**Message:** DMAP transferred responsibilities for authorizing and arranging non-emergent medical transportation from branches to brokerages around the state. Since then, many workers and their clients still have questions about who does what. DMAP's Communications and Training Unit has produced a Power Point tutorial that may help answer some lingering questions. Take a look! It's posted online at <http://www.oregon.gov/DHS/healthplan/medical-transport/main.shtml>.
