
Health Policy and Analytics Division Orientation

Understanding the Organization and its Functions

Last updated: September 2016

Outline

- Overview of Oregon Health Authority (OHA)
- Division of Health Policy & Analytics (HPA)
- HPA Points of Contact
- HPA Committees and Councils

Oregon Health Authority (OHA)

Mission

- The mission of the Oregon Health Authority is helping people and communities achieve optimum physical, mental, and social well-being through partnerships, prevention, and access to high-quality health care.

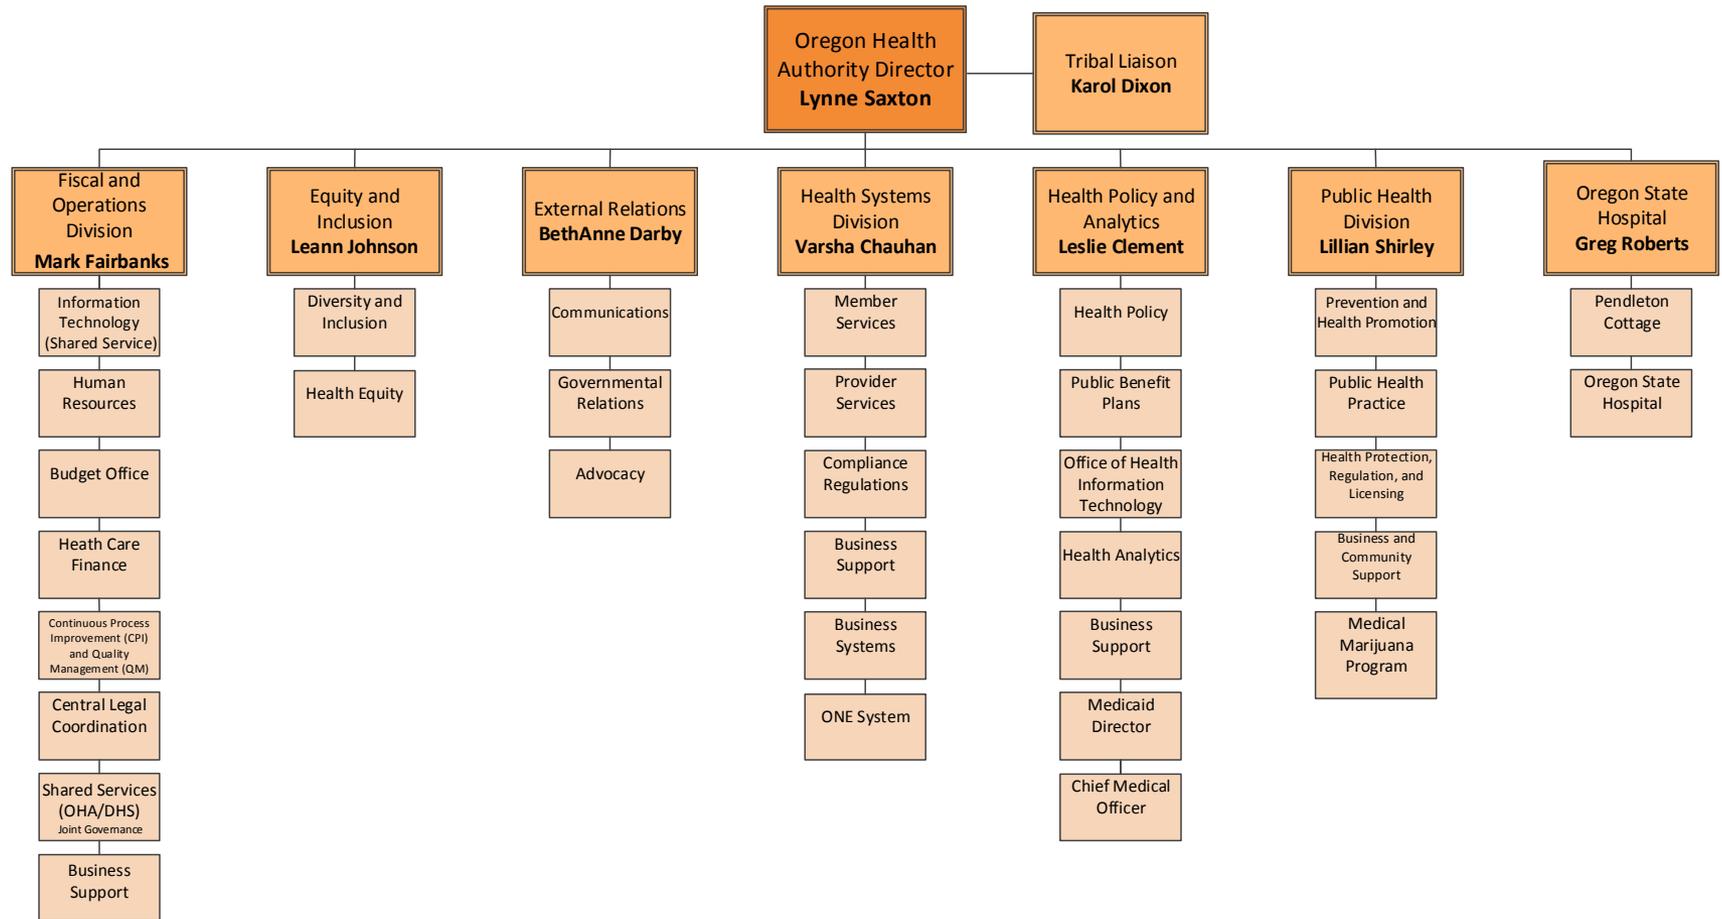

OHA Priorities 2016-2017

1. Make Oregon Health Plan member experience with Oregon's Medicaid program simpler, easier, more timely, and reliable
