abuse in any way, emotionally physical sexual psychological self censor. the Oregon Health Authority 's I am officially reporting child abuse in the entire public school system by every teacher administrator and coach who adheres and demands these mandates out of these children. Thank you.

01:45:40.880 --> 01:45:43.170

HALL Brittany A

Thank you could you please provide your name for the record.

01:45:44.090 --> 01:45:44.900

+14\*\*\*\*\*85

Tina Puckett.

01:45:46.100 --> 01:45:46.640

HALL Brittany A

Thank you.

01:45:49.450 --> 01:45:54.180

HALL Brittany A

Next up, we have a phone number that ends in 9664.

01:46:07.870 --> 01:46:13.100

HALL Brittany A

Alright 9664 if you could please unmute yourself by pressing star 6.

01:46:12.720 --> 01:46:13.870

+13\*\*\*\*\*64

Hi can you hear me?

01:46:14.190 --> 01:46:14.950

HALL Brittany A

Yes, we can.

01:46:16.010 --> 01:46:46.900

+13\*\*\*\*\*64

Awesome hi my name is Brittany Ruiz l'ma. Parental rights advocate for the state of Oregon and I am testifying specifically on this healthcare rules changed a couple of things I have not brought up before, is first of all. I wanna thank all the health care workers that even though they're working. They're here, submitting public comment has it off to you and also to Brittany and OHA for in these together. I have stated most of my concerns via email. But I want to make them more broadly, known is the concern. I have with the.

01:46:46.960 --> 01:47:17.320

+13\*\*\*\*\*64

Actual rules as written do not accommodate the ever changing science, so there's no clause in there that says Hey. If this study says this we better change, so actually we are going. We are becoming ever. Aggressive state not progressive. We are not changing with the times. We're going backwards. Separately, I. I don't think a lot of people know that the vaccination requirement is actually going to be permanent. There's no clause in the rules that rescind that bio AJ it's my understanding that none of these rules will be allowed.

01:47:17.370 --> 01:47:47.500

+13\*\*\*\*\*64

To be rescinded by the governor by any governor if they even do a new uh mandate or requirement because oh it's only up to OHA 2% and as I said, I'm a separate call. Oh, hi has personal and direct financial conflicts of interests boats refunding. The agency and through personal relationships from the very Department. That's conducting this meeting. Today, working directly and via email and phone call with pharmaceutical companies that is a serious conflict of interest and I.

01:47:47.560 --> 01:48:16.610

+13\*\*\*\*\*64

Really think we just separate that out, and then entity not biased and not conflicted should be the one that makes those decisions. Separately, people with natural immunity are being thrown to the curb and we need to recognize that every setting that's come out in the last year over 160 studies shows that natural immunity is far more superior than the vaccination and CDC just disclose several times on the media that the vaccine do not prevent someone from transmitting or getting the virus.

01:48:17.180 --> 01:48:28.170

+13\*\*\*\*\*64

So I just wanted to encourage Ah, Oh Hi to rethink this and make sure that we are doing everything we can to not discriminate against minorities, especially with adding client. Thank you so much appreciate your time.

01:48:30.430 --> 01:48:35.680

HALL Brittany A

Thank you. I'm Next up? We have a phone number that ends in 0685.

01:48:37.000 --> 01:48:42.560

HALL Brittany A

We will enable your microphone if you could please unmute yourself by pressing star 6.

01:48:48.610 --> 01:48:49.140

+14\*\*\*\*\*85

Hello.

01:48:50.000 --> 01:48:50.820

HALL Brittany A

Hi go ahead.

01:48:52.110 --> 01:48:55.420

+14\*\*\*\*\*85

Yes, my name is Tina pocket. I'm a business owner and Lincoln City.

01:48:56.620 --> 01:48:57.300

+14\*\*\*\*\*85

And.

01:48:59.170 --> 01:49:01.900

+14\*\*\*\*\*85

I just want to bring up a couple of points OHA.

01:49:03.050 --> 01:49:07.860

+14\*\*\*\*\*85

First off and even the governor and the whole government system, they're in Oregon.

01:49:09.390 --> 01:49:12.220

+14\*\*\*\*\*85

You're in gross violation of the Nuremberg code.

01:49:13.020 --> 01:49:16.170

+14\*\*\*\*\*85

That stated of course, if you're not familiar with that.

01:49:18.260 --> 01:49:25.190

+14\*\*\*\*\*85

And it wasn't just for the scientists who were doing experiments medical experimentation on humans, which is.

And.

01:49:48.900 --> 01:49:51.390

+14\*\*\*\*\*85

We're not asking to put up with it anymore.

01:49:52.200 --> 01:49:53.990

+14\*\*\*\*\*85

And it's evidenced by.

01:49:54.730 --> 01:49:56.920

+14\*\*\*\*\*85

And you don't really have the right to cut off.

01:49:57.750 --> 01:50:06.420

+14\*\*\*\*\*85

01:50:07.050 --> 01:50:12.790

+14\*\*\*\*\*85

01:52:30.830 --> 01:52:36.670

HALL Brittany A

01:52:53.780 --> 01:52:54.550

01:52:59.840 --> 01:53:03.080

+15\*\*\*\*\*73

Alright I had to press star 6 several times.

01:53:04.050 --> 01:53:34.720

+15\*\*\*\*\*73

Hi my name is melody short voice. I am an acupuncture IST here in Oregon. I suppose both map and vaccine mandates. I am not going to go through all of the science nor am I going to point out the human

rights violation. Your medical bigger 3 because of their others have already and will continue to do so. As for a personal harm you will get that in my written testimony. Instead, I would like to state. The obvious and point out the maliciously ludicrous situation that we find ourselves in.

01:53:35.040 --> 01:54:05.840

+15\*\*\*\*\*73

What is one of the most dangerous things about kovid not being able to breathe hypoxia so why on earth would anyone think that it's a good idea to have a measure in place that makes it harder to breathe and causes hypoxia? Are you trying to make things worse. It certainly appears that way. I would also like to speak about the absolute lies that the UN vaccinated are of any danger whatsoever to anyone. Just back in 2015, when we were stuck in the Nick You.

01:54:06.080 --> 01:54:32.470

+15\*\*\*\*\*73

With the birth of my premature son. The only child, who was allowed to visit us in the NICU was a completely UN vaccinated, one why? Because it was such a solid known fact that uh none vaccinated. Healthy person is about as low risk category as you can get it was her unvaccinated status specifically that allowed that child to come visit.

01:54:33.200 --> 01:55:01.210

+15\*\*\*\*\*73

It's politics and agency capture and not reality that has changed that perception. DN 9 natural immunity negates. The entire theory upon which vaccination is built if there is no natural immunity then. What are vaccines trying to be a knock off of without natural immunity they can only be classified as a poison I've been a practicing acupuncture, IST here in Oregon for 16 years.

01:55:02.490 --> 01:55:12.030

+15\*\*\*\*\*73

We were better off without OHA which was founded only in 2019 as the last person or sorry 2009 as the last person mentioned.

01:55:12.890 --> 01:55:28.610

+15\*\*\*\*\*73

I have already applied for and received a secondary license in another state in case I need to give up my right to practice here in my home state. I have one foot out the door. Please give me a reason to stay. Please drop all these mandates down thank you.

01:55:31.590 --> 01:55:43.600

HALL Brittany A

01:56:56.610 --> 01:56:57.750

+15\*\*\*\*\*78

Hello can you hear me?

01:56:58.030 --> 01:56:59.030

HALL Brittany A

Yes, please go ahead.

01:57:00.670 --> 01:57:04.630

+15\*\*\*\*\*78

Hi my name is Sarah Cassidy I'm a natural born woman of this nation.

01:57:05.260 --> 01:57:35.570

+15\*\*\*\*\*78

Uh oh OSHA prior to Covid Hadden, a reasonable respiratory act in PPE protocols. These have been ignored due to politics, and large amounts of money given by the federal government my own, doctors have told me that they hate masks now that they don't work. So why are they following bad policies that they know to be wrong OSHA should stop listening to the CDC if they want an OSHA expert on PPE. I'd recommend that he speak to Tammy Clark, and Chris and Megan, who are court certified OSHA experts.

01:57:36.320 --> 01:58:06.250

+15\*\*\*\*\*78

They should also look into the numerous Freedom of Information requests around the world that have requested a proper isolated virus of Covid and so far have not been presented with one vaccines are not the only way through health. They never have been? They don't work, and they never will work and my final say how these policies have been the horridness of women delivering women have been forced to deliver and masks in some hospitals this is ludicrous.

