Message: By the first week in February, DMAP will mail the attached letter/chart to all providers reminding them about the Temporary rules that were filed effective in January 2009. It is common practice for DMAP to send a notice to providers at the end of each month telling them about rule revisions during that month. These particular filings were all Temporary and notification was sent to providers via *eSubscribe*. However, the law mandates hardcopy Temporary rules be “mailed” at some point. They are bundled and will be mailed once the final Temporary rule is filed on or around January 29.
