Automated Assessments Now Available in Five Additional Languages

Contact tracers now have five additional languages available to offer contacts requesting automated daily monitoring through email or text message.

- Newly added languages: **Arabic, Chuukese, Marshallese, Hmong, and Somali**
- Contact tracers will find these options in the type-ahead field labeled **Email/Text Language**

The screenshot shows a user interface for a contact profile. On the left, under 'Basic Info', fields include First Name (Kira_Test), Last Name (Lesley_SMS_Chuukese), Date of Birth (MM/DD/YYYY), Age (save required to calculate), Sex, and Email (Kira.H.Lesley@dhsoha.state.or.us). On the right, under 'Details', fields include Automated Monitoring (Yes), a WARNING (US Cellular incompatible for text messages), Email / Text Language (highlighted with an orange box and showing 'Chuukese'), Monitoring Status (Monitoring), Monitoring Status Description (This contact is active and is receiving autom...), and Last Assessment Date (---).

You can get this document in other languages, large print, braille, or a format you prefer. Contact the Coronavirus Response and Recovery Unit (CRRU) at 503-979-3377 or email CRRU@dhsoha.state.or.us. We accept all relay calls, or you can dial 711.