01:58:06.330 --> 01:58:36.700

+15\*\*\*\*\*78

Uncaring and cruel, not to mention reckless women babies have been taken away from them because they supposedly have covid which is also cruel and uncaring and reckless lolicia, a major nation for breastfeeding mothers talks about the importance of having babies next to their mothers in those first few minutes, having your baby taken away because opposed illness. Even it's it's it's ludicrous it doesn't make any.

01:58:37.370 --> 01:58:47.400

+15\*\*\*\*\*78

That's what so ever these are bad policies and they need to stop. We are causing harm to our next generation. Thank you for your time police stop this madness.

01:58:51.990 --> 01:58:55.310

HALL Brittany A

Thank you up next we have Amy Holt.

01:58:56.250 --> 01:59:00.770

HALL Brittany A

We will go ahead and enable your microphone so you can unmute yourself and provide testimony please.

01:59:02.290 --> 01:59:03.800

Amy Ultch (Guest)

Hello can you hear me?

01:59:04.150 --> 01:59:04.930

HALL Brittany A

Yes, we can.

01:59:05.930 --> 01:59:36.010

Amy Ultch (Guest)

OK. Hello. Sorry I just got on here, so I don't really have anything prepared. I just wanted to speak out. Once again and say that I absolutely oppose these mandates for vaccination requirements. Even for health care workers. These vaccines are experimental. There is no long term studies that show what these vaccines will end up doing to people and my question is what are we going to do if everybody?

01:59:36.090 --> 01:59:47.140

Amy Ultch (Guest)

In Healthcare, who was forced to get these vaccines. What if it makes them sick. What are we going to do without our health care workforce if they all become sick from the vaccine?

01:59:47.750 --> 02:00:19.860

Amy Ultch (Guest)

Uh this country has always been about personal choice and rights and they had to change the definition of vaccine to include this gene therapy. So it's completely experimental. There's no long term studies on it, and I don't think and especially since most most health care workers at this point have caught covid. They've already caught it. So they have the natural antibodies. Already, they don't need antibodies from the vaccine because again if we're talking about science.

02:00:20.020 --> 02:00:25.030

Amy Ultch (Guest)

Then natural antibodies should count just as much as antibodies from the vaccine.

02:00:25.720 --> 02:00:51.350

Amy Ultch (Guest)

And I don't know if anybody also is paying attention to what happened in Washington DC yesterday. There was a huge March on Washington, DC, which included many doctors and nurses that are now coming forth and speaking out because they don't agree with it. They believe in personal choice. They don't believe they should be mandated and they were speaking at the Capitol yesterday and the Oregon Health Authority should be paying attention to that as well. Thank you.

02:00:55.020 --> 02:00:57.040

HALL Brittany A

02:05:19.590 --> 02:05:25.690

+15\*\*\*\*\*13

The fact that nobody has been given informed consent from the beginning. We were We were told that these vaccines.

02:05:26.490 --> 02:05:27.820

+15\*\*\*\*\*13

Stop presenting as

02:05:28.510 --> 02:05:30.060

+15\*\*\*\*\*13

Prevented us from spreading covid.

02:05:30.670 --> 02:05:43.580

+15\*\*\*\*\*13

That is not that is very clearly not the case. Everybody that got the vaccine or forests or coerced into getting the vaccine. First time has now seen that and they will not be mandated into getting another one.

02:05:44.750 --> 02:05:48.880

+15\*\*\*\*\*13

There's a lot of people if if this is mandated the math.

02:05:49.740 --> 02:05:51.490

+15\*\*\*\*\*13

One thing in vaccines is another.

02:05:52.690 --> 02:06:00.170

+15\*\*\*\*\*13

A lot of people will quit their jobs. Many people do not want their boosters and this will collapse the hospital system as staffing is already integrated.

02:06:01.470 --> 02:06:05.210

+15\*\*\*\*\*13

Is this? Why Kate Brown put the national guards guards feet in the door?

02:06:06.860 --> 02:06:10.030

+15\*\*\*\*\*13

And that's all I have to say except for.

02:06:10.680 --> 02:06:17.060

+15\*\*\*\*\*13

Do your own research you will find that all M, RNA vaccines in the past killed all the animals so.

02:06:18.530 --> 02:06:18.920

+15\*\*\*\*\*13

Thank you.

02:06:23.690 --> 02:06:24.410

HALL Brittany A

Thank you.

02:06:26.440 --> 02:06:27.570

HALL Brittany A

02:06:35.730 --> 02:06:36.760

Kevin

Hey Brittany, Chiari.

02:06:36.080 --> 02:06:37.810

HALL Brittany A

Again, yes.

02:06:38.240 --> 02:06:46.660

Kevin

Sorry about that I I couldn't get it done mute. I just everybody else has said pretty much what I wanted to say, but I'll just say that I've been a firefighter for 14 years.

02:06:46.710 --> 02:06:52.980

Kevin

So I've worked through this whole pandemic without taking time off or getting sick.

02:06:53.020 --> 02:06:53.430

Kevin

Uhm.

02:06:54.510 --> 02:06:58.420

Kevin

I always thought the biggest threat to my livelihood was falling through a roof or.

02:06:59.290 --> 02:07:02.450

Kevin

Burning up in a house or getting hit by a car in an accident scene but.

02:07:03.690 --> 02:07:07.150

Kevin

They have to say so far, the biggest threat to my livelihood.

02:07:07.860 --> 02:07:08.580

Kevin

My job.

02:07:09.450 --> 02:07:13.330

Kevin

Has been the bureaucrats and the governor of the state, which is?

02:07:14.070 --> 02:07:23.780

Kevin

An incredible thing to say that I've had to work. Through this and then also worry about the stupidity of what's coming out of Salem.

02:07:24.640 --> 02:07:32.740

Kevin

This mandate is unnecessary. It's unconstitutional and there is no reason to go forward with it. I'd encourage you to just drop it.

02:07:33.420 --> 02:07:33.860

Kevin

Thank you.

02:07:35.230 --> 02:07:37.730

HALL Brittany A

Thank you could you please provide your full name for the record.

02:07:38.580 --> 02:07:39.480

Kevin

Kevin charter.

02:07:40.530 --> 02:07:41.280

HALL Brittany A  
Great thank you.

02:07:43.770 --> 02:07:47.360

HALL Brittany A  
Uh we have a phone number that ends in 3757.

02:07:49.750 --> 02:07:53.890

HALL Brittany A  
Please unmute yourself with star 6 and provide your name and testimony.

02:08:00.720 --> 02:08:01.540

+15\*\*\*\*\*57  
Can you hear me?

02:08:02.210 --> 02:08:03.200

HALL Brittany A  
Yes, go ahead, please.

02:08:03.850 --> 02:08:04.370

+15\*\*\*\*\*57  
OK.

02:08:05.150 --> 02:08:20.380

+15\*\*\*\*\*57  
Uh my name is Michelle McConnell and the gross human rights violations. Gotta taken place learning with Covid, having well dressed in all the public commentary as well as during senator, Johnson panel discussion of vaccines, which I highly encourage.

02:08:21.000 --> 02:08:25.190

+15\*\*\*\*\*57  
Everyone to listen to themselves and share with family and friends.

02:08:26.470 --> 02:08:30.030

+15\*\*\*\*\*57  
I want to focus on one of the many consequences that vaccine mandates.

02:08:31.300 --> 02:08:32.870

+15\*\*\*\*\*57  
Have had for health care workers.

02:08:33.960 --> 02:08:46.250

+15\*\*\*\*\*57  
I'm a nurse of 10 years with acute care experience prior to the mandate. I had worked on a nursing unit in the hospital with uh help with a major hospital in the Portland Metro for over 8 years.

02:08:46.970 --> 02:09:00.140

+15\*\*\*\*\*57

Our unit manager notified staff in a meeting a couple of weeks before the mandate went into effect at the end of September. That orders to patient ratio would be increasing because of staffing issues exacerbated by the mandate.

02:09:01.290 --> 02:09:14.610

+15\*\*\*\*\*57

Are unit changed dinners to patient ratio from 14 to one to 5 any increase entresto patient risk ratios adversely impacts patient care. This is a well researched and documented fact research has shown this.

