1 **Introduction**

2 The Tax Reform Act of 1986 created the Low Income Housing Tax Credit (LIHTC) under Section  
3 42 of the Internal Revenue Code (Code or IRC).

4  
5 The LIHTC Program (or Program) is jointly administered by the United States Treasury  
6 Department Internal Revenue Service (IRS) and authorized state tax credit allocation agencies.  
7 Under Executive Order EO-87-06, the Governor of Oregon designated the Oregon Housing and  
8 Community Services Department (OHCS) as the administrator of the LIHTC Program.

9  
10 OHCS administers the LIHTC Program in accordance with Oregon Administrative Rule (OAR)  
11 Chapter 813, Division 90. This Qualified Allocation Plan (QAP or Plan) is intended to comply with  
12 the requirements of Section 42(m)(1)(B) of the Code, which requires that a Qualified Allocation  
13 Plan set forth:

- 14
- 15 (i) the selection criteria OHCS will use to determine its housing priorities,
  - 16 (ii) the preferences of OHCS in allocating housing credit dollar amounts among  
17 selected projects (Projects), including:
    - 18 (I) Projects serving the lowest income tenants;
    - 19 (II) Projects obligated to serve qualified tenants for the longest periods;
    - 20 (III) Projects that are located in qualified census tracts and the development  
21 of which contributes to a concerted community revitalization plan; and
    - 22 (IV) the procedures that OHCS will follow in monitoring for Program  
23 noncompliance and in notifying the IRS of such noncompliance and in  
24 monitoring for noncompliance with Project habitability standards  
25 through regular site visits.

26 Section 42(m)(1)(C) of the Code provides the selection criteria that must be used. The selection  
27 criteria set forth in a QAP must include:

- 28
- 29 (i) Project location;
  - 30 (ii) housing needs characteristics;
  - 31 (iii) Project characteristics, including whether the Project includes the use of existing  
32 housing as part of a community revitalization plan;
  - 33 (iv) sponsor characteristics;
  - 34 (v) tenant populations with special housing needs;
  - 35 (vi) public housing waiting lists;
  - 36 (vii) tenant populations of individuals with children;

- 1 (viii) Projects intended for eventual tenant ownership;
- 2 (ix) the energy efficiency of the Project; and
- 3 (x) the historic nature of the Project.

4  
5 This Plan does not apply to the allocation of “recycled” volume cap in accordance with Section  
6 146(i)(6) of the Code. Such “recycled” volume cap shall be assigned and allocated in  
7 accordance with policies and procedures established from time to time by the Department.

8  
9 If any provision of this Plan (and documents included herein by reference) is inconsistent with  
10 the provisions of amended IRC Section 42, including any future amendments thereto, or any  
11 existing or new Oregon Administrative Rules governing the LIHTC Program, the provisions of IRC  
12 Section 42 and/or the Oregon Administrative Rules take precedence and the plan will be  
13 amended accordingly.

14  
15 The Plan has been revised for 2022. OHCS reserves the option to issue temporary public  
16 notices, rules, or other guidance through which, procedurally, OHCS will continue to efficiently  
17 administer the LIHTC Program, in a manner consistent with this Plan, and with OHCS’s goals.  
18 Additionally, OHCS reserves the right to amend, modify, or withdraw provisions contained in  
19 this Plan that are inconsistent or in conflict with state or federal laws or regulations. In the  
20 event of a major natural disaster, pandemic / epidemic, disruption in the financial markets, or  
21 reduction in subsidy resources available, including tax credits, the Agency may disregard any  
22 section of the Plan, including point scoring and evaluation criteria, that interferes with an  
23 appropriate response.

24  
25 The Oregon Housing Stability Council recommended the amended 2022 Plan on December 2,  
26 2022. A public hearing was held concerning the Plan on November 10, 2022 after  
27 appropriate notice was provided in accordance with IRS Section 42(m)(1)(A)(ii). Comments and  
28 agency responses can be found in appendix two of this document.

# Credit Overview

## 4% Low Income Housing Tax Credits

The State of Oregon (State) is provided with access to tax credits that are only available to Projects that are financed using tax-exempt bond proceeds that are associated with Oregon’s Private Activity Bond Authority. The tax-exempt bonds are subject to the volume cap limitations in Section 146 of the Code as further detailed in Section 42(h)(4)(A)and(B) of the Code.

OHCS allocates the Private Activity Bonds (PAB) from time to time on a competitive basis through a series of set-aside categories (Set-Aside Categories), award order(Award Order) and prioritization laid out in this QAP. The Set-Aside Categories specific to the PAB, including their respective requirements and the percentages, are further described below. Projects requesting to be financed with 4% LIHTC will be allocated PAB subject to availability. All project PAB allocations are subject to final approval by the Oregon Private Activity Bond Committee until such time as state law provides for an exception from this requirement.To be eligible for PAB and/or 4% Tax Credits, all applications must compete in the Set-Aside Categories listed below. If, after the resources are recommended by OHCS for allocation between the two Set-Aside Categories, there is remaining PAB authority in one of the Set-Aside Categories, the unallocated PAB will be diverted to the other Set-Aside Category. If PAB remains after OHCS recommendations, the remaining PAB will be diverted to next offering.

### Allocation Set-Asides

Percent of PAB	Set-Aside Category
65% of PAB Volume Cap	<b>Portland Metro</b> Projects sited in Multnomah, Washington or Clackamas Counties will compete in this Set-Aside Category
35% of PAB Volume Cap	<b>Balance of State</b> Project sited in any of the other 33 counties not specified within the Portland Metro Set-Aside will compete in this Set-Aside Category.

Following a project’s Set-Aside Category selection, the following criteria will be applied to establish a list of projects organized by priority for an allocation of PAB.

1 **Award Order and Eligibility**

2 The below order and eligibility criteria are not applicable to projects that were previously  
 3 awarded volume cap but have not yet been placed-in-service and that are requesting an award  
 4 of additional volume cap to permit the issuance of additional private activity bonds to meet the  
 5 restrictions of Section 42(h)(4)(B) of the Code and preserve 4% Low Income Housing Tax Credits  
 6 for the project. The award of volume cap to such projects will be expedited and prioritized over  
 7 all other PAB requests, notwithstanding the Award Order and other criteria set forth in this  
 8 Plan.

Award Order	Category	Project Criteria for Eligibility
1 <sup>st</sup>	Housing Authority Owned	Defined as a project with a sponsor or co-sponsor that is a Housing Authority and meeting at least one (1) criterion from each of List A and List B as described below: <ol style="list-style-type: none"> <li><b>1. List A:</b> <ol style="list-style-type: none"> <li>a. Site control and 100% ownership interest in sole General Partner or Managing Member entity</li> <li>b. Controlling interest in the sole General Partner or Managing Member entity (51% or greater ownership) plus the site is located on Housing Authority controlled land.</li> </ol> </li> <li><b>2. List B:</b> <ol style="list-style-type: none"> <li>a. A loan representing the lesser of 10% of total resources or \$5 million.</li> <li>b. Project based rental assistance for the greater of 25 units or 25% of the total units.</li> </ol> </li> </ol>
2 <sup>nd</sup>	Significant local funds (loans/grants)	Defined as a project that has the lesser of 10% of its total project resources or \$5 million dollars from a local jurisdictional gap subsidy source.
3 <sup>rd</sup>	OHCS and/or Federally Funded	Defined as a project that meets at least one of the following requirements: <ol style="list-style-type: none"> <li>a. Has a confirmed reservation of an OHCS capital subsidy resource.</li> <li>b. Has federal capital funding.</li> </ol>

4 <sup>th</sup>	Without Other Subsidy	Defined as a project without any of the other funding sources indicated in the 2 <sup>nd</sup> and 3 <sup>rd</sup> Award Order categories above.
-----------------	-----------------------	--

1  
2 If, after applying the above criteria, Set-Aside or Award Order categories continue to be  
3 oversubscribed for available PAB resources, the following criteria will be used to further  
4 prioritize projects within a particular application cycle.

5  
6 **Resource Prioritization Post-Award Order and Eligibility**

Priorization	Category	Project Criteria for Eligibility
1 <sup>st</sup>	Culturally Specific	See 9% Set-Aside Category for eligibility definition on page 12.
2 <sup>nd</sup>	Serving Lowest Incomes	Described as a project that has the highest percentage of units restricted to residents at 30% MTSP Area Median Income and with rents limited to 30% of MTSP Area Median Income – OR – a project that has the highest percentage of units with state or federal project-based rent assistance.
3 <sup>rd</sup>	Permanent Supportive Housing (PSH)	Described as a project that has been awarded or reserved for PSH resources for rental assistance and supportive funding to support people experiencing chronic homelessness.

7  
8 **9% Low Income Housing Tax Credits**

9 OHCS allocates the State’s 9% LIHTCs on a competitive basis, based on the selection criteria,  
10 preferences, and policies laid out in this QAP. The set-aside categories, their respective  
11 requirements, and the amount of the annual 9% LIHTC allocated to each are described below.

