**Message:**

Clients enrolled in a FamilyCare physical health plan in Clackamas (H192), Multnomah (H057), and Washington (H193) counties must also be enrolled in the corresponding FamilyCare mental health plan (M053).

Starting July 13, workers will only need to enroll clients into the FamilyCare physical health plan. The system will automatically enroll the FamilyCare clients into the FamilyCare mental health plan.

Contact Client Enrollment Services (CES) when:

- The client should only be enrolled into the FamilyCare physical health plan and not the FamilyCare mental health plan; or
- The client should only be enrolled into the FamilyCare mental health plan and not the FamilyCare physical health plan.