02:09:15.190 --> 02:09:28.000

+15\*\*\*\*\*57

Increases the risk of a Sentinel event and negatively impacts measurable nursing outcomes such as catheter related infections hospital thread. Monya injury from falls, pressure ulcers and the length of hospital stay.

02:09:28.620 --> 02:09:32.100

+15\*\*\*\*\*57

When hospital state that Joe Mandate has made hospital safer.

02:09:33.590 --> 02:09:39.460

+15\*\*\*\*\*57

Places to give and receive care they are grossly misleading. The peak public patients and the communities they serve.

02:09:40.320 --> 02:09:46.340

+15\*\*\*\*\*57

We are suffering from a national workforce shortage, which has had and will be further exacerbates activated.

02:09:47.120 --> 02:09:50.130

+15\*\*\*\*\*57

As more employers require the proxying for employment.

02:09:53.320 --> 02:09:53.910

+15\*\*\*\*\*57

Uhm.

02:09:55.140 --> 02:10:21.720

+15\*\*\*\*\*57

I don't understand mandate, the vacancies thought are now being sold by traveling nurses who makes 3 times what a regular nurse makes these lucrative nursing contracts or subsidized by federal monies that are received when an employer state. They're experiencing staffing shortages due to covid? How will the state of Oregon recruit and retain health care staff limits federal sub sub cities have dried up and experience health care workers have already left the profession.

02:10:22.310 --> 02:10:26.220

+15\*\*\*\*\*57

Or as Organ Judge Michael Simon suggested moved to another state.

02:10:29.460 --> 02:10:41.750

+15\*\*\*\*\*57

This will have long lasting devastating impact on organs healthcare at a time when we are needed. The most as Baby Boomers. The largest generations overtime enters the age when they will need medical care. The most everyone loses.

02:10:44.230 --> 02:11:00.060

+15\*\*\*\*\*57

A tangle down there will continue to lift reveal about the vaccine mandate has caused significant damage to organs healthcare. Unfortunately, the communities of organ will realize this after it is too late. Dude, that corrupt government bodies in media who censor the truth. It is never too late to transport.

02:10:58.630 --> 02:11:02.840

HALL Brittany A

Alright thank you were at the 2 minutes, so we're gonna have to move on. Thank you.

02:11:04.640 --> 02:11:12.550

HALL Brittany A

OK, I'm gonna put out one last call for people that we have on the list that we haven't heard from chip Halverson Collins stores.

02:11:13.740 --> 02:11:18.570

HALL Brittany A

Laura Kelton Peter Christoff and Neil and.

02:11:21.230 --> 02:11:22.450

HALL Brittany A

Dance Tasso.

02:11:23.130 --> 02:11:27.130

HALL Brittany A

Andrew Lewis Libby Gillette, Tammy Bennett.

02:11:27.810 --> 02:11:31.450

HALL Brittany A

Samantha Gibeaut and Andrew Salmon.

02:11:33.560 --> 02:11:41.890

HALL Brittany A

Now we have a phone number here that ends in 9960. We will enable your microphone. So you can press star 6 to unmute yourself and provide your name and testimony please.

02:11:51.320 --> 02:11:52.390

+15\*\*\*\*\*60(3)

Hello can you hear me?

02:11:53.090 --> 02:11:53.890

HALL Brittany A

Yes, we can.

02:11:54.790 --> 02:12:11.340

+15\*\*\*\*\*60(3)

OK wonderful so I'm a PA in the community working here for a long time. They gotta get rid of this mandate for vaccines. You're taking people have natural immunity off the line and it's making it harder to work and treat patients secondary to that. You know, we know that doesn't stop transmission at this point so.

02:12:12.070 --> 02:12:30.000

+15\*\*\*\*\*60(3)

You know you guys have to revisit this issue, UM look. I understand the value of vaccines isn't on individual level. If you're old and sick or have a lot of committees or immuno compromised you should probably strongly consider getting it. But as far as people have already had it. We're just trying to work and provide care you guys have got to revisit this.

02:12:30.590 --> 02:13:01.200

+15\*\*\*\*\*60(3)

And as far as masculine not coming here in Wade into this at all except to say the powers that be like Kate Brown and found in DC not wearing them when they're just hobnobbing with their friends. So what does it make you think about when the same people making a misdemeanor to leave your house in March of 2020. These people are duplicitous and they don't seem to have any ability to consistently the other thing is if this is an issue as important as it is. It seems to do so many people showing up and needs to be kicked back to the Oregon Legislature less the representatives makes a decision not unelected bureaucrats, though HA is free.

02:13:01.250 --> 02:13:25.200

+15\*\*\*\*\*60(3)

To advise the legislative body and this state, but we had, we electable for a reason for representation. You need to take our opinions into account and these be kicked back the Legislature. They need to make a decision on this. This can't be made in an ivory tower with no one input or at least if you take input and next day. You say yeah. We're not gonna do anything about it anyway, so please get rid of these mandates thank you.

02:13:25.990 --> 02:13:28.440

HALL Brittany A

Thank you could you please provide your name for the record.

02:13:41.040 --> 02:13:51.270

HALL Brittany A

Alright. Next up will have a phone number that ends in 1449. Please unmute yourself by pressing star 6 provide your name and testimony.

02:13:57.660 --> 02:13:58.170

+15\*\*\*\*\*49

Hi there,

02:14:00.160 --> 02:14:01.100

HALL Brittany A

Yes, we can hear you.

02:14:03.750 --> 02:14:04.890

+15\*\*\*\*\*49

hello can you hear me?

02:14:05.340 --> 02:14:06.380

HALL Brittany A

Yes, we can hear you.

02:14:07.400 --> 02:14:12.050

+15\*\*\*\*\*49

Thank you Brittany I just want to thank you for giving me the opportunity to come.

02:14:12.800 --> 02:14:40.490

+15\*\*\*\*\*49

Uhm submit this testimony and make public comment my name is doctor, Brenda Mccool. I'm a naturopathic physician here in Oregon. Uhm I am absolutely opposed to both the mask mandate and the vaccine mandate for all health care workers and just citizens in general. I just want to make everyone aware and including to reiterate this to OHA that when the pandemic hit.

02:14:41.590 --> 02:15:04.050

+15\*\*\*\*\*49

Early on before we had a vaccine before we had any therapeutics available. UM Nature Pathic. Doctors were working. We were working with our patients to make a difference and keep them healthy and do preventive measures that we do in terms of treating all cold and flu seasons and treating the individuals in front of us with therapeutics at work.

02:15:04.770 --> 02:15:35.200

+15\*\*\*\*\*49

Uh we were silenced by the Federal Trade Commission and the Department of Justice here locally. There was a rule put in place to silence us and put a gag order on us. And many of us were investigated for simply being doctors. This is wrong on every level. I mean, Self Care Prevention. What we do as physicians. We make a difference in this state we make a difference in this country so I am asking OHA, UM and.

02:15:35.450 --> 02:15:57.170

+15\*\*\*\*\*49

All the powers that be are legislative powers to let doctors be doctors. Let us keep people healthy. Let us treat people and not necessarily treat the illness, but treat people and keep them out of the hospitals is that is the answer to this pandemic. It is not mandates. It is not masks and is not vaccines. Neither of those work. Thank you.

02:16:01.470 --> 02:16:02.280

HALL Brittany A

Thank you.

02:16:11.480 --> 02:16:28.890

HALL Brittany A

Alright uh we have made it to the end of the list of those that have signed up ahead of time, so if there's anybody on the call that we'd like to provide testimony. We ask that you raise your hand at this time and that's star 5. If you're on the phone or you can use the hand icon at the top of the screen.

02:16:43.320 --> 02:16:52.740

HALL Brittany A

Alright, we have a phone number that ends in 6940. We will enable your microphone. So you can unmute yourself by pressing star 6. Please provide your full name and testimony.

02:17:04.820 --> 02:17:05.380

+19\*\*\*\*\*40

Thank you.

02:17:11.970 --> 02:17:14.340

HALL Brittany A

OK, I'm gonna move on to Jessica Carlton.

02:17:18.190 --> 02:17:28.000

Jess Carlton

Hi I would just like an opportunity to finish since we were initially promised 3 minutes to speak. In that time was cut short and now we have additional time would that be OK.

02:17:28.890 --> 02:17:29.740

HALL Brittany A

I'm sure go ahead.

02:17:30.530 --> 02:18:00.360

Jess Carlton

I'm so I just had some additional thoughts while being informed consent and I just wanna say that informed consent also directly involves the patient and their care preserves bodily autonomy personal power and agency and it's used to build trust between the patient and the provider, and when you remove a patient agency in their care, you damaged their trust in you period and when you lack transparency you fracture trust and when you enforce policies that lack.

