## Additional languages to two ARIAS Contact tab questions

After review of other languages referenced in ARIAS and inquiry with the Migrant and Seasonal Farm Worker community engagement team, there have been some changes to the primary languages dropdowns in ARIAS to allow for further data collection and analysis.

The following languages are added to two language dropdowns: Mam, Quiche, Kanjobal, and Mixteco.

Click **Contacts**, select the Contact. The two drop downs are located on the **ARIAS Contact** tab:

- In what language do you want us to speak with you?
- In what language do you want us to write to you?

The screenshot shows the ARIAS Contact form in Power Apps. The contact is Anakin Skywalker. The ARIAS Contact tab is active. The form contains several questions and a dropdown menu for language selection. The dropdown menu is open, showing a list of languages. The languages Kanjobal, Mam, Mixteco, and Quiche are highlighted with orange boxes. The form also includes an address section with fields for Street 1, Street 2, County, City, State/Province, and ZIP/Postal Code.
