Update to System Views on the “Assessments” App

Views on the Assessment app have been updated:

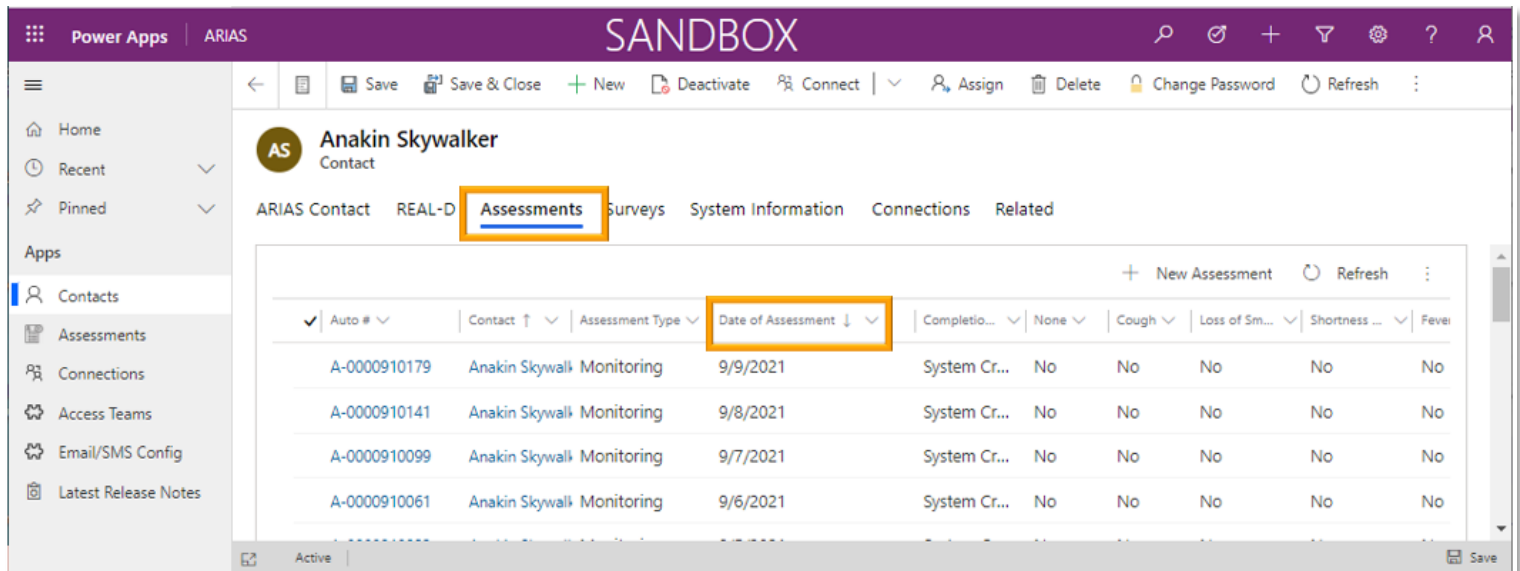

- The “Date of Assessment” column has moved to the left in the following views:
 - My Active Assessments
 - My Active Assessments with Symptoms
 - All Active Assessments with Symptoms
- Assessments will be sorted by “Contact” first, and then by date (newest to oldest), in the following views:
 - My Active Assessments
 - My Active Assessments with Symptoms
 - All Active Assessments with Symptoms
 - Active Assessments

Auto #	Contact	Assessment Type	Date of Assessment	Completion Sta...	Cough	Fever	Temperature	Loss of Smell
A-0000908120	Anakin Skywalker	Monitoring	7/10/2021	Completed	Yes	No	---	No
A-0000908052	Anakin Skywalker	Initial	7/6/2021	Completed	Yes	No	---	No
A-0000908041	Anakin Skywalker	Initial	7/6/2021	Completed	No	No	---	Yes
A-0000908040	Anakin Skywalker	Initial	7/6/2021	Completed	No	No	---	No
A-0000909833	Andrea Russell	Initial	8/30/2021	Completed	No	No	---	No
A-0000908023	Andrea Russell	Initial	7/1/2021	Completed	No	No	---	No

Update to “Date of Assessment” order on the “Assessments” Tab

The “Date of Assessment” default order in the “Assessments” Tab is now newest to oldest.

Auto #	Contact	Assessment Type	Date of Assessment	Completi...	None	Cough	Loss of Sm...	Shortness ...	Fever
A-0000910179	Anakin Skywalk	Monitoring	9/9/2021	System Cr...	No	No	No	No	No

Automated Symptom Monitoring Assessments - Spanish Portal

When using the Spanish portal to fill out automated assessments, ARIAS requires Contacts to enter their temperature with a comma, rather than decimal. The Spanish portal now includes a warning label.

