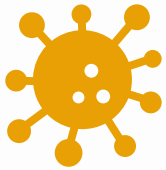
Use Zoom chat to ask your questions and view links/information from OHA

Poll and survey will be shown at the end of the webinar

Webinar recording and slides will be posted to our treatment's webpage

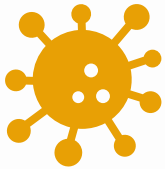
What to Know About COVID-19

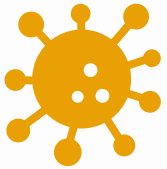
COVID-19 is still with us. If you're at high risk for severe illness, it makes sense to protect yourself.



New variants might cause further spikes in illness.

Long-COVID is having a long-term impact on people's health and quality of life





Oregon Health Authority

COVID-19 in Oregon

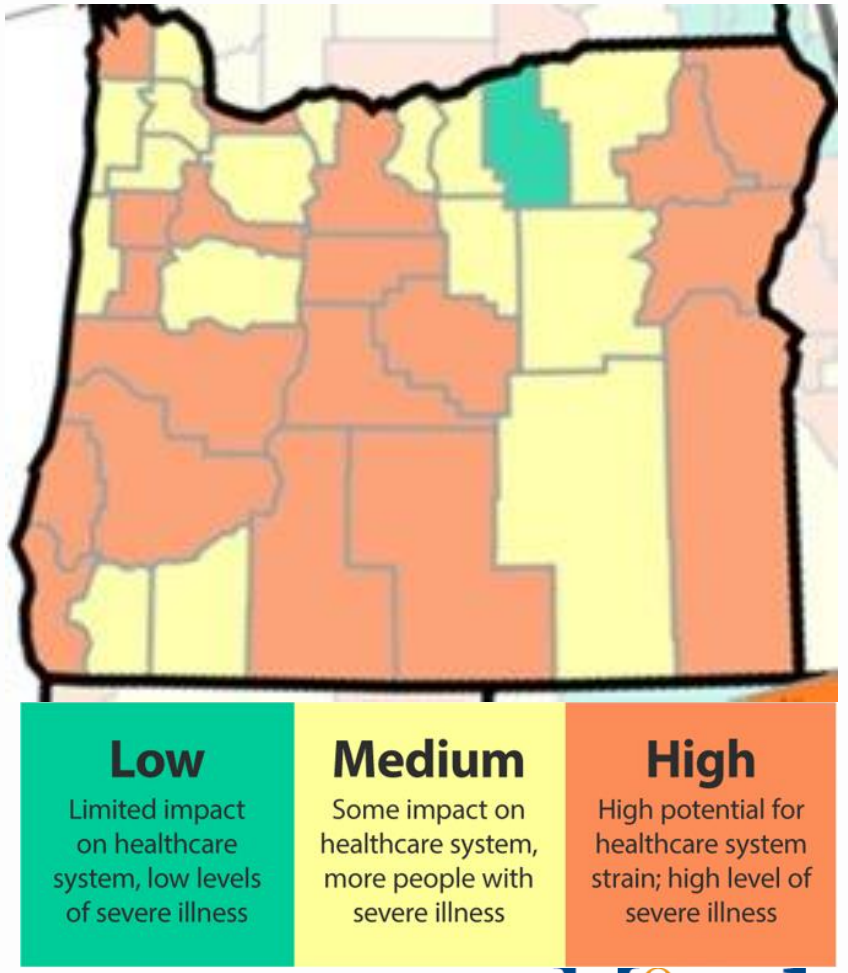
What's a COVID-19 Community Level?

- A new tool to help communities decide what prevention measures to take based on the latest data
- Every community in the United States are classified as:

COVID-19 in Oregon

Last 7 Days

Cases	**8,818**
Positive Tests	**10-14.9 %**
Completed initial series	**74.4%**
Hospitalized	**66**
Deaths	**86**



Website: https://bit.ly/community_levels

Oregon Health Authority

What are COVID-19 treatments?