12  
13 **Allocation Set-Asides**

Percent of 9% LIHTC	Set-Aside Category
10% of total annual allocation as required by IRC §42(h) (5) – across	<b>Qualified Non-Profit</b> A qualified nonprofit (QNP) organization is an organization described in Section 501(c)(3) or Section 501(c)(4) of the Code and has as one of its exempt purposes the “fostering of low-income housing.”

<p>all categories set-aside.</p>	
<p>10% of total annual allocation – across all categories set-aside.</p>	<p><b>Qualified Culturally Specific Organizations/Developers</b>          Defined as being a Project sponsored by an organization that is designed to serve historically underserved communities representing “least likely to apply” for housing occupancy.</p> <p>The <a href="#">Organizaion</a> must:</p> <ul style="list-style-type: none"> <li>A. be representative of a community or significant segments of a community and provide affordable housing to low- and very low-income households; and</li> <li>B. demonstrate primary target populations served to be “least likely to apply.” A target population is “least likely to apply” if there is an identifiable presence of a specific demographic group in the housing market area, but members of that group are not “likely to apply” for the housing without targeted outreach, including marketing materials in other languages for limited English proficient individuals, and alternative formats for persons with disabilities. Reasons for not applying may include, but are not limited to, insufficient information about housing opportunities, language barriers, or transportation impediments.</li> </ul>

<p>25% Set-Aside</p>	<p><b>Preservation Projects Set-Aside</b>          Preservation Projects are defined as either:</p> <p>A. Projects for which (i) at least twenty-five percent (25%*) of the residential units have federal Project-based rent subsidies AND (ii) one of the following is applicable:</p> <ul style="list-style-type: none"> <li>• the HUD Section 8 contract is expiring;</li> <li>• the USDA Rural Development (RD) loan is maturing within seven years; or</li> <li>• RD restrictive use covenants have expired;</li> </ul> <p>OR</p> <p>B. Projects with public housing units undergoing a preservation transaction involving a comprehensive recapitalization.</p> <p>(*For scattered site Projects with multiple locations, the 25% is calculated based on all units in all Project locations)</p>
<p>10% Set-Aside</p>	<p><b>Tribal Lands Set-Aside</b>          Defined as an application sponsored or co-sponsored and of financial benefit to a tribal government, tribally designated housing entities or tribal corporate entities on tribal trust land.          If this Set-Aside Category is not fully utilized, the balance of resources will pass to the Non-Metro HUD HOME Participating Jurisdiction Projects Set-Aside.</p>
<p>65% Set-Aside</p>	<p><b>Regional Pool Set-Aside;</b>          Allocated to the following Set-Aside Regions based on 5-year American Community Survey Data on severely rent-burdened households and renter households with a head of household of color:</p> <ul style="list-style-type: none"> <li>• Portland Metro Counties (HUD HOME Participating Jurisdictions of Clackamas County, Multnomah County, and Washington County)</li> </ul>

	<ul style="list-style-type: none"> <li>• Non Metro HUD HOME Participating Jurisdictions (the cities of Eugene, Salem and Springfield, and Marion County)</li> <li>• Balance of State Urban (cities of Albany, Ashland, Bend, Central Point, Dallas, McMinnville, Medford, Newberg, Redmond, and Woodburn)</li> <li>• Balance of State Non-Urban/Rural (Balance of State)</li> </ul> <p>No region to be allocated less than \$1 million in 9% LIHTC. If Balance of State Urban or Balance of State Non-Urban/Rural are under-subscribed, the remaining resources should first be moved to the other Balance of State region before reverting to the overall Regional Pool Set-Aside.</p>

2 **Determination of Credit Amount**

3 The owner of a low-income housing property must certify to OHCS that the Project meets the  
 4 minimum requirements of:

- 5 (i) 20 – 50 test under Section 42(g)(1)(A) of the Code,
- 6 (ii) 40 – 60 test under Section 42(g)(1)(B) of the Code, or
- 7 (iii) Income Averaging test under Section 42(g)(1)(C).

8 OHCS will make the financial feasibility and viability determination required under Section  
 9 42(m)(2)(A) for all 4% and 9% LIHTC allocations. The Code requires OHCS to allocate only what  
 10 is necessary for financial feasibility throughout the extended use period. OHCS will evaluate  
 11 each proposed Project taking into account relevant factors, including but not limited to the  
 12 following items:

- 13 (i) Project cost, including the reasonableness of cost per unit, developer fees and  
 14 overhead, consultant fees, builder profit and overhead, and syndication costs;
- 15 (ii) Sources and uses of funds and the total financing planned for the Project,  
 16 including the ability of the Project to service debt;
- 17 (iii) The proceeds or receipts expected to be generated by reason of tax benefits;
- 18 (iv) The use of federal funds and other assistance; and

1 (v) Other factors that may be relevant to the economic feasibility of the Project,  
2 such as the area economy or the housing market.

3 Based on this evaluation, OHCS will estimate the amount of tax credits to be reserved for the  
4 Project. This determination is made at the sole discretion of OHCS and is in no way a  
5 representation as to the actual feasibility of the Project. Rather, it will serve as the basis for  
6 making reservations of tax credits for Projects competing for credit from the federal housing  
7 credit ceiling, or it will serve as an initial determination of credit amount with respect to a  
8 Project financed by private activity bonds. The amount of tax credits may change during the  
9 allocation process due to variations in cost, mortgage amount, tax credit percentage,  
10 syndication proceeds, etc. The final tax credit determination is made at the sole discretion of  
11 OHCS at the time of final application and prior to the issuance of IRS Form 8609, (Low-Income  
12 Housing Credit Allocation and Certification) as detailed in the LIHTC Requirements and  
13 Processes Section of this QAP, **Placed-In-Service Allocation Requirements**.

14  
15 If there is a material increase in LIHTC pricing subsequent to a reservation of tax credits, OHCS  
16 reserves the right to adjust the amount of a tax credit award or any other OHCS funding source.  
17 OHCS may use the following guidelines for avoiding Project over-subsidization. Subject to the  
18 approval of OHCS, the increase may be used:

- 19 (i) To decrease rents.
- 20 (ii) To reduce the permanent loan, sponsor loans, tax credit allocation or other  
21 OHCS funding sources as determined by OHCS in consultation with the Project  
22 ownership.
- 23 (iii) For necessary and justifiable cost increases or to reduce deferred developer fees,  
24 as allowable under the Code.

25 Pursuant to Section 42(m)(1)(A)(iii) of the Code, a comprehensive market study of the housing  
26 needs of low-income individuals in the area to be served by the Project must be conducted by a  
27 disinterested third party approved by OHCS before the credit allocation is made and at the  
28 developer's expense.

# 1 **Applying for Credits**

## 2 **Project Charges**

3 When applying for or receiving any Program funds, the applicant (Applicant) must pay  
4 applicable charges, as adopted by the Oregon Housing Stability Council. These charges include,  
5 but are not limited to, application charges, recipient charges, reservation fees, and compliance  
6 charges. The charges adopted by the Housing Stability Council will be posted on the Funding  
7 Opportunities webpage of the OHCS:

8 <https://www.oregon.gov/ohcs/development/Pages/funding-how-it-works.aspx>

9

## 10 **4% LIHTCs/Conduit Bond Application Timing/** 11 **Process**

12 OHCS will review and accept applications for 4% LIHTC/Conduit Bond from time to time  
13 pursuant to a Notice of Funding Availability (NOFA).

14

### 15 **Application Process**

16

17 Applications for the 4% LIHTCs / Conduit Bonds involve a two-part process.

18 (i) Part 1: A preliminary intake application is required to accomplish the following:

a. Prioritize the 4% LIHTC/Conduit Bond pipeline for an allocation by  
readiness criteria.

b. Set an Intent Resolution, if using OHCS bonds.

c. Determine a specified due diligence needs list to submit along with  
required materials for the part two application.

(ii) Part 2: A complete 4% LIHTC application, including the following additional  
requirements:

a. Updated readiness to proceed benchmarks and due diligence items list  
must be submitted to OHCS prior to approval of the funding request.

b. Pre-Approval of Management Agent and Resident Services: Pre-Approval  
must be requested at least 60 days prior to construction finance close  
and prior to Finance Committee review of the project.

- 10  
11 d. The Project must close on the construction financing by the date listed on  
12 the intake application.

13  
14 **Project Performance**

15 OHCS will accept applications for 4% LIHTC and PAB a minimum of once ~~twice~~ per year based  
16 on Readiness to Proceed parameters. Projects must meet their Readiness Benchmarks to  
17 remain in the allocation pipeline.