02:18:00.410 --> 02:18:20.240

Jess Carlton

Logic like allowing covid positive health care workers to work while unboxed healthy care were healthy workers sit at home. You destroyed trust and only prove that this was never about public health, but always about profit over people and may like I said, I remind you that health care providers are also first and foremost patients.

02:18:21.540 --> 02:18:51.080

Jess Carlton

Vaccine mandates removed the right the right to informed consent aren't and are completely unethical. They are also proving globally to be ineffective cause harm and potentiates further division amongst our already fractured communities. When we learn more and we know better. We are obligated to be transparent. With that knowledge and then do better with it. How long will we continue to commodify healthcare at the expense of actual health and when will we begin to hold these pharmaceutical companies proven to knowingly produce harm?

02:18:51.360 --> 02:18:58.750

Jess Carlton

Better currently immune to liability in cases of these vaccines, not only financially liable but also criminally responsible. Thank you.

02:19:00.570 --> 02:19:01.350

HALL Brittany A

Thank you.

02:19:03.130 --> 02:19:07.810

HALL Brittany A

Up next on the list. We have Elizabeth Leander Leander.

02:19:14.730 --> 02:19:19.870

HALL Brittany A

Elizabeth if you are able to unmute yourself, you may present testimony please.

02:19:20.320 --> 02:19:21.360

Elizabeth Leondar (Guest)

OK can you hear me?

02:19:21.650 --> 02:19:22.350

HALL Brittany A

Yes, we can.

02:19:22.660 --> 02:19:23.350

Elizabeth Leondar (Guest)

OK, perfect.

02:19:24.540 --> 02:19:44.070

Elizabeth Leondar (Guest)

So I would like to say, I'm a ER nurse and then on the front lines of the pandemic for the last 2 years and I am vehemently against mandating the covid vaccine and continuing with masking in healthcare settings, many people have already testified to.

02:19:44.120 --> 02:19:52.850

Elizabeth Leondar (Guest)

Umm how these vaccines don't really work and the full safety. Data is not going to be available until 20:00 and 23.

02:19:53.560 --> 02:20:08.490

Elizabeth Leondar (Guest)

And Furthermore, the insane vaccine mandates have created a severe nursing shortage something that I am working through currently and will only cause more patients to die since there are not going to be nurses available to care for them.

02:20:09.860 --> 02:20:25.660

Elizabeth Leondar (Guest)

Uh it's been 2 years of wearing masks. It's personally given me brain fog and fatigue and those are 2 things that can be very dangerous for a practicing ER nurse. My job is hard enough without struggling to breathe through a disgusting ineffective mask.

02:20:26.220 --> 02:20:53.120

Elizabeth Leondar (Guest)

2 years mandates have done nothing to stop the spread of Covid. It is only deleted and as this is being shown in the ers as we are now being overrun with covid positive patients, but now there's even fewer staff available to treat patients because of your idiotic and insane vaccine and mask mandates. We will not comply. And if you continue with this nonsense. I will join the ranks of thousands of others that have already left Oregon for greener and less restrictive pastures thanks.

02:20:58.250 --> 02:21:00.990

HALL Brittany A

Thank u Next up? We have rich Swingle.

02:21:06.910 --> 02:21:28.890

Rich Swingle (Guest)

Hi. Thank you so much Brittany I just have to say. I've been on all 3 of these. I I've missed about 3 and a half hours, but I have to say you have kept a very good attitude and I just want to say that I appreciate that can I ask has a single person yet because again? I've missed 3 and a half hours has a single person spoken for the mandates.

02:21:36.160 --> 02:21:42.160

HALL Brittany A

I haven't heard oral testimony for the mandates but we have received quite a few written comments that are for them.

02:21:44.420 --> 02:22:17.380

Rich Swingle (Guest)

Interesting OK fair enough, I would like to pick up where I left off on the 20th. I ran out of time and I was talking about well let me say one thing first because between then and now I discovered that in the project. Vera TOS documents that were uncovered that the gain of function that was being done to create the coronavirus included putting masks on civets to be certain that they could that that's a mammal in.

02:22:17.430 --> 02:22:26.300

Rich Swingle (Guest)

Asia they wanted to be certain that they could catch the virus while wearing a mask, so that just tells you how useless the masks are.

02:22:27.800 --> 02:22:28.490

Rich Swingle (Guest)

Thing is

02:22:28.540 --> 02:22:32.330

Rich Swingle (Guest)

so getting back to the.

02:22:33.190 --> 02:22:35.450

Rich Swingle (Guest)

The uh.

02:22:36.090 --> 02:22:42.660

Rich Swingle (Guest)

Pardon me finding finding this in my notes. This is the the fact that.

02:22:44.070 --> 02:22:47.750

Rich Swingle (Guest)

90% of media in the US is controlled by 6 corporations.

02:22:48.370 --> 02:22:58.970

Rich Swingle (Guest)

And just wanted to read a few quotes by spring. Some scientists who are coming out bottom line. I'm sorry. I'm at a time, but they're basically saying this was forced they were forcing fear they were.

02:22:59.030 --> 02:23:16.930

Rich Swingle (Guest)

Uhm turning people to to take these vaccines that I mean, the the virus is invented so that the the vaccines were already in the works. The vaccine the virus was basically invented so that people would take their their vaccine. That was already in the works. Thank you for your time.

02:23:21.120 --> 02:23:21.910

HALL Brittany A

Thank you.

02:23:23.940 --> 02:23:26.610

HALL Brittany A

You see that we have Mark Mcsorley.

02:23:34.220 --> 02:23:40.840

Mark McSorley

Yeah, I'm gonna do a add to what I was saying earlier 'cause I just got my time is short.

02:23:41.250 --> 02:23:45.590

HALL Brittany A

Yeah, and we we will allow an additional minute for those that I've already spoken.

02:23:41.930 --> 02:23:42.350

Mark McSorley

Yes.

02:23:45.960 --> 02:24:04.930

Mark McSorley

Make it so there's like Mark Mcsorley and I forgot to include that some children that have been getting these vaccines have ended up. I can't remember name of the uh infection or you know what it is, but it ended up that they're hard to became enlarged and once you would have been the most part.

02:24:05.650 --> 02:24:12.510

Mark McSorley

Your your life is pretty much gonna be screwed. You can't join the military can't become law enforcement.

02:24:13.170 --> 02:24:20.980

Mark McSorley

Can't become a professional athlete or even Olympian. So all these kids that have these goals for their futures their features are shot.

02:24:21.750 --> 02:24:23.570

Mark McSorley

And I mean?

02:24:24.210 --> 02:24:33.410

Mark McSorley

Why why are we doing this we shouldn't be pushing those it should be we should be able to choose when it was abortion. People say, Oh well right. It's my body my choice.

02:24:33.470 --> 02:24:37.830

Mark McSorley

This uh you know, and again, you know.

02:24:39.600 --> 02:24:48.100

Mark McSorley

This is more tyranny and Nazi party behavior. Then it is that of a constitutional Republic, which is how the United States was founded.

02:24:49.320 --> 02:24:49.740

Mark McSorley

Thank you.

02:24:51.960 --> 02:24:52.770

HALL Brittany A

Thank you.

02:24:53.640 --> 02:24:56.360

HALL Brittany A

You see that we have Kelly Barnett on the list again.

02:25:03.320 --> 02:25:04.110

Kelly Barnett (Guest)

I can hear me.

02:25:04.430 --> 02:25:04.950

HALL Brittany A

Yes.

02:25:05.760 --> 02:25:13.590

Kelly Barnett (Guest)

I was just curious if Oregon Health Division is aware of the stated military purpose for forcing the vaccinations.

02:25:14.440 --> 02:25:31.980

Kelly Barnett (Guest)

Or that the United States Security Council, who's over top of our national incident management system made clear statement and Declaration of using M, RNA and MoD RNA. It's a biological platform and that the military contractors, Pfizer and Moderna.

02:25:33.020 --> 02:25:42.030

Kelly Barnett (Guest)

I have overcome the last challenges for using these as biological weapons, which is allowing the United States Department of Defense and the US Army to repatriate.

02:25:42.850 --> 02:25:52.480

Kelly Barnett (Guest)

Facilities that had been only in Kazakhstan or in China or other areas and if you have any reservations about forcing.

