Message:

The attached announcement asks hospitals, midwives and birthing centers to use the November 2010 version of the DMAP 2410 (Newborn Notification) form. The announcement explains the latest changes in the form and provides a link to the updated form online. Providers will receive e-mail notification via eSubscribe.

The OHP Statewide Processing Center (Branch 5503) will begin using the attached fax form to respond to providers who submit an out-dated form.

Hospitals, midwives and birthing centers

Use current DMAP 2410 to report newborn babies

November 2010 updates to the DMAP 2410 form

The Division of Medical Assistance Programs updated the Newborn Notification form (DMAP 2410) to allow providers to report dates for when a child is discharged from the hospital, is deceased, or is placed in the custody of Child Welfare.

Please alert the appropriate staff to use the most current form DMAP 2410. To help with this, when our staff receives an out-dated form, we will make an effort to fax a reminder to the contact person on the form.

You can always find the most current form at: <http://dhsforms.hr.state.or.us/Forms/Served/OE2410.pdf>

We appreciate your cooperation and thank you for the services you provide to OHP clients.
