Message: Attached you will find the schedule for the Fall 2005 OHP Regional Meetings. These meetings will be held throughout the state beginning September 7, 2005, and ending October 26, 2005.

The Regional Meetings are designed to bring branch staff from Self Sufficiency, SPD and Child Welfare together with managed care plan representatives to discuss common issues related to Oregon Health Plan clients. The agenda also includes Branch Staff Time for workers to receive program and system updates and worker education on topics relevant to the work they do.

DHS staff can now receive training credits for attending their local meeting. All branches are encouraged to send representation. Meetings will be posted on the DHS training site later this month for pre-registration for credit, however you do not have to register to attend.

Please review the schedule carefully as meeting locations have been changed in some counties. Agendas and reminder notices will be sent approximately two weeks prior to each meeting.

We have an exciting agenda this round and I'm looking forward to seeing you at your local county meeting!