02:25:53.140 --> 02:25:57.020

Kelly Barnett (Guest)

In creating mechanism to allow mandates under these purposes.

02:25:58.810 --> 02:25:59.360

Kelly Barnett (Guest)

That's good.

02:26:01.630 --> 02:26:11.260

HALL Brittany A

Alright, we aren't taking questions at this hearing, it's just for the purpose of taking public comment on the proposed rules and the next person we have on the list is a meal.

02:26:17.780 --> 02:26:21.890

HALL Brittany A

The meal if you're able to unmute yourself, please provide your full name and testimony.

02:26:23.560 --> 02:26:28.030

Emil (Guest)

Yes, my name is Avril bed Dushana Can you hear me?

02:26:28.290 --> 02:26:28.720

HALL Brittany A

Yes.

02:26:29.590 --> 02:26:42.190

Emil (Guest)

OK, having worked in the medical field for many years I have been witness to how pharmaceutical companies wine and dine. Doctors and hospital staff with the understanding that their companies products will take precedent.

02:26:42.820 --> 02:27:12.230

Emil (Guest)

It never felt good to me that money was being spent this way, and that our Department would take advantage of this there would be staff meetings where we were coached how to treat patients without insurance or how to bill in a way that best serve the hospital several times. I left those meetings, stating my discussed that a hospital would take this stance. I'm disgusted that a hospital would work for profit at all actually human health care should not be about profit. It should be about human care in the decency and the.

02:27:13.020 --> 02:27:37.860

Emil (Guest)

Profit made should pay back into the system in a circular balanced way. This is just a small example of how pharmaceutical and insurance companies deeply influenced medical practice. Fast forward to having my own children when my son was 2. P at his regular vaccinations per our well, baby visit the very next day, he stopped talking and he became sensitive to sound and touch.

02:27:38.670 --> 02:28:07.400

Emil (Guest)

When we try to find out what had happened. We were met with deaf ears. We spent the next several years looking for ways to help them. It was heartbreaking expensive slow uphill battle as insurance companies would not pay for these interventions and we have what one would think is good insurance. We he was enrolled in head start. He started kindergarten with an iep which he had for several years only to be pushed off at as soon as the school district could manage.

02:28:10.120 --> 02:28:41.210

Emil (Guest)

I have spent a lot of time with my son, helping with his sensitivities and he's doing doing well. Despite these operating systems operating in a way that serves the system. More than the people that these systems were created for all of this was happening before these mandates and now my husband, who has worked in the medical field for more than 20 years, who has been accepted for his religious exemption for all those 20 years is now being put out of a job and our family is.

02:28:41.260 --> 02:28:43.530

Emil (Guest)

Being put at risk of our livelihood.

02:28:44.180 --> 02:28:48.330

Emil (Guest)

I think that the medical field has been going in the wrong direction.

02:28:49.080 --> 02:28:51.250

Emil (Guest)

And these mandates need to stop.

02:28:54.310 --> 02:28:55.050

HALL Brittany A

Thank you.

02:28:55.930 --> 02:28:56.600

02:29:59.660 --> 02:30:09.660

Melissa Marks-Ladd (Guest)

Hi sorry, there's there's a delay. So I I try to unmute and it takes awhile and I just wanted to add to my testimony from that.

02:30:10.390 --> 02:30:16.580

Melissa Marks-Ladd (Guest)

As a health care worker in the hospital. We think that we can hire travelers to replace.

02:30:17.250 --> 02:30:43.860

Melissa Marks-Ladd (Guest)

Come home nurses, but what happens is the nurses. The travelers are not adequately trained on the

floors to replace the nurses and mistakes happen and they happen. A lot and as a nurse on a home floor. I know the doctors. I know the policies and procedures so well and and these travelers come in from different hospitals or different areas in or around the country and do not know how to work.

02:30:44.440 --> 02:30:47.350

Melissa Marks-Ladd (Guest)

Do not know our policies and procedures and they?

02:30:48.090 --> 02:30:52.990

Melissa Marks-Ladd (Guest)

Take out catheters, too early, they they are not.

02:30:54.340 --> 02:30:58.800

Melissa Marks-Ladd (Guest)

Uh maybe they don't know how to safely care for our patients.

02:30:59.310 --> 02:31:07.620

Melissa Marks-Ladd (Guest)

Uhm and it really detracts from Karen it diminishes care and it and it puts patients at risk Additionally.

02:31:08.470 --> 02:31:09.980

Melissa Marks-Ladd (Guest)

Uhm people think that.

02:31:11.160 --> 02:31:15.000

Melissa Marks-Ladd (Guest)

The National Guard coming in is helpful but.

02:31:15.660 --> 02:31:22.550

Melissa Marks-Ladd (Guest)

They're handing out food trays. They are not nurses. They are not they're not taking care of patients and we we really need.

02:31:23.030 --> 02:31:24.850

Melissa Marks-Ladd (Guest)

Uhm nurses.

02:31:25.450 --> 02:31:37.330

Melissa Marks-Ladd (Guest)

That live and work at their hospital who are invested in the hospital invested in the patients at their in their community to be at the hospitals that that provides the safest care for our patients.

02:31:39.280 --> 02:31:39.900

HALL Brittany A

Thank you.

02:31:43.050 --> 02:31:52.790

HALL Brittany A

Alright I'm gonna move back to the phone number that ends in 0716. If you're able to unmute yourself by pressing star 6. Please go ahead and provide your full name and testimony.

02:31:57.910 --> 02:32:18.900

+15\*\*\*\*\*16

Yes, Hello. This is Amelia bought one from Beaverton, Oregon. I work in high tech and I am strongly against the mandates for the health care workers come against vaccination and also masking these products are released under emergency use authorization and thereby cannot be mandated under federal law and per the Supreme Court.

02:32:19.550 --> 02:32:49.370

+15\*\*\*\*\*16

Uhm and Scott is not a final decision by the Supreme Court that it's still being done so that is not yet effective. The vaccines are failing they don't prevent transmission. And they cannot stop it from infecting other I have a friend who worked from the clinic and those who are vaccinated, and boosted are still getting COVID-19 and able to work when they test positive. These, Meanwhile, those who are qualified on vaccinated, and have natural immunity or unable to work. This is absolutely outrageous. Please listen to all the nurses and healthcare workers who have testified today also today.

02:32:49.950 --> 02:33:22.600

+15\*\*\*\*\*16

There was testimony in the US Congress at a roundtable by Senator Ron Johnson and just revealed whistleblowers and the Department of Defense looking at the US military saw that once the vaccination for COVID-19 was mandated on our military. They saw a 300% increase in miscarriages, a 300% increase in cancer and a 1000% increase, and neurological diseases. That was 83,000 per year, up to 860,000 neurological conditions that works 'cause.

02:33:22.660 --> 02:33:30.410

+15\*\*\*\*\*16

2 military argues because of these vaccines this must be stopped absolutely immediately. Thank you.

02:33:34.180 --> 02:33:37.750

HALL Brittany A

02:34:18.930 --> 02:34:23.930

HALL Brittany A

Enable your microphone if you could please unmute yourself and provide your name and testimony.

02:34:28.010 --> 02:34:29.380

Gabriel Buehler

My name is Gabriel Bueller.

02:34:30.190 --> 02:34:30.710

Gabriel Buehler

Uhm.

02:34:32.270 --> 02:34:45.750

Gabriel Buehler

I I really feel like the oha is creating this whole entire problem that they're having a a hearing about now trying to decide whether or not.

02:34:46.650 --> 02:34:50.660

Gabriel Buehler

Vaccination is something that needs to be mandatory.

02:34:51.550 --> 02:35:08.060

Gabriel Buehler

In you know, Oregon has a law where you don't have to get a vaccine. We're one of the only states that has that log for health care professionals. But you guys seem to not want to follow the rules or make up the rules.

02:35:09.010 --> 02:35:32.960

Gabriel Buehler

As you're going along. I mean, if it was truly a like a pandemic and truly such a big problem? Why would you have to mandate the vaccine? It just doesn't make any sense you just want to force people you know I was forced to get that shot which I wouldn't take it, I worked for Portland Public Schools.

02:35:34.260 --> 02:35:48.770

Gabriel Buehler

They fired me because I wouldn't take it. They told me that they didn't believe that I believed in God. When I asked for a religious exemption and the amount of health care workers that believe in God.

02:35:49.840 --> 02:35:54.110

Gabriel Buehler

That have been fired because of your mandates.

