Action Required: Process any applications for OHP Standard dated by DHS on March 11, 2008, if received through May 23, 2008, even though that's beyond the 45 day limit.

Reason for Action: Some 3,000 residents were invited to apply for OHP Standard with applications date stamped or printed March 11, 2008. DMAP sent them a letter reminding them when to return their applications. Unfortunately, instead of April 25, the letter gave them until May 23, 2008, to return their completed applications. We will honor this letter and accept those applications for processing. Already 2,200 of the applications date stamped March 11 have been returned, so receipt of additional applications during this period will be limited.
