Subject: DRG v. 23 Delay Resolved

The Office of Medical Assistance Programs (OMAP) has successfully implemented Version 23 Diagnosis Related Grouper into our computer payment system as of October 31, 2005. You will receive the first remittance advises reflecting this change on November 7, 2005.

OMAP will reprocess *en masse* all claims processed from October 1, through October 31, 2005. You don't need to submit an OMAP 1036 adjustment form.

We apologize for any inconvenience this implementation delay has caused your hospital and we will reprocess the October inpatient claims as soon as possible.

Thank you for your continued support of the Oregon Health Plan.