02:35:55.060 --> 02:36:11.420

Gabriel Buehler

This isn't a pandemic. This is you guys trying to flush out all the people that don't agree with your propaganda. It's plain and simple. The writings on the wall. We know what you're doing, and we're gonna stop you.

02:36:13.970 --> 02:36:14.500

Gabriel Buehler

Thank you.

02:36:17.830 --> 02:36:27.450

HALL Brittany A

Thank you. I'm gonna move now to a phone number that ends in 6940. If you could please unmute yourself by pressing star 6 and provide your name and testimony.

02:36:36.730 --> 02:36:38.980

HALL Brittany A

Phone number ending in 6940.

02:36:46.930 --> 02:36:48.750

HALL Brittany A

Alright I'm going to move back to Jose.

02:37:08.730 --> 02:37:14.200

HALL Brittany A

Josie are you able to unmute yourself and provide additional testimony.

02:37:15.070 --> 02:37:19.570

Josie (Guest)

Yes, the light just came on for me to unmute I wanted to thank all.

02:37:20.250 --> 02:37:36.590

Josie (Guest)

The people who provided data and listened outside the box and it truly do believe it's a spiritual war as well. When religious accommodations are not being accepted by employers because we run vaccinated, I did start.

02:37:37.470 --> 02:37:40.360

Josie (Guest)

On the E unit at Asante.

02:37:41.180 --> 02:37:50.500

Josie (Guest)

Which was the covid unit and I believe I have natural immunity heat through contact and working there and?

02:37:51.120 --> 02:37:52.280

Josie (Guest)

It it just.

02:37:53.230 --> 02:37:59.300

Josie (Guest)

It's spiritually hurtful when people don't accept your religious accommodation, so it is.

02:37:59.930 --> 02:38:01.690

Josie (Guest)

Truly in the healthcare looking like.

02:38:02.540 --> 02:38:10.140

Josie (Guest)

As spiritual battle when you're coercing us to get vaccinated, or not work. That's

02:38:11.540 --> 02:38:12.010

Josie (Guest)

uhm.

02:38:13.500 --> 02:38:15.460

Josie (Guest)

So I want to thank those who test.

02:38:16.420 --> 02:38:23.270

Josie (Guest)

Fighting gave the data on being unvaccinated because it supports a reason for not getting vaccinated.

02:38:25.120 --> 02:38:26.870

Josie (Guest)

As well, thank you.

02:38:29.420 --> 02:38:33.540

HALL Brittany A

Thank you. I'm going to move on to a phone number that ends in 6940.

02:38:34.430 --> 02:38:34.830

Josie (Guest)

Account.

02:38:43.140 --> 02:38:50.820

HALL Brittany A

If the person with the phone number that ends in 6940, would like to testify. Please unmute yourself and provide your name and testimony.

02:38:50.540 --> 02:38:51.570

+19\*\*\*\*\*40

Hello can you hear me?

02:38:51.800 --> 02:38:52.700

HALL Brittany A

Yes, we can hear you.

02:38:52.170 --> 02:39:22.680

+19\*\*\*\*\*40

Hello can you hear me OK awesome, yeah, yeah? Thank you sorry that wasn't easy, UM so my name is Rosie taxa? I live in Hillsboro, Oregon and I don't agree with the mask and vaccine band mandates and

I'm just coming up as a concerned mom with the mask mandate. I home school my girls my 2 girls now and.

02:38:53.390 --> 02:38:53.830

HALL Brittany A

Yes.

02:39:22.980 --> 02:39:54.320

+19\*\*\*\*\*40

Worry about UM beach, silly and developmental delay and I can't get through a UM homeschool language arts lesson with my 5 year old without saying look at my lips and this is how we make a lazy sounds and a long vowel sound. So I'm just coming from. You know coming at you from a mother 's perspective, the mask should totally be a choice, especially in school.

02:39:54.820 --> 02:40:05.690

+19\*\*\*\*\*40

And I think we're doing more harm actually when we mask, everybody because people who are who are actually at high risk.

02:40:07.250 --> 02:40:26.360

+19\*\*\*\*\*40

We can choose to wear can possibly get ahold of N, 95 masks to protect themselves. And when we mask everybody. Uh we, we take that opportunity for them to purchase those high quality Maps away so.

02:40:27.210 --> 02:40:32.000

+19\*\*\*\*\*40

Uh thank you for listening and thank you. Everybody who has provided a testimony.

02:40:35.770 --> 02:40:45.250

HALL Brittany A

Thank you. I'm gonna put out one last call for anyone who wants to provide testimony on the mask and vaccine requirements specific to healthcare settings only.

02:40:47.730 --> 02:40:52.010

HALL Brittany A

In order to raise your hand it's a star 5 from your phone.

02:40:52.820 --> 02:40:55.900

HALL Brittany A

We have a phone number that ends in 0685.

02:40:58.660 --> 02:41:03.110

HALL Brittany A

You can go ahead and unmute yourself by pressing star 6.

02:41:04.180 --> 02:41:04.750

+14\*\*\*\*\*85

Hi.

02:41:06.570 --> 02:41:08.230

+14\*\*\*\*\*85

This has seen a packet can you hear me?

02:41:09.610 --> 02:41:10.890

HALL Brittany A

Yes, we can hear you.

02:41:11.710 --> 02:41:13.940

+14\*\*\*\*\*85

OK. Could I have that one minute.

02:41:14.640 --> 02:41:19.970

+14\*\*\*\*\*85

Thought you were giving other people that testified earlier thank you. I just had brought to mind.

02:41:14.960 --> 02:41:15.430

HALL Brittany A

Yes.

02:41:17.310 --> 02:41:17.800

HALL Brittany A

Yes.

02:41:21.090 --> 02:41:27.530

+14\*\*\*\*\*85

The mask mandate, the vaccination mandate in the medical in hospital and UM.

02:41:28.330 --> 02:41:28.900

+14\*\*\*\*\*85

It it.

02:41:30.730 --> 02:41:34.320

+14\*\*\*\*\*85

But one of the basis that you're using as a reason.

02:41:35.020 --> 02:41:45.570

+14\*\*\*\*\*85

For continuing with this is because of the massive hospitalizations that you have in numbers on your website, the death. The cases the positive cases.

02:41:46.410 --> 02:42:08.120

+14\*\*\*\*\*85

And I just wanted to address a problem nationwide and that is that doctor. Fouchy has mandated every doctor every hospital to use they mandated protocol for the treatment of Kovat 19, which is rendered some error, which is a drug that was used for in Africa. They did trial back when there was capital, I.

02:42:09.030 --> 02:42:24.380

+14\*\*\*\*\*85

And I do believe it was more than this. But I couldn't find it on CDC website that at least 22% of the people tested with Windows Premier developed kidney issues within 3 to 5 days. Some renal failure, so in the hospital.

02:42:22.910 --> 02:42:28.860

HALL Brittany A

OK, thank you. That's been the additional minutes, so I'm going to move on a we have Michaela.

02:42:38.640 --> 02:42:39.600

Michaela (Guest)

Hi it's Michaela.

02:42:40.670 --> 02:42:41.700

Michaela (Guest)

Can you hear me yet?

02:42:41.960 --> 02:42:42.490

HALL Brittany A

Yes.

02:42:42.830 --> 02:43:13.570

Michaela (Guest)

OK, good, I just wanted to add one other point that I wasn't able to finish with that the way that we captured vaccinated, versus unvaccinated numbers so there was a bit of trickery that happened with that that all of the reported unvaccinated cases were people who had had either one vaccine or 2 + 14 days. If they had both Moderna and either Moderna or Pfizer or the 1 + 14 days if they had Johnson and Johnson.

02:43:13.970 --> 02:43:43.610

Michaela (Guest)

So, in effect what they did for the community was they masqueraded any potential vaccine events and called them UN vaccinated, and then disseminated that information for the public and pushed it really hard in the health care workers. We actually received daily reports with those numbers on them instead of actually giving us. The categories that would have been correct as far as people who had actually not had a vaccine and then those that had had a vaccine but.

02:43:43.970 --> 02:43:49.320

Michaela (Guest)

Less than the 14 days and those that were by their definition fully vaccinated, thank you.

02:43:51.850 --> 02:43:56.470

HALL Brittany A

Thank u next step is a phone number that ends in 7350.

02:44:05.610 --> 02:44:06.170

+15\*\*\*\*\*50

Hello.

