

## Upcoming Lead Training Courses

**This report lists classes that are being offered in the next 120 days. Any questions about the courses listed should be directed to the training provider.**

Enrolling in a refresher course?

**You MUST have a valid initial training certificate to be eligible for a refresher course. If your certificate expires before the date of the course you want to take, you will need to take the initial class again. Anyone enrolling in a refresher course must submit a copy of their initial training certificate to the training provider.**

**If you do not have your initial certificate, contact the training provider that taught the course to obtain a copy. If you do not know the name of the training provider, call the Oregon Lead-based Paint Program for assistance at 971-673-0440.**

Are there training courses that I can take online?

**A portion of the RRP Renovator Initial course can be completed online at any time through Oregon Home Builders Association ([oregonhba.com](http://oregonhba.com)). Contact them for further details about this option.**
