Bug Fixes

- A hyphen (“-“) was appearing at the bottom of manually created assessments
- Some fields in the Spanish interface were appearing in English
- “CAPTCHA is incorrect” message was appearing in English for all assessment languages in the Training environment
- “Date of Assessment” of “3/14/2021” was auto-populating to “3/13/2021” for manually created assessments
- Email/text message content for assessments and the End of Monitoring survey was incorrectly translated for certain languages
- Some field options on the End of Monitoring survey displayed incorrect options
- Some question validations were not working correctly on the End of Monitoring survey