2. Create a behavioral health system that works for all Oregonians
3. Address inequities, disparities, and disproportionate impact to achieve health equity in OHA health systems
4. Accelerate health system transformation and maximize the value of Oregon's investment
5. Advance Oregon's health system transformation through renewal of our 1115 Medicaid Demonstration Waiver

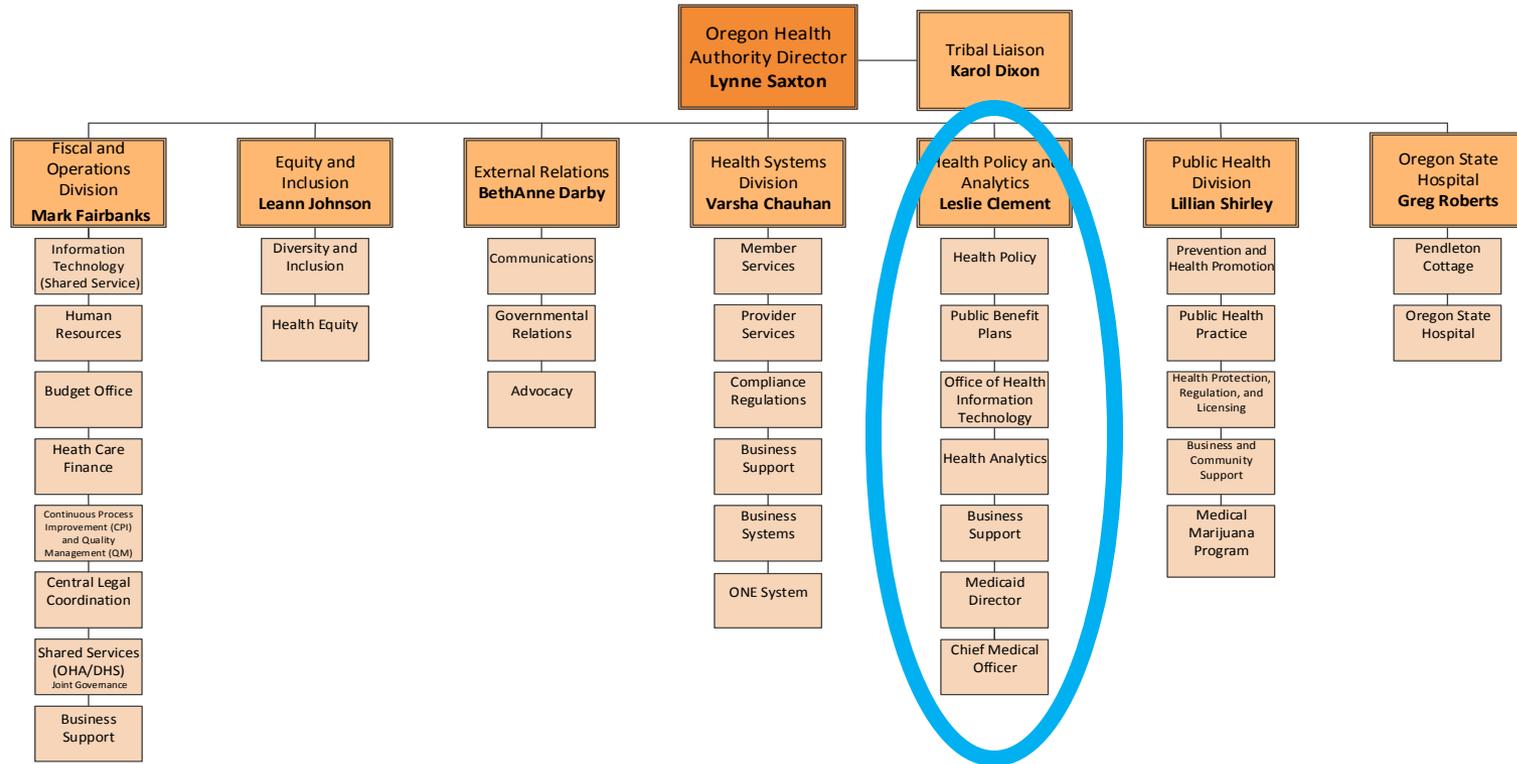

OHA Priorities 2016-2017 (continued)

6. Modernize Oregon's public health system
7. Address rising pharmaceutical costs
8. Implement Oregon's retail and medical marijuana laws to protect public health
9. Maintain a fiscally sustainable budget
10. Empower and strengthen the skills and capabilities of OHA's employees