02:44:05.860 --> 02:44:06.230

HALL Brittany A

Ah.

02:44:08.190 --> 02:44:10.970

+15\*\*\*\*\*50

Well hello my my name is Leif Jocelyn.

02:44:11.710 --> 02:44:13.250

+15\*\*\*\*\*50

I appreciate you taking the call.

02:44:14.610 --> 02:44:21.120

+15\*\*\*\*\*50

Can you tell me if the board members are present have they been present at all today?

02:44:22.300 --> 02:44:28.010

HALL Brittany A

Uh we're actually not taking questions at this hearing, it's just to take public comment on the proposed rules.

02:44:26.880 --> 02:44:45.630

+15\*\*\*\*\*50

That's that's yeah that's just been a sort of a strange rumor. I was thinking like who needs to book a revelation when all one needs to do is to listen to all these testimonies. Today it's been really impressive and a chorus denouncing these mandates just one detail on the.

02:44:46.380 --> 02:44:52.610

+15\*\*\*\*\*50

Breakthrough cases I've been following that for the past several months and they've been averaging 30%.

02:44:53.550 --> 02:44:56.520

+15\*\*\*\*\*50

At the turn of the year they were over 40% so.

02:44:57.130 --> 02:45:05.580

+15\*\*\*\*\*50

Any illusion about eradicating COVID-19 with vaccine mandates is wishful thinking.

02:45:06.280 --> 02:45:11.230

+15\*\*\*\*\*50

It's sort of like the horses out of the barn and you Wanna Whip, a dead cat.

02:45:12.380 --> 02:45:13.690

+15\*\*\*\*\*50

Uh I'm wondering.

02:45:15.220 --> 02:45:16.370

+15\*\*\*\*\*50

About the

02:45:21.510 --> 02:45:25.360

+15\*\*\*\*\*50

I'm wondering about where this is gonna go? I feel like last year was.

02:45:25.990 --> 02:45:33.280

+15\*\*\*\*\*50

No, he jabbed no service this year. It's no jab. No job in next year. It's no jab no food.

02:45:34.200 --> 02:45:55.250

+15\*\*\*\*\*50

And I I guess the main thing I want to share is it really feels like the far greater threat to us at this point is these kinds of rules that are trampling on our informed consent. There are right to Liberty 's and I'd read somewhere that the.

02:45:56.100 --> 02:46:24.090

+15\*\*\*\*\*50

The Revolutionary War during the Revolutionary War, there were outbreaks of malaria and smallpox, but nowhere in the Constitution of the Bill of Rights? Is there any language about extraordinary measures in case there's an outbreak and I think they understood that our rights are more important even if there's a outbreaks as severe as smallpox, so thank you.

02:46:26.320 --> 02:46:27.100

HALL Brittany A

Thank you.

02:46:28.460 --> 02:46:30.620

HALL Brittany A

We have Kim Rice on the list.

02:46:36.030 --> 02:46:38.170

Kim Rice

Yes, this is Kimberly Rice can you hear me?

02:46:38.580 --> 02:46:45.000

HALL Brittany A

Yes, I'm sorry. I keep saying Kim that's how your name is showing up on here. We we can, we can give you one more minute.

02:46:41.940 --> 02:46:45.050

Kim Rice

Oh no that's OK, I so it's just.

02:46:46.040 --> 02:46:53.530

Kim Rice

That's alright I was just stating my full name. But I do go by Kim UM. Thank you for allowing me to let you know that I oppose.

02:46:54.240 --> 02:47:09.180

Kim Rice

Uh masks and vaccinations for health care settings. I just want to know that when I go to the doctor that I don't have to be exposed to somebody who might be transmitting something.

02:47:09.670 --> 02:47:40.020

Kim Rice

Uh I recognize that health care workers by and large have natural immunity and unfortunately. I know many of those people who lost their jobs. Just like teachers. We need our health care workers right now. We need our teachers right now. I feel like these things are being done intentionally to break the system and it really hurts me to see all of the harm that's happening to people so please. I'm opposing these.

02:47:40.350 --> 02:47:49.180

Kim Rice

Uhm these rules 3330191010 and 1011 and please stop the rules now thank you.

02:47:51.870 --> 02:47:56.810

HALL Brittany A

Thank you. I'm gonna move down to a phone number that ends in 1165.

02:48:03.410 --> 02:48:08.400

HALL Brittany A

If you could please unmute yourself by pressing star 6 and provide your full name and testimony.

02:48:09.540 --> 02:48:14.450

+15\*\*\*\*\*65

Hello my name is Patricia free I would like to say that.

02:48:15.260 --> 02:48:37.870

+15\*\*\*\*\*65

I believe that masks and Flowers Cove, 2 vaccine should not be required for staff or others in healthcare settings. Have you ever been? To see a doctor? Have you ever had test done to find out if you have cancer? Have you ever had surgery on MRI on abortion? What about an accident that put you in the hospital for an undetermined amount of time.

02:48:38.690 --> 02:48:46.580

+15\*\*\*\*\*65

These examples are all potentially extremely stressful situations and each person handles these types of circumstances differently.

02:48:47.650 --> 02:48:52.980

+15\*\*\*\*\*65

I personally have had deep trauma in my life associated with more than one of these examples.

02:48:53.750 --> 02:48:57.920

+15\*\*\*\*\*65

Once when I underwent unnecessary seemingly mundane procedure.

02:48:59.340 --> 02:49:06.070

+15\*\*\*\*\*65

It was very difficult to control my stress and anxiety, breathing was difficult and I grew hotter and hotter.

02:49:07.550 --> 02:49:12.760

+15\*\*\*\*\*65

On this particular occasion. I actually had to have a friend go with me for moral support.

02:49:14.210 --> 02:49:17.240

+15\*\*\*\*\*65

At 1:00 point, she even had to answer the technicians questions.

02:49:17.820 --> 02:49:21.920

+15\*\*\*\*\*65

On my behalf because my situation, I was doing so bad. I couldn't talk.

02:49:24.700 --> 02:49:46.650

+15\*\*\*\*\*65

I cannot imagine being in that situation today, where my breathing would be stifled even more because of the mask. I cannot imagine being able to uh not being able to see the reassuring face of the technician. I cannot imagine the absence of my friends kind face as she held me up. Never mind the fact that you could not have your friend go with you in the first place today.

02:49:47.790 --> 02:50:02.270

+15\*\*\*\*\*65

I believe that the comfort of facial interaction during life. Most challenging experience is cold at best. Supporting this rule is a blatant disrespect of all people and I am appreciative of everybody who has.

02:50:03.760 --> 02:50:05.750

+15\*\*\*\*\*65

Made themselves vulnerable and shared.

02:50:06.460 --> 02:50:07.600

+15\*\*\*\*\*65

We lost 2 days.

02:50:09.210 --> 02:50:09.660

+15\*\*\*\*\*65

Thank you.

02:50:12.620 --> 02:50:15.320

HALL Brittany A

Thank you next we're gonna move on to Timothy Jones.

02:50:38.850 --> 02:50:40.760

HALL Brittany A

Then I'll go back to Catherine Green.

02:50:59.340 --> 02:51:00.710

Katherine Green (Guest)

OK can you hear me now?

02:51:00.990 --> 02:51:01.450

HALL Brittany A

Yes.

02:51:01.970 --> 02:51:11.690

Katherine Green (Guest)

OK, you finally allowed me to unmute myself. I would like to give you some interesting new additional information that is just coming out.

02:51:12.600 --> 02:51:26.000

Katherine Green (Guest)

We have heard the concerns from various top scientists. Gert vandenbosch being ones. One of them about the possibility of these M, RNA injections, causing a DE.

02:51:27.310 --> 02:51:37.710

Katherine Green (Guest)

This is antibody dependent immune enhancements, but not in a good way. It's in a way that can kill the person who has received the injection or the animal.

02:51:38.720 --> 02:52:07.750

Katherine Green (Guest)

Right now, the world 's most M, RNA vaccinated, countries have shockingly high covid infection rates hospitalizations and deaths are rising fast to the M, RNA experiment needs to stop immediately something is rotten in Denmark and Australia and Israel were nearly 1% of the entire population. Just tested positive for kovid not in a month or a week in one day.

02:52:09.300 --> 02:52:14.030

Katherine Green (Guest)

You need to understand this is an experiment and it needs to end.

02:52:14.920 --> 02:52:17.020

HALL Brittany A

Alright thank you that was your additional minute.