18  
19 **Consequences of Changes to Closing Timeline**

20 In the event that the Project is not expected to meet its originally established closing timeline, a  
21 Project may request a thirty (30) day extension of the initial closing date, subject to availability  
22 on OHCS's financing calendar. Whether an extension of the closing date is granted, the  
23 duration of such extension and the conditions to such extension shall be at the full discretion of  
24 OHCS.

25  
26 Failure to submit a formal extension request to OHCS or the rejection of such request will  
27 remove the project from the approved project list, and the Applicant will need to re-apply for a  
28 closing date. The only exception to the requirements of this section is in circumstances where  
29 OHCS is at fault for causing the delay in the closing timeline.

30  
31 **OHCS Discretion to Change Timelines and QAP Requirements**

32 OHCS reserves the right to waive, change or alter any timelines, processing and other QAP  
33 requirements, at its sole discretion, to encourage and/or facilitate the financing of tax-exempt  
34 and 4% LIHTC financed projects including, but not limited to, implementing application pauses  
35 and blackout dates, increasing allocations of 4% LIHTC and PAB, and adjusting readiness  
36 benchmarks.

37  
38 **Applicability of this Section**

1 This section shall only apply to Projects selected for allocation of 4% LIHTC and PAB on and after  
2 [DATE OF ADOPTION], the date of approval of this revised QAP by the Governor of Oregon.  
3

## 4 **9% LIHTCs/ Notice of Funding Availability (NOFA)** 5 **timing/ process**

6 9% LIHTCs are offered on a competitive basis structured as a Notice of Funding Availability  
7 (NOFA) and are generally made available once each year, most often in the first quarter of the  
8 year. The NOFAs reflect the threshold and competitive criteria laid out in this QAP.

- 9 (i) Any NOFA will include a pre-application that:
- 10 a. Determines eligibility for 9% LIHTC basis boost, and
  - 11 b. Provides Applicants early insight on some portion of established  
12 competitive scoring criteria.

13 Failure to submit a pre-application by the deadline established in the NOFA will  
14 remove a Project from consideration.

- 15 a. Each Application will be reviewed for timeliness and completeness of the  
16 NOFA requirements. The following are pass/fail criteria; meaning if the  
17 requirement is not met the Project will be disqualified and not  
18 considered for funding reservation:
- 19 i. Application and Charge Transmittal form and payment of  
20 application charges.
  - 21 ii. Owner/Board of Directors' Authorization and Acceptance form;
  - 22 iii. Organizational documents;
  - 23 iv. Diversity, Equity, and Inclusion (DEI) agreement;
  - 24 v. Complete NOFA application with required exhibits; and
  - 25 vi. Certification of pre-application submission.

26  
27  
28 If OHCS determines an application is substantially complete but a minor  
29 item is missing, incorrect, or needs clarification, the Applicant will have  
30 five (5) business days from receipt of written notice from OHCS to submit  
31 the required information. At the discretion of OHCS, additional time may  
32 be permitted to submit the required information. The written notice will  
33 be sent to the address of the contact person identified in the Application.  
34 If the Applicant fails to submit the required information within the

1 required time period (including extensions), OHCS may disqualify the  
2 Application.

3  
4 NOFA applications that pass administrative review will be reviewed for  
5 threshold and then competitive scoring elements. They will be ranked  
6 within the set-aside groups and prioritized for funding recommendation.

## 7 **9% LIHTCs/Notice of Funding Availability (NOFA)** 8 **Ranks and Tie Breaking**

9 (i) Applications are first ranked within each Set-Aside Category. Applications that  
10 have the highest score within each Set-Aside Category will be recommended for  
11 funding as allocated resources allow.

12  
13 a. If an Application within a Set-Aside Category does not receive a high enough  
14 score to be funded (as prescribed in the applicable NOFA), or if there are no  
15 projects to fund within a set-aside category, the Set-Aside Category funds will be  
16 returned to the statewide pool, with the exception of

17 i. the Tribal Set-Aside, which will first be directed to the Non-Metro HUD  
18 HOME Participating Jurisdiction Set-Aside before returning to the  
19 statewide pool and;

20 ii. Balance of State Set-Asides, which will first fund each other before  
21 returning to the statewide pool.

22 Once remaining resources are pooled, Applications will be ranked statewide by  
23 overall score, and additional reservations may be issued until the balance of  
24 available LIHTCs or other OHCS funding sources are not adequate to support any  
25 other Applications. If LIHTCs and/or other OHCS funding sources remain after all  
26 reservation processes are complete, OHCS may choose, at its sole discretion,  
27 whether or not to award any or part of the remaining LIHTCs/resources.

28  
29 ~~Applications are first ranked within each Set-Aside Category. Applications that~~  
30 ~~have the highest score within each Set-Aside Category will be recommended for~~  
31 ~~funding as allocated resources allow. If an Application within a Set-Aside~~  
32 ~~Category does not receive a high enough score to be funded (as prescribed in the~~  
33 ~~applicable NOFA), or if there are no projects to fund within a set-aside category,~~  
34 ~~the Set-Aside Category funds will be returned to the statewide pool, with the~~  
35 ~~exception of the Tribal Set-Aside which will first be directed to the Non-Metro~~  
36 ~~HUD HOME Participating Jurisdiction Set-Aside before returning to statewide~~

1 ~~availability and Balance of State Set Asides will fund each other before returning~~  
2 ~~to the statewide pool. Once remaining resources are pooled, Applications will be~~  
3 ~~ranked statewide by overall score, and additional reservations may be issued~~  
4 ~~until the balance of available LIHTCs or other OHCS funding sources are not~~  
5 ~~adequate to support any other Applications. If LIHTCs and/or other OHCS~~  
6 ~~funding sources remain after all reservation processes are complete, OHCS may~~  
7 ~~choose, at its sole discretion, whether or not to award any or part of the~~  
8 ~~remaining LIHTCs/resources.~~

- 9 (i)(ii) If the total evaluation scores of two (2) or more Applications result in a tie and  
10 LIHTC allocation availability are insufficient to fund all tied Applications, the  
11 following criteria will be used to break the tie:
- 12 a. If the tied Projects are in different Set-Aside Categories or Regions and  
13 more than fifty percent (50%) of the remaining funds come from one of  
14 those Set-Aside Categories or Regions, the Project in that Set-Aside  
15 Category or Region will be funded.
  - 16 b. If the tied Projects are in the same Set-Aside Category or Region, or from  
17 Set-Aside Categories or Regions whose allocation contributes less than  
18 fifty percent (50%) of the remaining funds, the Project serving  
19 households with the lowest Average Median Family Income served will  
20 be funded.
  - 21 c. If the Average Median Family Income of households served is the same  
22 for both Projects, the Project with the lowest LIHTC per bedroom will be  
23 funded.

## 24 25 **Returned / Unused LIHTC Allocation Authority**

- 26 (i) **Reissuing Returned Awards:** If an application being considered  
27 for a LIHTC Reservation or Allocation is withdrawn or cancelled; or available  
28 credits were not originally allocated during the funding cycle or can't make its  
29 carryover requirements, or National Pool as prescribed at IRS section  
30 42(h)(3)(D)(iii) is awarded above current allocations, OHCS, may do any of the  
31 following:  
32
- 33 a. Fund the next highest ranking Application from the current funding cycle  
34 that matches, or is closest to, the amount of LIHTCs and other OHCS  
35 funding sources available. The Applicant will be given thirty (30) days to

1 reevaluate the financial feasibility and determine whether or not the  
2 proposed Project can move forward. Once OHCS has published the  
3 Application rankings, they will be used to allocate LIHTCs during the  
4 annual funding cycle until October 1. At that time, funding order will be  
5 relinquished until re-established in a subsequent NOFA. Any credits  
6 returned after September 30 of any year will be treated as if received in  
7 the following year, and will be allocated as part of the next allocation  
8 year.  
9

- 10 b. Issue a Request For Proposals (RFP), or special application process for  
11 Projects to compete for the unused LIHTCs.  
12  
13 c. Add the returned amount to the total available for the following calendar  
14 year's application-award cycle.  
15

16 OHCS may take such steps as it deems appropriate to maintain the  
17 desired funding split between Set-Aside Categories. Applications will  
18 remain eligible for the funding cycle under which the Application was  
19 made for LIHTCs, only if the Applicant has not applied for 4% LIHTCs).  
20

21 (ii) **Re-evaluation of Reservation:** The following events will result in  
22 a re-evaluation of a previously issued Reservation:

- 23 a. Failure to close within two hundred forty (240 days of the Reservation  
24 ("Reservation Period").  
25 b. A material change so that the Project or Applicant no longer meets the  
26 Minimum Threshold Requirements (set forth below in "Minimum  
27 Thresholds for Application – 4% and 9% LIHTC") or any of the  
28 competitively scored criteria.  
29 c. The proposed Project will not be placed in service by the date mutually  
30 agreed upon.  
31 d. Other material causes at OHCS's reasonable discretion.  
32

33 (iii) **Agency authority to use discretion:** In the event of a re-  
34 evaluation of a Reservation, OHCS, at its reasonable discretion, may do one of  
35 the following:

- 36 a. Revoke the Reservation.  
37 b. Approve requested changes to the original Reservation or Application as  
38 proposed. Leave the Reservation in place with no changes .

