REALD Enhancement

For the REALD language question **What language or languages do you use at home?**, three quick language buttons were added: **English**, **Spanish**, and **Other**.

- When you click on the **English** button, **English** will populate.
- When you click on the **Spanish** button, **Spanish** will populate.
- When you click on the **Other** button, the list of all languages will appear.

The screenshot shows the REALD form interface. At the top, there is a header bar with the text "REALD: Race, Ethnicity, Language and Disability" on the left and a "Save and exit" button on the right. Below the header, there are three tabs: "Race", "Language", and "Disability". The "Language" tab is currently selected. The main question is "What language or languages do you use at home? *". Below the question, there are three buttons: "English", "Spanish", and "Other". The "English" button is highlighted with a yellow border. Below the buttons, there is a text input field with the placeholder text "Select Language" and a "Clear" button. To the right of the input field, there is a separate box with the text "Old language field - use this when the source of info is not self-reported" and an empty text input field below it.

You can get this document in other languages, large print, braille, or a format you prefer. Contact the Coronavirus Response and Recovery Unit (CRRU) at 503-979-3377 or email CRRU@dhsosha.state.or.us. We accept all relay calls, or you can dial 711.