02:52:15.030 --> 02:52:15.490

Katherine Green (Guest)

Thank you.

02:52:17.700 --> 02:52:23.750

HALL Brittany A

I'm going to go back to Timothy Jones because I don't believe he's had a chance to speak yet Timothy or?

02:52:24.680 --> 02:52:28.220

HALL Brittany A

Mike is enabled if you would like to unmute yourself and.

02:52:29.150 --> 02:52:30.670

HALL Brittany A

Provide your name and testimony.

02:52:43.040 --> 02:52:44.320

HALL Brittany A

And we have Mel?

02:52:53.700 --> 02:52:58.740

HALL Brittany A

Melliere Mike has been enabled if you're able to unmute yourself and provide your testimony.

02:53:06.920 --> 02:53:09.190

HALL Brittany A

And I'm going to move down yes.

02:53:07.540 --> 02:53:08.000

Mel

Hello.

02:53:09.610 --> 02:53:11.090

Mel

Can you hear me this is now?

02:53:11.330 --> 02:53:12.150

HALL Brittany A

Yes, I can hear you.

02:53:12.710 --> 02:53:15.900

Mel

OK. Sorry. It took several times to unlock.

02:53:16.590 --> 02:53:23.360

Mel

Anyway my name is Melinda Spinner, and I am currently a graduate student at OSU.

02:53:23.410 --> 02:53:28.210

Mel

You know in the college public Health Sciences sorry my dogs barking?

02:53:30.080 --> 02:53:33.180

Mel

Anyway I just want to let you know that you know this.

02:53:34.290 --> 02:53:36.470

Mel

Vaccine a mask mandate for health care workers.

02:53:37.330 --> 02:53:40.790

Mel

Well beyond the hospital well spent into the public health field.

02:53:41.370 --> 02:53:42.000

Mel

Uhm.

02:53:43.120 --> 02:53:50.030

Mel

Likely affecting people like me, who are trying to finish their graduate program in.

02:53:50.080 --> 02:53:52.440

Mel

Uh women scientists.

02:53:53.070 --> 02:53:53.830

Mel

And.

02:53:55.150 --> 02:54:01.680

Mel

What it has done to me personally is it has forced me into house lessness?

02:54:02.340 --> 02:54:12.790

Mel

Uhm I no longer have good working relationships with my with my advisor, which I am very upset and sad about.

02:54:13.430 --> 02:54:28.270

Mel

Uhm it has isolated me from my peers. I am no longer able to have direct conversation with anybody because I can't be with anybody in person. I am deemed a danger to the University population.

02:54:28.860 --> 02:54:29.420

Mel

Uhm.

02:54:30.480 --> 02:54:31.100

Mel

And.

02:54:32.490 --> 02:54:34.690

Mel

It must be understood that.

02:54:35.390 --> 02:54:38.490

Mel

In public health, we are taught about.

02:54:39.780 --> 02:54:40.880

Mel

Public health effects.

02:54:41.470 --> 02:54:59.480

Mel

And nowhere is a forced vaccination or some masking in line with human subjects ethics at all, and we are not test animals. We are not research animals and we should not be treated as such, we are human beings.

02:55:00.560 --> 02:55:01.040

Mel

Thank you.

02:55:04.780 --> 02:55:06.280

HALL Brittany A

Thank you the next phone number.

02:55:07.570 --> 02:55:11.010

HALL Brittany A

The next phone number is it ends in 7136.

02:55:13.280 --> 02:55:19.490

HALL Brittany A

We will enable your microphone so you can, please unmute yourself by pressing star 6 to provide your name and testimony.

02:55:21.270 --> 02:55:48.510

+15\*\*\*\*\*36(2)

Hi my name is Harry 's anger and I'm I'm here in Eugene, Oregon up early on. We had a protest at at Peacehealth, where hundreds of people came out and supported the healthcare workers that were losing their jobs because of mandates it appeared to be in violation of the Nuremberg code. I don't understand how you can coerce a treatment through threat of employment that they unapproved experimental M, RNA shot.

02:55:48.620 --> 02:56:18.710

+15\*\*\*\*\*36(2)

Since so that doesn't make sense, but I've been listening to the today's testimony in last week 's testimony and I've heard hundreds of Oregonians speak out against mask mandates and vaccine mandates hand to me. The will of the people is resounding and if the oha continues to ignore the will of

the people, You are operating with an illegitimate authority so please look in your hearts look at the people around you see the damage that you have done to our state and and stop it.

02:56:18.790 --> 02:56:30.300

+15\*\*\*\*\*36(2)

Stop doing any more damage or we will be looking to hold you accountable and I. I think the people have spoken you've heard it and please show us that you have heard our voices thank you. Bye.

02:56:33.730 --> 02:56:37.230

HALL Brittany A

Thank you I'm gonna move on to Ibra Tahor.

02:56:38.750 --> 02:56:39.990

HALL Brittany A

Who hasn't spoken yet?

02:56:43.600 --> 02:56:44.750

Ibra Taher (Guest)

Hello can you hear me?

02:56:45.110 --> 02:56:45.570

HALL Brittany A

Yes.

02:56:47.040 --> 02:57:16.710

Ibra Taher (Guest)

My name is Eva Terry I'm from Eugene, Oregon, long time, Oregonian and this sad what we were destined here in Oregon. I'd like to remind you of the Bioethics Convention of the UNESCO in 2005 and read some of it any preventative diagnostic and therapeutic medical intervention is only to be carried out with the prior free and informed consent of the person concerned.

02:57:18.670 --> 02:57:31.650

Ibra Taher (Guest)

The consent should wear appropriate P expressed and may be withdrawn by the person concerned at anytime and for any reason without disadvantage of or prejudice.

02:57:32.720 --> 02:58:02.170

Ibra Taher (Guest)

In subsection 3 in no case should a collective community agreement or the consent of the community leader or other authorities substitute for individuals informed consents So what we would what we are witnessing right now is a direct violation for the ethics of Dubai Ethics Convention of 2005 and not only that what we're seeing is an attack direct attack on our liberties.

02:58:02.910 --> 02:58:17.530

Ibra Taher (Guest)

Uh our medical freedom is being rolled out right now and we are talking about brides that are basic to humans. We're not talking about only Americans were talking about to humanity. This is what we have in Hartley.

02:58:17.880 --> 02:58:20.430

Ibra Taher (Guest)

Alms being violated 2.

02:58:22.320 --> 02:58:23.340

Ibra Taher (Guest)

Should I continue?

02:58:25.300 --> 02:58:27.970

HALL Brittany A

I'm you have an inspirational 32nd.

02:58:25.850 --> 02:58:37.370

Ibra Taher (Guest)

Well, I strongly I strongly oppose this vaccine mandates. There are not scientific they're not logical and they are in direct violation of the ethics.

02:58:38.140 --> 02:58:40.340

Ibra Taher (Guest)

And the human rights thank you.

02:58:43.630 --> 02:58:48.750

HALL Brittany A

Thank you we'll go back to rich Swingle for one more additional minute.

02:58:51.550 --> 02:58:58.420

Rich Swingle (Guest)

Thank you. I wanted to, I found those quotes and so I thought I'd use this extra minute to read those these are from the London Telegraph.

02:58:58.980 --> 02:59:28.980

Rich Swingle (Guest)

Uh citing scientists in March 2020, the government was very worried about compliance and they thought people would would not want to be locked down there were discussions about fear being needed to encourage compliance and decisions were made about how to ramp up the fear the way we have used fear as dystopian another said. We have to be very careful about the authoritarianism that is creeping in people use the pandemic to grab power and drive through things that wouldn't happen.

02:59:29.270 --> 02:59:38.320

Rich Swingle (Guest)

Wise and now 7200, doctors and scientists have signed a declaration accusing Covid policymakers of crimes against humanity.

02:59:38.910 --> 02:59:46.900

Rich Swingle (Guest)

I think suicides have been mentioned they're up 75,000 in America directly linked to the pandemic scare tactics.

02:59:47.930 --> 03:00:06.700

Rich Swingle (Guest)

And since I have a few seconds left. I'll read 2 points from the naked. Communist 45 goals of the Communist Party, USA that apply discredit the American Constitution by calling it inadequate old fashioned out of step with modern needs number 32 support any socialist movement to give centralized control. Thank you.

03:00:04.790 --> 03:00:06.300

HALL Brittany A

OK, thank you.

03:00:11.910 --> 03:00:20.850

HALL Brittany A