- Label displays as "Debe apuntar su temperatura con una coma. Por ejemplo: 98,6]"

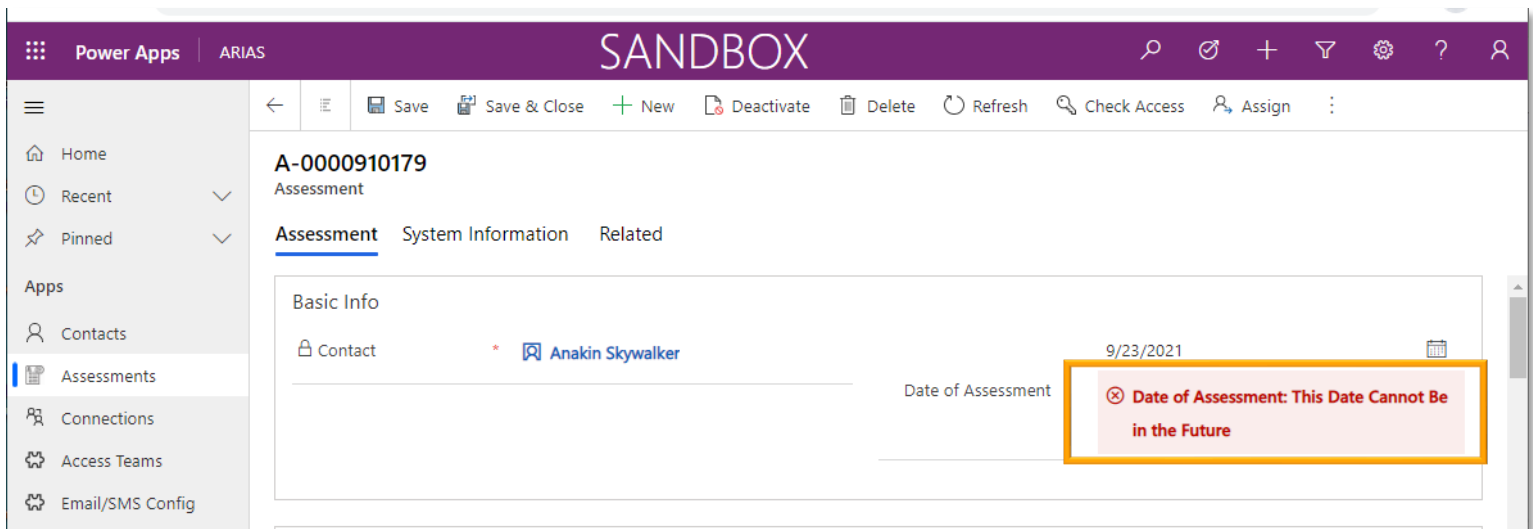

The screenshot shows the 'Evaluación' (Assessment) page in Spanish. The header includes the Oregon Health Authority logo, a search icon, a language dropdown set to 'español', and a 'Iniciar sesión' (Log in) button. The main heading is 'Evaluación'. Below it is the question '¿Está sufriendo alguno de los siguientes síntomas?' (Are you experiencing any of the following symptoms?). There are several checkboxes for symptoms: 'Ninguno' (None), 'Tos' (Cough), 'Otros síntomas' (Other symptoms), 'Dificultad para respirar' (Difficulty breathing), 'Fiebre' (Fever), and 'Pérdida del olfato o del gusto' (Loss of smell or taste). A text input field for 'Temperatura' (Temperature) is highlighted with a red box, containing the warning message: 'Temperatura [Debe apuntar su temperatura con una coma. Por ejemplo: 98,6]' (Temperature [You must enter your temperature with a comma. For example: 98,6]).

Manual Symptom Monitoring Assessments – “Date of Assessment” validation

If a contact tracer attempts to enter a future date in the “Date of Assessment” field of a manual assessment, a warning message will pop up immediately.

- Warning message displays as “Date of Assessment: This Date Cannot Be in the Future”

The screenshot shows the ARIAS manual assessment form in a 'SANDBOX' environment. The top navigation bar includes 'Power Apps' and 'ARIAS'. The main content area shows an assessment for 'Anakin Skywalker' with the ID 'A-0000910179'. The 'Date of Assessment' field is set to '9/23/2021'. A red warning message is displayed in a box: 'Date of Assessment: This Date Cannot Be in the Future'.

Bug Fixes

1. Previously, when attempting to enter a future date in the “When did you first start noticing symptoms: (MM/DD/YYYY)” field in the Spanish portal, users would receive an error message in English. The error message has been translated into Spanish.

You can get this document in other languages, large print, braille, or a format you prefer. Contact the Coronavirus Response and Recovery Unit (CRRU) at 503-979-3377 or email CRRU@dhsoha.state.or.us
