Message - Mark your calendars

Following this transmittal, you will find the schedule for the **Spring 2006 OHP Regional Meetings**. This Spring there will be 25 meetings held throughout the state beginning April 5, 2006 and ending May 25, 2006.

The OHP Regional Meetings have changed! These meetings are designed to bring branch staff from Self Sufficiency, Child Welfare and Seniors and People with Disabilities together with representatives from Managed Care Plans and OMAP representatives to discuss common issues related to the Oregon Health Plan and to receive program updates.

These meetings are for case managers, lead workers and others who deliver benefits to Oregon Health Plan clients. There are three segments to the meetings: Plan updates, OMAP updates and Branch Staff time. Field offices are encouraged to send Lead Workers and line staff to ensure their branch receives up to date information and resource materials.

Watch transmittals for meeting reminders, agendas and information on how DHS staff can receive training credits. Transmittal reminders for individual meetings are sent out about two weeks prior to each meeting.

See you there!