Oral Antivirals

- They stop the virus from multiplying
- Need to start them within 5 days of getting sick

Monoclonal Antibodies

- Given by vein
- They stop spread of virus in your body
- Need to start within 7 days of getting sick

Both reduce risk of hospitalization and death

Summary of Treatments

Mild-to-moderate symptoms

Available Treatments:

- **Oral antivirals**
  - **Paxlovid**
  - **Lagevrio (molnupiravir)**
- **Injectables (by vein)**
  - **Bebtelovimab**
  - **Remdesivir**

Who Should get Treatment

Treatments are for:

ill people who test positive for COVID-19, **and are at high risk for severe illness**

A healthcare provider will prescribe based on your personal medical history

View the chat for the link to the CDC's high-risk conditions webpage to see if these medicines are right for you and to help when speaking with a healthcare provider

How to Get Treatment

How to Get Treatment

Locators

	Test to Treat (T2T) Locator	COVID-19 Treatment Locator
What is it?	Shows sites where you can get tested (or bring a positive at home test), get an oral antiviral prescription, fill the prescription or send it to a nearby pharmacy, all in one visit	Shows public locations near you that have oral antivirals and monoclonal antibodies
Who is it intended for?	Community and Providers	Providers only **NOTE:** Communities can access, but only providers can call locations to verify supplies and services available
Where can you find it?	https://covid-19-test-to-treat-locator-dhhs.hub.arcgis.com/	https://covid-19-therapeutics-locator-dhhs.hub.arcgis.com/

How to Get Treatment

- Many pharmacists can now prescribe oral antiviral Paxlovid
- Call your local pharmacy to see if they participate
- Ask what documentation they need for you to be seen
- **Not all patients are eligible to receive prescriptions directly from a pharmacist**

CPOP Community Partner Outreach Program

Oregon Health Plan

Oregon Health Authority

Oregon Health Plan

What is Oregon Health Plan (OHP)?

- Oregon's Medicaid Program
  - OHP Plus
  - OHP Plus Supplemental
  - OHP with Limited Drug
- Covers health services for children, teens, and adults including:
  - Check-ups
  - Vaccinations
  - Mental health
  - Glasses
  - Tooth fillings & more!

CPOP Community Partner Outreach Program

Oregon Health Plan

Oregon Health Authority

Healthier Oregon

Background

- In 2021, Oregon expanded Cover All Kids to all children under 19 regardless of immigration status
- More adults were made eligible for **full** Oregon Health Plan (OHP) and other medical assistance benefits **regardless of immigration status**

Grant Program

- 20+ grantees will provide help and support to Healthier Oregon members
- All our grantee partners will be trained as Community Health Workers (CHWs) or given continuing education credits if they are already a CHW
- Grantee webpage coming soon!

CPOP Community Partner Outreach Program

Oregon Health Plan

Oregon Health Authority

Healthier Oregon

What to Expect

People 19-25 or 55 and older who were enrolled in Citizenship Waived Medical (CWM), also known as emergency Medicaid, **automatically moved to Healthier Oregon on July 1, 2022**.

People 19-25 or 55 and older who weren't eligible for full OHP because of their immigration status are able to enroll in Healthier Oregon as of July 1, 2022, by applying for OHP.

CPOP Community Partner Outreach Program

Oregon Health Plan

Oregon Health Authority

Healthier Oregon

What to Expect

People who are 26-54 years old who don't qualify for full OHP because of their immigration status will still be eligible for CWM or CWM Plus coverage.

- **CWM** covers emergency care, like what you get in a hospital
  - It also covers a few other services like reproductive health and was recently expanded to include more emergency services like out-patient dialysis.
- **CWM Plus** covers full OHP benefits during pregnancy and for 60 days after the pregnancy ends.

CWM members may also be eligible for low-cost coverage through the Oregon Health Insurance Marketplace.
