Message:

The department has revised the OHP Standard reservation list brochure (OHP 3205) and poster (OHP 3202) based on feedback we've received from several of our community partners.

The week of February 11, we will send you an initial distribution of the revised materials, which includes:

- 2 new posters for display in your office, and
- A packet of 100 informational flyers.

You can order more of these materials through your normal FBOS process.

Over 40,000 people are already on the list!

As of February 6, 43,701 people have placed their names on the reservation list. Your contribution to our awareness campaign has been a key factor in getting the word out to these people. Please continue to inform and encourage people to 'get on the list' which will remain open through February 29, 2008.

Please continue to contact us with ideas and activities you are engaging in to help spread the word. In addition, if you have any personal stories that we can use in news releases and other media activities, we'd appreciate hearing them. E-mail this information to the address below.

Looking for low-cost or free health coverage?

HOW IT WORKS

OHP Standard provides free or low-cost health insurance to Oregon residents who:

- Do not have health care insurance*
- Are 19 years old or older*
- Are not pregnant*
- Have limited income*

Because there are not enough openings to meet everyone's needs, DHS is creating a list of people who would like to apply for OHP Standard. You must place your name on the reservation list during January 28 - February 29, 2008.

DHS will randomly select names monthly from the list starting in March. If your name is selected, DHS will mail you an OHP Standard application form. If you apply and qualify, you will be enrolled in OHP Standard.

DHS wants you to be independent, healthy and safe. The Oregon Health Plan can help make that possible.

OHP 3205 (Rev. 01/2008)