## 1 **Minimum Thresholds for Application– 4% and 9%** 2 **LIHTC**

3 OHCS has the following Minimum Threshold Requirements (Thresholds) for evaluating  
4 Applications. The Applicant must demonstrate in the Application compliance with all applicable  
5 Thresholds. Failure to pass any of the Thresholds may disqualify the Application from  
6 consideration and therefore from receiving any funding. Additionally, the Applicant must  
7 submit a complete, legible, and executed Application satisfactory to OHCS. The Applicant must  
8 submit all required attachments and the appropriate Application charge by the deadlines  
9 established by OHCS and must use OHCS’s Application forms.

10 (i) **Long Term Affordability:** All awarded 9% LIHTC and 4% LIHTC  
11 projects must remain affordable for 60 years, except that for LIHTC projects  
12 paired with other OHCS resources requiring an affordability period of not less  
13 than 30 years, the affordability period for the LIHTC project may be  $\pm$ [less than  
14 60 years].  
15

16 (ii) **Violence Against Women Act:** In conformity with the Violence  
17 Against Women Act (VAWA) of 2013, an Applicant for or tenant of housing  
18 assisted under the LIHTC Program may not be denied admission to, denied  
19 assistance under, terminated from participation in or evicted from the housing on  
20 the basis that the Applicant or tenant is or has been a victim of domestic violence,  
21 dating violence, sexual assault or stalking, if the Applicant or tenant otherwise  
22 qualifies for admission, assistance, participation, or occupancy. An incident of  
23 domestic violence, dating violence, sexual assault or stalking shall not be  
24 considered a lease violation by the victim, nor shall it be considered good cause  
25 for an eviction. If a tenant who is a victim requests an early lease termination,  
26 lease bifurcation from the abuser, or transfer to another unit because she/he is in  
27 danger, a LIHTC owner, manager, or agent thereof shall make every effort to  
28 comply with the request and shall not penalize the tenant.  
29

30 (iii) **Waiver of Qualified Contract:** By submitting an application for  
31 LIHTCs, all LIHTC Applicants waive the right to request a qualified contract under  
32 Section 42(h)(6)(E)(i) of the Code. Thus, any OHCS-required extended use  
33 commitment shall not terminate at the end of the compliance period but will  
34 instead have a minimum duration of 60 years for both 9% LIHTC and 4% LIHTC  
35 transactions.  
36

1 (iv) **Diversity, Equity, and Inclusion (DEI) Agreement:**

2 All Applicants and members of their development teams, including, but not  
3 limited to developers, consultants, management agents and service providers are  
4 required to enter into an agreement to commit their organizations to ongoing  
5 efforts to enhance diversity, equity, and inclusion practices throughout their  
6 organizations.

7  
8 (v) **Minority, Women, and/or Emerging Small  
9 Business (MWESB) Engagement:**

10 OHCS requires participants to seek MWESB professional firms to increase the  
11 participation level of such businesses in their construction projects to meet OHCS's  
12 MWESB goal. OHCS also encourages the utilization of local labor and partnering  
13 with the community to help build healthy, affordable homes, which addresses  
14 OHCS's goal of increasing apprenticeship programs in Oregon and improving  
15 economic and social vitality

16 All Applicants will be required to identify the approach and benchmarks they will  
17 use to contract withwith MWESB contractors/subcontractors. These  
18 contractors/subcontractors include, but are not limited to, consultants hired from  
19 design to lease up and mangement, such as architects, legal representation,  
20 relocation services, environmental services and a wide spectrum of trades and  
21 business sectors within the planning, construction, and operation of the proposed  
22 Project.

23  
24 The general contractor and the developer may utilize MWESB firms that are  
25 certified by the Certification Office for Business Inclusion and Diversity ("COBID"  
26 as well as non-COBID MWESB firms, provided that the general contractor or  
27 developer, as applicable, encourages non-COBID MWESB firm to become COBID  
28 certified and offers to assist the MWESB firm with becoming a COBID certified  
29 firm prior to completion of Project construction.

30  
31 Participants are scored based on their approach to MWESB engagement and  
32 contracting and how well this approach implements the OHCS MWESB and  
33 Service Disabled Veteran Business Enterprises (SDVBE) policy. Reporting around  
34 MWESB or Service Disabled Veteran Business Enterprises (SDVBE) is a critical  
35 component of OHCS's work to enhance equity and racial justice through funding

1 efforts. Participants with Projects that are under development should upload all  
2 MWESB-SDVBE reports (initial, quarterly, and final) to the “MWESB Reports”  
3 folder in their Procorem Project Workcenter.  
4

5 The submission requirements for these reports are set forth below:  
6

- 7 1. MWESB Equity Matrix: To be completed and submitted to the MWESB Program  
8 Analyst, no later than 30 days prior to Finance Committee Review or  
9
- 10 2. MWESB Initial Equity Report and MWESB Acknowledgement and Certification  
11 (sponsor and general contractor): To be completed and submitted to MWESB  
12 Program Analyst, no later than financial closing.  
13
- 14 3. Quarterly MWESB Reports: Due at the end of each calendar quarter (March,  
15 June, September, December) throughout construction period and submitted  
16 through the Procorem Project Workcenter.  
17
- 18 4. Final MWESB Report: To be completed and submitted to the MWESB Program  
19 Analyst, at construction completion.

20 The OHCS MWESB Manual can be located at:

## 25 (vi) **Asset Management Compliance and Project**

26 **Monitoring:** As the authorized allocating agency for the State, OHCS is  
27 responsible for monitoring Projects for compliance with Section 42 of the Code,  
28 corresponding Treasury regulations, and any other applicable IRS guidance  
29 (rulings, procedures, decisions, notices, and any other applicable IRS guidance),  
30 the Fair Housing Act, State laws, local codes, OHCS loan or regulatory  
31 documentation, and any other legal requirements as determined to apply by  
32 OHCS in its sole discretion. OHCS may, at any time, adopt and revise standards,  
33 policies, procedures, and other requirements in administering the LIHTC Program.  
34 Project owners (Owners) must comply with all such requirements if implemented  
35 after this QAP is approved.  
36

1 OHCS is responsible for establishing monitoring procedures to verify compliance  
2 and is required by law to report noncompliance to the IRS. Monitoring each  
3 Project is an ongoing activity that extends throughout the affordability period  
4 and through the extended use period (a minimum of 30 years). Projects with  
5 funding sources obtained from OHCS in addition to the tax credits, will be  
6 monitored for the most restrictive requirements of all combined OHCS  
7 Programs. Owners must be aware of the differences in Program regulations.  
8 OHCS's LIHTC Compliance Manual is incorporated by reference and may be  
9 found at

10 <http://www.oregon.gov/ohcs/Pages/compliance-monitoring-manual-lihtc.aspx>

11  
12 OHCS may perform an on-site review of any building in the Project, interview  
13 residents, review residents' applications and financial information, and review an  
14 Owner's books and records relating to the Project consistent with law as it  
15 determines to be appropriate. Ownership must provide OHCS reasonable access  
16 to the Project and its books and records, and reasonably cooperate in all such  
17 compliance monitoring. In connection with these obligations, an Owner must  
18 take all reasonably necessary action to allow OHCS to inspect housing units  
19 occupied by residents.  
20

21 (vii) **Program Compliance:** All OHCS Projects must satisfy the Program  
22 requirements (Program Requirements) for each applicable OHCS funding source  
23 requested. Each OHCS funding source has separate requirements, which can be  
24 found in supplemental Program manuals.  
25

26 (viii) **Relocation Plan:** If any relocation or displacement of existing tenants  
27 might occur because of an Allocation, the Application must contain a relocation  
28 plan satisfactory to OHCS and include, among other things, a complete survey of  
29 existing tenants. OHCS's LIHTC Compliance Manual is incorporated by reference  
30 and may be found at  
31 <http://www.oregon.gov/ohcs/Pages/compliance-monitoring-manual-lihtc.aspx>  
32 This survey must use the format provided by OHCS, be augmented to include  
33 third party income verification, and be completed and approved by OHCS prior to  
34 the equity closing for the Project (Equity Closing).  
35

36 (ix) **Ownership Integrity:** OHCS may reject an Application where the  
37 Applicant or any member, officer, or principal within the Project ownership,  
38 management, or development team:

- i. Is currently under investigation by a public body, has a pending claim, indictment, suit, action, or other proceeding against them;
- ii. Has been convicted of or been determined by an administrative or judicial (whether criminal or civil) order or judgment to have committed fraud, misrepresentation, theft, embezzlement, or any other act of moral turpitude (including, but not limited to any felony or malicious behavior) within the previous ten 10 years;
- iii. Has been involved in a bankruptcy proceeding within the previous five (5) years; or
- iv. Has been debarred or otherwise sanctioned by OHCS.

