Message - Mark your calendars

Following this transmittal, you will find the schedule for the **Fall 2006 OHP Regional Meetings**. This fall, the meetings will run from September 12th through November 2nd. Please check the schedule carefully as there are significant changes. Some counties have been combined to accommodate scheduling conflicts. Meeting locations should resume as normal in 2007.

These meetings are designed to bring branch staff from Self Sufficiency, Child Welfare and Seniors and People with Disabilities together with representatives from Managed Care Plans and OMAP to discuss common issues related to the Oregon Health Plan and to receive program updates.

These meetings are for case managers, lead workers and others who deliver benefits to Oregon Health Plan clients. There are three segments to the meetings: Plan updates, OMAP updates and Branch Staff time. Field offices are encouraged to send Lead Workers and line staff to ensure their branch receives up to date information and resource materials.

Watch transmittals for meeting reminders, agendas and information on how DHS staff can receive training credits. Transmittal reminders for individual meetings are sent out about two weeks prior to each meeting.

See you there!

****Review schedule carefully as some locations have changed!****
