RE: Management Agent Change Request Charge

Dear Partners,

The Oregon Housing Stability Council adopts charges and fees that serve to ensure the long-term financial sustainability of the agency and create stability in programs. We are reach out regarding updates to the charges we apply to some OHCS work.

Housing Stability Council adopted a new charge of \$300 for the review of packets submitted to OHCS for Management Agent approval. This charge does not apply to new properties who are establishing an initial Management Agent, but rather to modifications made after that point. OHCS will implement this charge beginning on March 1, 2020, for the review of all packets submitted for approval when a change in Management is requested.

See applicable [Management Agent Packet here](#).

If you have any questions about the completion of Management Agent packets, please contact Kimber DeBoie at Kim.DeBoie@Oregon.gov.

Sincerely,

A handwritten signature in cursive script that reads "Julie V. Cody".