(x) **Single-Asset Ownership:** OHCS requires that each Project be owned by a single-asset entity duly organized under the laws of the State of Oregon, or if allowed by OHCS, duly authorized to conduct business in the State of Oregon.

(xi) **Extended Use Agreement (REUA):** Applicants that receive OHCS Allocations must enter into a Reservation and Extended Use Agreement (REUA), satisfactory to OHCS, which includes executing and recording, at the Applicant’s expense, a follow-on declaration of restrictive covenants and executing and recording other documents about the Project satisfactory to OHCS. The provisions of the REUA, including the declaration of restrictive covenants, will apply throughout the applicable “Affordability Period,” which includes the initial fifteen (15) year compliance period, and an additional “extended low-income use period” as referenced in the Project’s restrictive use agreements.

(xii) **Right of First Refusal (ROFR):** OHCS hereby reserves the right to require any and/or all the following with respect to applications:

(i) provisions to be included in the Applicant’s organizational documents limiting transfers of partnership or member interests or other actions detrimental to the continued provision of affordable housing.

(ii) a letter of intent from a tax credit investor that clearly grants to a qualified not-for-profit organization a right of first refusal to purchase the project for a below-market purchase price (the “ROFR Purchase Price”), following the expiration of the tax credit compliance period, in accordance with Section

1 42(i)(7) of the Code (the “ROFR”)  
2

3 (iii) terms in the extended use agreement requiring notice and approval by OHCS  
4 of transfers of partnership or member interests.  
5

6 (iv) debarment from the program of Project sponsors, investors, syndicators, or  
7 lenders having demonstrated a history of conduct detrimental to long-term  
8 compliance with extended use agreements, whether in Oregon or another state,  
9 and the provision of affordable tax credit units; and  
10

11 (v) provisions to implement any amendment to the IRC or any future federal or  
12 state legislation, regulations, or administrative guidance.  
13

14 The decision whether to institute, and the terms of, any such requirements shall  
15 be made by OHCS as reasonably determined to be necessary or appropriate to  
16 achieve the goals stated in this paragraph and to be in the best interest of the  
17 Plan.  
18

19 **Placed-In-Service Allocation Requirements:** All LIHTC Applicants are required  
20 to complete a Final Application containing required documentation. Any changes from the Equity  
21 Closing are subject to OHCS review and approval prior to the issuance of IRS Form 8609. Projects  
22 with excess funds must return those funds to one or more of the public funders upon Project  
23 completion. OHCS funding resources will have a priority for return upon the determination of  
24 excess funds for the Project.

25  
26 OHCS will accept and process Final Application documents and issue IRS Form  
27 8609(s) throughout the year. Commercial costs should be separated from the  
28 cost certification in an individual column or deducted from the total residential  
29 costs. In either circumstance, the budget uses pages should identify both  
30 components of cost separately. However, a Project Owner must submit a  
31 complete application with all Placed-In-Service documentation, including the  
32 independent Certified Public Accountants Report (Cost Certification) and the  
33 certificates of occupancy for each building in the Project at least sixty (60) days  
34 prior to when the Owner expects to receive the IRS Form 8609.  
35

36 Upon completion of the Project, for 4% LIHTC Projects, the Borrower will provide  
37 to OHCS an analysis of the breakdown of the bond-funded costs for the Project,

1 to meet the federal tax requirements described in the Project’s Tax Certificate  
2 and Agreement (or other similar document) in a form certified by an authorized  
3 representative of the Borrower (commonly referred to as a “Good Costs  
4 Certificate”), together with more detailed backup information as requested by  
5 OHCS and/or Bond Counsel for the State.  
6

7 (xiv) **Project Changes:** An Applicant must notify OHCS in writing of, and  
8 obtain its written consent to, any material changes in a Project. An Applicant  
9 must notify OHCS when a material change is first identified. OHCS will endeavor  
10 to respond within thirty (30) days after receiving the notice of a material change  
11 and request for consent. OHCS may give or withhold its consent, or condition its  
12 consent, subject to its reasonable discretion. A “material change” includes, but is  
13 not limited to, a change in:

- 14 • The number of buildings or units.
- 15 • The Project contact person.
- 16 • The Identity of Interest disclosure.
- 17 • The Development Team.
- 18 • The Total Project Costs.
- 19 • A financing source (whether debt or equity).
- 20 • Operating revenue or expenses for the Project of more than ten percent  
21 (10%).
- 22 • Anything that would result in a change in the standards OHCS uses to  
23 competitively rank Projects.

24 OHCS will determine whether a change in a Project is material. OHCS’s  
25 materiality determination is final.

26  
27 The written request for approval of a material change in a Project must include a  
28 narrative description and other supporting documentation, plus the applicable  
29 revised pages of the Application. If OHCS grants the request, including as  
30 modified or conditioned by OHCS, it may adjust the amount of the funding  
31 allocation to ensure the pro forma “sources and uses” of the Project remain in  
32 balance.  
33

1 (xv) **Cost Savings Clause:** Construction contracts that include any  
2 provision for cost savings that are to be retained by the general contractor or split  
3 with the Project Applicant are not permitted.  
4

5 (xvi) **Project Transfer or Assignment Requiring OHCS**

6 **Consent:** A Project transfer or assignment requiring OHCS consent includes  
7 any direct or indirect sale, contribution, assignment, lease, exchange, transfer, or  
8 other change in:

- 9 • An interest in the land, the Project, or any building.
- 10 • An ownership interest in the entity that is the Applicant or Project  
11 Owner.
- 12 • The rights, title, or interest of the Applicant or Project Owner in any  
13 agreement to which OHCS and the Applicant or Project Owner are  
14 parties.

15  
16 The following transfers or assignments do not require the prior written consent  
17 of OHCS:

- 18 ▪ The grant of a security interest or lien junior to the interest of OHCS; or
- 19 ▪ The issuance, redemption, or transfer of stock or shares of a corporation  
20 that is not a closely held corporation.

21  
22 (xvii) **Process and Requirements for Obtaining OHCS's**

23 **Consent:** The first step in obtaining OHCS's written consent to a Project  
24 transfer or assignment is to advise OHCS in writing of the proposed transfer or  
25 assignment. At a minimum the Applicant should describe:

- 26 • The name of the Project;
- 27 • The names of the Applicant and/or the Owner, the proposed transferor  
28 and transferee, and all other relevant parties;
- 29 • A complete description of the proposed transfer or assignment, including  
30 the proposed effective date; and
- 31 • Any special circumstances related to the proposed transfer or  
32 assignment.

1 After OHCS's receipt of the written request, OHCS will advise the Applicant of  
2 OHCS's requirements and conditions that must be satisfied to obtain the  
3 consent, including payment of document preparation charges and applicable  
4 legal fees. If the Applicant made a commitment to participate under the set-  
5 aside category for Qualified Non-Profit, any transfer or assignment must be such  
6 that the Project continues to qualify for such set-aside category.  
7

8 (xviii) **Construction Closing:** For 9% LIHTC transactions, the Applicant must  
9 give OHCS at least thirty (30) days' written notice of the scheduled Construction  
10 Closing. At least ten (10) days prior to the Construction Closing, but after the  
11 general contractor bids have been received, the Applicant must submit to OHCS  
12 the Project's final development budget, final sources of funds, and  
13 documentation to substantiate the final budget.  
14

15 For 4% LIHTC transactions, the Applicant must give OHCS the Project's final  
16 development budget pro forma, final sources of funds, and documentation to  
17 substantiate the final budget items at least ten (10) days prior to submission to  
18 the OHCS Finance Committee for approval.  
19

20 (xix) **Market Study:** Applicants must submit a complete market analysis prior  
21 to receiving a 9% LIHTC or 4% LIHTC allocation. The deadline for submission will  
22 be established within the reservation letter for projects selected for funding.  
23 Applicants should read and refer to the LIHTC Market Analysis Guidelines for a full  
24 description of OHCS policies and guidelines. Selected projects must use approved  
25 OHCS Market Analyst as required in code at IRC §42(m)(1)(A)(iii)

26 The Market Analysis Guidelines can be found at:

27 [https://www.oregon.gov/ohcs/development/Documents/admin/market-  
29 analysis-guidelines.pdf](https://www.oregon.gov/ohcs/development/Documents/admin/market-<br/>28 analysis-guidelines.pdf)

34 (xx) **OHCS Sustainable Development Standards:** All Projects  
35 receiving funding via OHCS administered Programs must demonstrate a  
36 commitment to sustainable design and construction practices. In addition to the  
37 Baseline Project Requirements defined in Core Development Manual (CDM),

1 OHCS requires funded Projects to comply with the three OHCS Sustainable  
2 Development Standards (SDS) listed below:

- 3 • Modules: SDS Module 1: OHCS Approved Sustainable Building Path.
- 4 • SDS Module 2: OHCS Solar-Ready Requirement.
- 5 • SDS Module 3: OHCS Electric Vehicle (EV)-Ready Requirement.
- 6 • Applicants should read and refer to the CDM for a full description of  
7 Department policies and guidelines.

