

Homebuyer Education

Home buying classes help first-time homebuyers learn the basics about the home buying process. They are taught in a classroom setting by experienced professionals who specialize in helping first-time homebuyers.

Class participants learn the home buying language and leave the class better prepared to successfully complete the process.

Homebuyer Education is offered throughout the state in various locations. Many of these classes include the following topics:

- Housing Decisions
- Financial Preparation
- Shopping for a Home
- Mortgages
- Closing
- Maintaining your Investments
