

Oregon Health Authority Technical Assistance for CCOs Colorectal Cancer Screening Webinars

CCOs are invited to participate in a technical assistance opportunity for colorectal cancer screening hosted by the OHA Transformation Center. Following the first webinar, CCO teams can choose to participate in individual follow-up consultation calls with the presenters. Additional individualized support may be available based on CCO interests and needs identified in the consultation calls.

Presenters:

- Gloria Coronado, Ph.D., Senior Investigator, Kaiser Permanente Center for Health Research
- Melinda Davis, Ph.D., Director of Community Engaged Research, Oregon Rural Practice-based Research Network

Audience: CCO medical directors, quality improvement staff and their teams working to improve colorectal cancer screening rates; providers and other partners are welcome to join

If you have questions, please contact Adrienne Mullock (Adrienne.P.Mullock@state.or.us or 971-673-3384)