8 The CDM can be found at:

9 [https://www.oregon.gov/ohcs/development/Documents/Core-Development-  
11 Manual/CDM-Version-3-1.pdf](https://www.oregon.gov/ohcs/development/Documents/Core-Development-<br/>10 Manual/CDM-Version-3-1.pdf)

12 (xxi) **Identity of Interest:** Applicants must disclose and describe to OHCS all  
13 specific Identity of Interest. Identity of Interest is defined as a financial, familial,  
14 business, or similar relationship that permits less than arms' length transactions  
15 among the parties participating in the development or operation of the Project  
16 (i.e., whether an "Identity of Interest" exists). Such disclosures shall be made  
17 when Applications are submitted and at such other times during the development  
18 and operation of Projects and processing of tax credit allocation requests as  
19 requested by OHCS.  
20

21 (xxii) **Misrepresentation and Fraud:** OHCS may disqualify an Applicant  
22 or Project, or cancel a funding, if the Applicant, a principal, or any representative  
23 of the Applicant or the Project makes a material misstatement, omission, or  
24 misrepresentation to OHCS, is under investigation, or has been convicted of or is  
25 currently indicted for fraud, theft, or other criminal activity involving the  
26 misappropriation of funds, false certifications, financial improprieties, or the like.  
27 OHCS, in its sole discretion, may also exercise any and all other remedies available  
28 under the Program Requirements, or otherwise available to it by law.

Next section on following page.

# 9% LIHTC – Criteria Elements

## General Criteria

- (i) **9% LIHTC Project Cap:** No Applicant may receive more than 20 percent of any annual tax credit allocation. If additional Projects have been submitted by the applicant and score such that they are eligible for funding and are in excess of 20 percent of the total LIHTC funds available, the lower scoring Project(s) will not be funded. No Applicant may receive more than an average of 15 percent of annual tax credit allocations over any two sequential years allocations.

For example, if an Applicant receives 20 percent of funds in year one, they would only be eligible for 10 percent in year two; OR, if an Applicant receives 15 percent of funds in year one, the Applicant would only be eligible for 15 percent in year two. If additional Projects have been submitted and score such that they are eligible for funding and are in excess of the percentage of the LIHTC available, the lower scoring Project(s) will not be funded.

- (ii) **9% LIHTC Restriction:** Projects that have been funded with 9% LIHTC in 2019 or thereafter are not eligible to apply for additional 4% or 9% LIHTC within 20 years of the Project’s Placed-In-Service date. Exceptions may be granted at the sole discretion of OHCS in cases where it determines there is a risk of physical, affordability, or other loss.

- (iii) **HUD 811:** All Applicants for 9% LIHTC may be required, at the discretion of OHCS, to implement a Housing and Urban Development (HUD) 811 Demonstration, including the use of HUD’s Tenant Rental Assistance Certification System (TRACS) to submit tenant certifications and electronic vouchers for payment. More information can be found at the HUD 811 Demonstration website:

[https://www.hud.gov/Program\\_offices/housing/mfh/progdesc/disab811](https://www.hud.gov/Program_offices/housing/mfh/progdesc/disab811).

(iv) **Housing and Economic Recovery Act of 2008**

**(HERA) Basis Boost:** Pursuant to HERA and subject to update should federal regulation permit, OHCS has the authority to increase the eligible basis for 9% LIHTC Projects from 100 percent eligible basis up to 130 percent of the eligible basis when OHCS determines that the financial feasibility of the building requires it. OHCS has determined that the financial feasibility of Project buildings meeting the criteria below may require a basis boost of up to 130 percent.

- Rural Projects defined as communities with populations of 15,000 or less, outside of the Portland Urban Growth Boundary, in counties within Metropolitan Statistical Areas (Benton, Clackamas, Columbia, Deschutes, Jackson, Marion, Multnomah, Polk, Washington, and Yamhill Counties) and in communities with populations of 40,000 or less in the balance of the State.
- Preservation Projects.
- Projects serving permanent supportive housing goals.
- Projects sited on tribal lands.
- Projects with at least twenty percent (20%) of the units restricted to LIHTC Extremely Low (30%) rents and income limits.
- Projects that are located in Transit Oriented Districts (TOD's) as designated by local governments
- Projects that result in the de-concentration of poverty by locating low-income housing in low poverty areas, which are Census Tracts where 10 percent or less of the population lives below the poverty level.

(v) **Resident Services:** The Applicant is required to provide a Resident Services Description at the time of Application submission in accordance with the goals and guidelines in the OHCS LIHTC Compliance Manual:  
<https://www.oregon.gov/ohcs/Pages/compliance-monitoring-manual-lihtc.aspx>.

## 1 **Readiness to Proceed**

- 2 (i) **Zoning:** The Project location must be properly zoned for the intended  
3 Project type. The Applicant must provide the Certification of Zoning executed by  
4 the appropriate zoning authority to verify proper zoning.  
5
- 6 (ii) **Site Control:** Applicant must have control of the land and other real  
7 property necessary for the Project by the Application deadline as evidenced by  
8 one (1) of the following:  
9 a. Recorded deed or conveyance showing the Applicant has ownership,  
10 b. Valid purchase and sale agreement,  
11 c. Valid option to purchase,  
12 d. Valid option for a long-term lease (lease must be approved by Oregon  
13 DOJ),  
14 e. Any other evidence satisfactory to OHCS.  
15
- 16 (iii) **Federal Resources Status:** If the Applicant has identified  
17 additional federal resources, such as rental or capital assistance from HUD, RD,  
18 or the Veteran’s Administration (VA) as part of the funding structure, the  
19 Applicant must provide evidence satisfactory to OHCS that an application for  
20 these resources has been submitted and remains active. For RD this would mean  
21 a pre-application Consultation Letter that includes: (i) summary of the contact  
22 and (ii) an understanding established to-date as well as (iii) expectations about  
23 the next steps in the process.  
24
- 25 (iv) **Development Schedule:** Within the development schedule  
26 provided, the Applicant must be able to meet the required deadlines for  
27 applicable LIHTC, HOME Partnership Investment Program, General Housing  
28 Account Program and Oregon Affordable Housing Tax Credit Program or any  
29 other funding requested as a part of the application. The Applicant’s  
30 development schedule must clearly demonstrate that funds will be invested and  
31 the Project will be constructed, leased and stabilized within all required Program  
32 time frames. These deadlines are published in the appropriate OHCS Program  
33 manuals.  
34  
35
- 36 (v) **Environmental Site Checklist:** Applicants must have identified  
37 or disclosed any adverse environmental or site information indicated on the

1 Project Site Checklist completed following the OHCS representative visit to the  
2 site or otherwise. The deadline for scheduling the site visit will be announced,  
3 and the Project Site Checklist published at least 90 days in advance of the  
4 deadline for submission of the Application. If you did not contact an OHCS  
5 representative before the deadline for Application submission, the Application  
6 will be considered non-responsive and will fail Threshold review.  
7

8 (vi) **Development Team Capacity:** In order to meet the threshold  
9 for development team capacity, the Applicants must demonstrate that the  
10 Applicant, the developer, the Project management consultant, the general  
11 contractor, the development consultant under contract and/or other persons or  
12 organizations materially involved in the Project have:  
13

- 14 i. Successfully completed a multi-family housing project of a comparable  
15 number of housing units, of similar complexity, and for a similar target  
16 population as the proposed Project.
- 17 ii. The necessary level of staffing and financial capacity to successfully  
18 manage development and operations of its current Project portfolio  
19 including, but not limited to, all current and pending Projects and  
20 Applications.
- 21 iii. Successfully completed previous Projects for which a similar Program  
22 allocation was received in Oregon or other states.

