Message:

Following this transmittal, you will find the schedule for the **Spring 2007 OHP Regional Meetings**. This spring, the meetings will run from April 11th through June 8th and am excited to be returning to Burns, Ontario and Enterprise.

The OHP Regional Meetings provide an excellent opportunity for DHS staff from Self Sufficiency, Child Welfare and Seniors and People with Disabilities to meet with representatives from Managed Care Plans and DMAP to discuss common issues related to the Oregon Health Plan. During this meeting staff also receive program updates and tips, tools and resources that assist them in providing services to OHP recipients. Field offices are encouraged to send Lead Workers and line staff to ensure their branch receives up to date information and resource materials.

I will be sending out reminder transmittals and information on how to pre-register for training credit approximately two weeks before each meeting.

This will be an exciting round this spring with lots of great information. I hope to see you there!

****Review schedule carefully as some locations have changed!****
