# ARIAS Release Notes

System Update - Monday, August 24<sup>th</sup>, 2020

## New Training Environment

**Action required:** For users that would like to practice with fake contacts and/or participate in training; a separate email will be sent with instructions on how to request access. Please complete the request once you have received the Training Environment email, which will be sent sometime this week.

- Users will no longer be able to access the Test (Sandbox) Environment starting 9/1/20
- You will receive an error message if you attempt to log into the Test URL:  
<https://or-arias-test.crm9.dynamics.com>
- The URL for the new Training Environment is:  
<https://or-arias-training.crm9.dynamics.com>

## Auto-Save Disabled

- The system will no longer auto-save
- To save any changes, you must click on the “Save” button
- A warning message will appear asking if you want to save your changes when you navigate to a new screen

## Assessment Completion Status

- **System Created:** Automatically created by the system
- **Attempted:** Manually created using the “+ New Assessment” button
- **Completed:** An assessment that is opened and successfully submitted

The screenshot shows the 'Sandbox' environment for Ariel Ferguson. It displays a table of assessments with columns for Auto #, Contact, Assessment Type, Completion Status, and various symptoms. The 'Completion Status' column is highlighted in red. The table contains six rows of assessment data.

Auto #	Contact	Assessment Type	Completion Status	None	Cough	Loss of Smell or Taste	Shortness ...	Fever	Temperature	Other Symptoms	Date of Ass...	Created On
A-000007983	Ariel Ferguson	Monitoring	System Created	No	No	No	No	No	---	No	8/23/2020	8/23/2020
A-000007847	Ariel Ferguson	Monitoring	Completed	No	No	No	No	No	---	Yes	8/22/2020	8/22/2020
A-000007706	Ariel Ferguson	Monitoring	System Created	No	No	No	No	No	---	No	8/21/2020	8/21/2020
A-000007563	Ariel Ferguson	Monitoring	System Created	No	No	No	No	No	---	No	8/20/2020	8/20/2020
A-000007419	Ariel Ferguson	Monitoring	System Created	No	No	No	No	No	---	No	8/19/2020	8/19/2020
A-000007216	Ariel Ferguson	Monitoring	Attempted	No	No	No	No	No	---	No	8/19/2020	8/19/2020

## Assessment List View – “Other Symptoms” added to list view

- A column has been added to the Assessment list view that informs if there is any text entered in the “If other symptoms, please explain” textbox in the assessment
- If there is no text, it will show “No”
- If text has been entered in, the column will show “Yes”

The screenshot displays the Oregon Health Authority Assessment form. The form includes a section for 'Other symptoms please explain' with a text input field. A red arrow points from this field to the 'Other Symptoms' column in the table below, which shows 'Yes' for the first assessment.

Assessment Type	Completion	None	Cough	Loss of Smel...	Shortness of Breath	Fever	Temperature	Other Symptoms	Date of Asse...	Created On
Monitoring	Completed	No	No	No	No	No	---	Yes	8/22/2020	8/22/2020 9:01 AM
Monitoring	System Cre...	No	No	No	No	No	---	No	8/21/2020	8/21/2020 9:19 AM
Monitoring	System Cre...	No	No	No	No	No	---	No	8/20/2020	8/20/2020 9:01 AM

## Character Limit Increased in the Additional Notes field

- Additional Notes textbox increased to 6000 characters on the Contact's screen

The screenshot displays the ARIAS Contact screen for Ariel Ferguson. The interface includes a top navigation bar with 'Power Apps', 'ARIAS', and 'Main > Contacts > Ariel Ferguson'. The 'SANDBOX' environment is indicated in the top right. The left sidebar shows navigation options like Home, Recent, Pinned, and Apps (Contacts, Assessments). The main content area is divided into 'Basic Info' and 'Details' sections. The 'Additional Notes' field is highlighted with a red box.

Field	Value
First Name	Ariel
Last Name	Ferguson
Date of Birth (MM/DD/YYYY)	---
Age (save required to calculate)	36
Email	ariel.ferguson@dhsoha.state.or.us
Mobile Phone	---
Preferred Method of Contact	Email
In what language do you want us to speak with you?	---
In what language do you want us to write to you?	---
Do you need an interpreter for us to communicate with you?	---
If yes, what kind of interpreter do you need (pick all that apply)	---
1st Contact Attempt	---
Contact Attempt	No

**Additional Notes**

**Bug Resolved:** Filtering by "Preferred Method of Contact" included phone numbers

- Filtering by "Preferred Method of Contact" no longer shows phone numbers

When users tried to filter by "Preferred Method of Contact" on a contact list view, there were two phone numbers that appeared as filter options. Those phone numbers were deleted from the list of options.

**Bug Resolved:** Text entered in the field "If other symptoms, please explain" did not change the Completion Status to "Completed"

- Text entered in the field "If other symptoms, please explain" will change the Completion Status to "Completed"

When text was entered in the "If other symptoms, please explain" textbox in the assessment, it left the Completion Status as "Attempted". This has been fixed; if text is entered, **and you tab out of the textbox**, the Completion Status will change to "Completed."