 5 **Scoring:**

Scoring topic		Scoring Criteria: New Construction/Acq/Rehab
State Priority	<b>Either</b>  Permanent Supportive Housing (PSH)	Up to 2 points for including PSH units in the Project (minimum 5 units, incentive up to 25% of total affordable units)
		1 point for having participated in OHCS provided PSH training and technical assistance
		1 point for commitment of supportive tenancy service resources.
		1 point for demonstrated experience in owning PSH affordable housing; (i.e., managing PSH affordable housing; providing services in PSH affordable housing)
	<b>PSH total</b>	<b>5 points</b>
	<b>OR</b>  Family Sized Units	Up to 3 points for the inclusion of units with 3 or more bedrooms (minimum 5 units, incentive up to 15% of total affordable units)
		Up to 2 points for the inclusion of units with 2 or more bedrooms (minimum 12 units, incentive up to 45% of total affordable units)
	<b>Family Sized Units</b>	<b>5 points</b>
	Special Needs Target Populations	Up to 4 points for including targeting of special needs populations (broadly defined) in 10-25% or more of the total affordable units
	<b>Special Needs Target Populations</b>	<b>4 points</b>
Federally Declared Disaster Areas	In consultation with the Oregon Housing Stability Council, up to 5 points may be allocated to Projects located in Federally Declared Disaster Areas that have had a wide-ranging impact on housing supply.	
<b>Federal Disaster Areas</b>	<b>5 points</b>	
<b>State Priority Total</b>	<b>14 points</b>	

Location Need  
Severity Data

1 point if Severe Rent Burden (spending more than 50% of income on rent) higher than State/region

1 point if there is a higher percentage of low-income renters than available low-income housing stock available in geography compared to state/region.

1 point for location in a Qualified Census Tract with a Concerted Revitalization Plan; demonstrated through investment of public resources into capital improvements of residential, commercial, or infrastructure.

1 point for ratio of Affordable Housing Inventory to 60% Area Median Income Households.

**Location Need  
Severity**

**4 points**

1 point if Project is not in a USDA food desert

1 point if Project has access to Parks & Public Space

1 point if Project is in a census tract where 50% or more of households earned more than 100% of the area median income in the last three consecutive years for which data is available, **and** the poverty rate is less than or equal to 20% during the same period.

1 point for access to School / Education / Library / Workforce Training

1 point for Projects in Urban Areas if in a TOD or within half (1/2) mile of fixed transit stop.

1 point for Projects is in Rural Areas and has access to transit options

Location Opportunity &  
Environmental Factors

Max of negative two (-2) points for Projects sited in Balance of State – Urban and Rural that are in tracts with greater health risks due to environmental factors compared to the rest of the State, as defined by the Environmental Protection Agency’s Environmental Justice Screening and Mapping Tool

Max of negative three (-3) points for Projects sited in Metro and Non-Metro HOME PJs that are in tracts with greater health risks due to environmental factors compared to the rest of the State, as defined by the Environmental Protection Agency’s Environmental Justice Screening and Mapping Tool

**Location Opportunity & Environmental Factors**

**5 points**

This scoring will compile data considering various aspects of a neighborhood including its income profile, vulnerable people, precarious housing location, housing market activity, and neighborhood demographic change.

**Data Considered for Income:** Low Income Households and Household Income

**Data Considered for Vulnerable People:** Black, Indigenous, People of Color (BIPOC) / Non-White demographics, limited language proficiency figures, persons with disabilities, female-headed households, individuals 65 years of age and older.

Vulnerable Gentrification Areas

**Data Considered for Precarious Housing:** Multifamily Units, and Housing built before the 1970s,

**Data Considered for Housing Market Activity:** Median Rent, Rent Change, Median Home Values, Home Value Change

**Data Considered for Neighborhood Demographic Change:** Change in BIPOC, change in educational attainment, change in homeownership, change in household income

**Vulnerable Gentrification Area**

1 **Preservation Scoring:**

2 This section applies to 9% LIHTC competitive applications only.

3  
4

	Scoring topic	Scoring Criteria: Preservation
	<b>Expiration date</b>	Up to 20 points for Projects preserving rental subsidies in rural and urban areas due to expire, or have RD mortgages mature, within 36 months from the due date of Application. Applicants must submit supporting evidence that clearly demonstrates the rent assistance expiration within 36 months. Up to 10 points for Projects with expirations, or mortgage maturity, within 60 months.
	<b>Risk of Expiration Total 20 points</b>	
	<b>Vulnerable Tenant Displacement</b>	Up to 5 points, scaled scoring, for the percentage of the Project occupied by vulnerable population (frail elderly, disabled, large families, special needs populations, service dependent) who would face hardships from relocation
	<b>Extremely Low Income</b>	Up to 5 points, scaled scoring, for the percentage of the Project occupied by households earning 30% AMI or less
	<b>Percentage of Rent Assisted Units</b>	Up to 5 points, scaled scoring, for the percentage of the Project with Project based rent assistance
	<b>Tenant Protections</b>	Up to 3 points: If federal rent subsidy expires, change of use requires relocation. Enhanced Vouchers (EVs) issued only for the residents under the Section 8 contract - no EVs for HUD maturing mortgages. Limited vouchers issued for RD prepayments.
	<b>Voucher Utilization</b>	Up to 3 points: High voucher turn back, porting rate or likelihood of relocating more than 20 miles.
<b>Tenant Impact Total 21 points</b>		
	Severe Rent Burden	Up to 2 points if percent of residents experiencing Severe Rent Burden (paying more than 50% of their income for rent) in a city/county is higher than that of the State.
	Mismatch Housing Stock	1 point if there is a higher percentage of low-income renters than available low-income housing stock in compared state/region.

Federally Declared  
Disaster Areas

In consultation with the Oregon Housing Stability Council, up to 5 points may be allocated to Projects located in Federally Declared Disaster Areas that have had a wide-ranging impact on housing supply.

**Location Need Severity**

**8 points**

Resident Services

Up to 1 point in Urban Areas and 2 points in Rural Areas: Comprehensive Resident Services Plan submitted, i.e., the plan is scaled to the needs of the target population

1 point: Includes resident surveys for ongoing monitoring of needs

1 point: Includes funded resident service staff or resources for referral agency

1 point: Includes performance tracking and reporting of data

Up to 3 points in Urban Areas and 2 points in Rural Areas: Service provider is culturally responsive

**Partnerships**

	used to support the low-income portion of the residential portion of the Project.
Readiness to Proceed	Up to 2 points: Funding commitment for planned Project funds.
	1 point: If funding commitment is pending (aside from Rural Development); explanation of when other sources of funds will be available to the Project if not already committed.
	1 point: Demonstrated ability to begin construction within 12 months.
	1 point: Proposed Project schedule appears adequate and reasonable.
	1 point: Explanation of why Project must be funded now as opposed to future NOFAs.
<b>Project Readiness Total</b>	<b>16 points</b>
MWESB Capacity	Up to 4 points, scaled: Plans to engage MWESB. all Applicants will be required to identify strategies, targets, and previous experience utilizing MWESB contractors/subcontractors in the construction and operation of the proposed Project. Awardees will be required to submit a report to OHCS demonstrating outcomes of their efforts to contract with MWESB contractors/subcontractors, using state registry, in their final application prior to the issuance of the Form 8609.
	Up to 3 points: General Partner or Development Consultant with successful LIHTC Projects that have received 8609s within the last 10 years on 1-2 Projects.
Development Team Experience	Up to 2 additional points: General Partner with successful LIHTC Projects that have received 8609s within the last 10 years on 3 or more Projects.
	Negative 1 point: General Partner that has been removed from a partnership or faced foreclosure proceedings.

# LIHTC Requirements and Processes

## LIHTC Reservation

- (i) **Requirements for Reservation:** Those Projects selected by OHCS as a Recipient of LIHTCs will be issued a LIHTC Reservation, Carryover Allocation, and Form 8609 only if they meet the requirements set out in OHCS’s documentation. OHCS may disqualify the Project/Application and cancel the LIHTC Reservation and Carryover Allocation for any Project if these requirements are not met by the deadlines set by OHCS.
- (ii) **Reservation Period:** If the Applicant does not satisfactorily complete the conditions of the LIHTC Reservation Letter and/or the Carryover Allocation Agreement, OHCS may rescind the LIHTC Reservation for the Project. OHCS may reallocate any 9% LIHTCs returned or recinded. OHCS will require each Applicant that has received a LIHTC Reservation to demonstrate the Project is making satisfactory progress towards completion through regular progress reports.
- (iii) **No Representation or Warranty:** Issuance of an OHCS funding resource Reservation shall not constitute or be construed as a representation or warranty as to the feasibility or viability of the Project, or the Project's ongoing capacity for success, or any conclusions with respect to any matter of federal or State law. All OHCS resources are subject to various State and federal regulations governing the specific Program from which they are obtained, and Applicants are responsible for the determination of their Project’s eligibility and compliance consistent with all Project requirements.
- (iv) **Determination of LIHTC Allocation Authority Year:** When making a Reservation of LIHTC, OHCS reserves the right to make an allocation of a future year’s credit ceiling (Forward Allocation). Such Allocation(s) may be full or partial for the Project(s). The applicable QAP will be the plan in place for the earliest funding cycle in which an award of funds is received.

