Message:

This is a friendly reminder since we initially reported to you last month. We also corrected numbers of households the letters were sent to.

Due to the closure of Mid-Valley Behavioral Care Network (MVBCN) in Linn, Marion, Polk and Yamhill counties effective December 31, 2013, DMAP sent the following (2) 30-day notices on Nov. 22 to approximately 4,500 case addresses (approx. 7,000 members total).

Effective Jan. 1, 2014:

- One letter (page 3) tells approximately 3,650 households that those affected will be enrolled into Willamette Valley Community Health, LLC. (WVCH) - CCO-G for **dental and mental health** since their current DCO is working with WVCH.
- The other letter (page 5) tells approximately 800 households that those affected will move to WVCH CCO-E, the only CCO with **mental health** coverage available to them. This means they did not have a DCO that works with WVCH.

The clients will keep the same provider(s).

The following table shows the transition from MVBCN with the dental match or no dental match and where the client will be moved to in the CCO:

From:			To:	
Mental	Physical	Dental	WVCH (with dental match):	WVCH (no dental match):
MVBCN	Fee-for-service (FFS), Kaiser Permanente, or CareOregon	Capitol Dental, ODS Dental, or Willamette Dental	CCO-G	CCO-E
MVBCN	Fee-for-service (FFS), Kaiser Permanente, or CareOregon	Advantage Dental		CCO-E

DMAP will process this change using the Stop Reason RO – Roll-over code.

To minimize field workload impact, coverage letters sent as a result of this roll-over will list the OHA Statewide Medical Processing Center (branch 5503) as the return address.
