Statewide Initiative: Three-Pronged Approach

- Educate and Engage Constituents
- Fund Direct Services in Communities
- Provide Statewide Leadership and Advocacy

GOAL: Improve access to prevention services for underserved children in Oregon

Comprehensive Model

PROCESS:

- Convene
- Foster partnerships; set up contracts
- Deliver Services
- Track Progress
- Measure Results
- Continual Communication

SERVICES:

- Coordination
- Parent Education
- Dental Screenings
- Sealants
- Fluoride Varnish
- Oral Hygiene Education
- Referrals
- Transportation
- Access to Dentists

CCO Metric

Unduplicated number of children in the age categories of 6-9 and 10-14 who received a sealant on a permanent molar tooth regardless of whether the sealant was provided by a dentist or a non-dentist.

Key Points

- This is a preventable disease! Let's build a sustainable system of care.
- True integration takes all providers. Connect the mouth with the body.
