The rents listed above are based on HUD's published Multifamily Tax Subsidy Program (MTSP) income limits (as of May 14, 2010). If specific rent floors were established at time of reservation / carryover & are higher than the current applicable rents, they may still be used. However income limits are still based on the current applicable rate. Please note that all definitions and explanations here may be subject to change upon later IRS and/or HUD clarification.

Utility Allowances must be deducted from these rents to achieve the maximum tenant rents allowed.