# 1 **Carryover Allocation Requirements**

2 **9% LIHTC Carryover Allocation Agreement:** 9% LIHTC Applicants, on or before  
3 November 1st of the LIHTC Allocation Authority Year, must submit either an Application for LIHTC  
4 Carryover Allocation (if the Project is still in the construction phase), or a Final Application indicating  
5 the Project has been placed-in-service. All LIHTC Carryover Allocations will be made on a per Project  
6 basis. The LIHTC amount that qualifies for a Reservation to any Project is the lump sum amount of  
7 available to each qualified building in the Project. The actual amount of LIHTCs available for any  
8 specific building will be apportioned from the lump sum Carryover Allocation of Credit and  
9 determined when that building satisfies the placed-in-service allocation requirements.

10

11 **Ten Percent (10%) Carryover Test for 9% LIHTC Projects:** Within twelve (12)  
12 months of the date of the Carryover Allocation Agreement, the 9% LIHTC Applicant must demonstrate  
13 to the satisfaction of OHCS that it has incurred more than ten percent (10%) of the reasonably  
14 expected basis of the Project by certifying to OHCS that it has fulfilled this requirement and by  
15 submitting a CPA's certification.

16

17 The CPA's certification should itemize all of the costs incurred to satisfy the ten  
18 percent (10%) requirement. If the Applicant is itemizing any portion of the  
19 developer fee or consultant fees for purposes of satisfying the ten percent (10%)  
20 requirement, the certification must contain a detailed breakdown of the services  
21 performed by the developer and each consultant and the amount of the fees  
22 apportioned to each service. The Applicant must also submit a copy of all  
23 developer and consultant contracts as well as an itemized statement  
24 apportioning the fees earned to each service provided.

25

26 OHCS may require the Applicant to submit additional documentation of the costs  
27 reflected in the certification and OHCS may limit or exclude certain costs if it  
28 cannot determine that they are reasonable and appropriate.

29

## 1 Exchange of 9% Credit Award for Subsequent Year's 2 Credit Allocation

- 3 (i) **Request Process:** Once an Applicant has received a Reservation of  
4 LIHTCs, the Applicant has the responsibility to complete the Project by the  
5 timelines identified in IRC Section 42 and as outlined in the QAP. OHCS reserves  
6 the authority to exchange an Allocation of Credits from one (1) year for the same  
7 amount of Credits in a subsequent credit year. Applicants must demonstrate  
8 good cause to return their Reservation to OHCS, and as such the Applicant has a  
9 one (1) time option to return its allocation to OHCS, as follows:

10  
11 No later than March 31 of the year following the Reservation of LIHTCs, an  
12 Applicant may request to return its allocation and exchange it for an award of  
13 the same amount of credits from the next credit year as the amount returned.  
14

15 For example, a 2022 awarded Project that receives a forward reservation of 2023  
16 tax credits can exchange those credits, if requested by March 31, 2023, to  
17 receive an allocation of 2024 credits. This is necessary if the Project will not be  
18 placed in service by December 31, 2023 but instead will be placed in service by  
19 the end of 2024.  
20

21 After LIHTCs have been returned, an Applicant may apply for additional LIHTCs.  
22 Projects must comply with the requirements applicable in the initial year of  
23 award and all representations made in the initial Application (unless specifically  
24 and explicitly waived by OHCS). OHCS must have a Project to which it can award  
25 current-year LIHTCs.

## 26 Considerations

### 27 28 Reservation of Rights

- 29 (i) Project/Request Denial. OHCS, in its sole discretion, may reject an Application  
30 where the Applicant, Owner, Principal, or other Participant with respect to the  
31 proposed Project, previously has done any of the following:  
32 a. Failed to complete a Project in accordance with requests or certified  
33 plans presented to OHCS or other public or private allocating agencies.

- 1 b. Failed to complete a Project within the time schedule required or budget
- 2 indicated in the request.
- 3 c. Failed to effectively utilize previously allocated Program funds and was
- 4 notified of such failure to meet appropriate utilization in advance of
- 5 request or NOFA closing date.
- 6 d. Been found to be in non-compliance with Program rules as evidenced by
- 7 OHCS or other public or private Allocating Agency Project monitoring and
- 8 missed the cure time deadline given in writing.
- 9 e. Been debarred or otherwise sanctioned by OHCS or other state, federal
- 10 or local governmental agency.
- 11 f. Been convicted within the last ten (10) years of criminal fraud,
- 12 misrepresentation, misuse of funds, or moral turpitude or currently is
- 13 under indictment for such an offense.
- 14 g. Been subject to a bankruptcy proceeding within the last five (5) years.
- 15 h. Otherwise displayed an unwillingness or inability to comply with OHCS
- 16 requirements.

17 OHCS reserves the right to disapprove any Application if, in OHCS’s judgment,  
18 the proposed Project is not consistent with the goals of providing decent, safe  
19 and sanitary housing for low-income persons. OHCS may impose additional  
20 conditions on Project Applicants for any Project as part of the Application,  
21 Reservation or Allocation processes.  
22

## 23 **Documentation of Discretion**

24 OHCS may, at its sole discretion, award credits in a manner not in accordance with the  
25 requirements of the QAP. If any provision of this QAP (or documents incorporated herein by  
26 reference) is inconsistent with any provisions (current or as amended) of IRC Section 42,  
27 corresponding Treasury Regulations, and applicable IRS guidance, or any existing State Laws or  
28 State Administrative Rules governing the LIHTC Program, the provisions of IRC Section 42,  
29 corresponding Treasury Regulations, and applicable IRS guidance, State Laws or State  
30 Administrative Rules take precedence over the QAP.  
31

## 32 **Policy on Exceptions/Waiver Requests**

33 All OHCS policies, other than those mandated by Section 42 of the Code, are considered as  
34 guidelines and may be waived by OHCS at its sole discretion. A written request for a waiver or  
35 exception, accompanied by justification, may be submitted to OHCS. QAP waivers will be

1 documented for all Projects and regular periodic publications of waivers will identify the  
2 Applicant, the QAP provision waived, and the reason for waiver. In addition, the summary for  
3 Projects recommended for funding may identify and explain waivers granted for any Projects  
4 listed.

5  
6 Applicants, lenders, or syndicators must submit any request for a waiver or exception to a  
7 policy in writing with a full justification at least 30 days prior to the construction/equity closing  
8 date for Applications. Furthermore, OHCS reserves the right to waive any provision or  
9 requirement of the QAP that is not stipulated in Section 42 of the Code in order to affirmatively  
10 further fair housing.

11  
12 If OHCS acts contrary to or fails to take action in accordance with this Plan or any other Program  
13 Requirement, such act or omission does not constitute a waiver by OHCS of any obligation on  
14 the part of a Project, person or entity to comply with the provisions of this Plan or other  
15 Program Requirements, or establish a precedent for any other Project, person or entity. In any  
16 event, no waiver, modification, or change of a requirement set forth in an OHCS Program  
17 Manual, or of any other Program Requirement will be binding upon OHCS unless set forth in  
18 writing, signed by an authorized agent of OHCS, and consistent with law.

19

## 20 **Partial Invalidity**

21 If any provision of this QAP, or the application of this Plan to any person or Project, is found by  
22 a court to be invalid or unenforceable, the remainder of this Plan, or the application of that  
23 provision to persons or circumstances other than those with respect to which the provision was  
24 held invalid or unenforceable, shall not be affected. Each provision of the Plan shall be valid and  
25 enforceable to the fullest extent permitted under State or federal law.

26

## 27 **Disclaimer**

28 Issuance of a LIHTC reservation pursuant to a Reservation and Extended Use Agreement, a  
29 LIHTC Carryover Allocation (Carryover) or a placed in service allocation as indicated by OHCS or  
30 the IRS Form 8609, shall not constitute or be construed as a representation or warranty as to  
31 the feasibility or viability of the Project, or the Project's ongoing capacity for success, or any  
32 conclusion with respect to any matter of federal or state income tax law. All LIHTC allocations  
33 are subject to the Code and corresponding Treasury Regulations governing the LIHTC Program,  
34 and Applicants are responsible for the determination of a Project's eligibility and compliance. If  
35 statements in this QAP are in conflict with Section 42 of the Code and corresponding Treasury  
36 Regulations, the Code and such regulations shall take precedence. While this QAP and the

1 applicable NOFAs govern OHCS’s process of allocating LIHTC, Applicants may not rely upon this  
2 QAP as an interpretation of IRS Code requirements.

3  
4 No executive, employee or agent of OHCS, or of any other agency of the State, or any official of  
5 the State, including the Governor, shall be personally liable concerning any matters arising out  
6 of, or in relation to, the allocation of the State’s LIHTC allocation, or the approval or  
7 administration of this QAP.

8  
9 Lenders and investors should consult with their own tax or investment counsel to determine  
10 whether a Project qualifies for LIHTCs, or whether an investor may use the LIHTCs, or whether  
11 any Project is commercially feasible.  
12

### 13 **Violations**

14 OHCS may exercise any of the Remedies described below if:

- 15 • The Applicant fails to comply with any Program Requirement including, but not limited  
16 to, the timely payment of charges and fees and the execution and recording of  
17 documents satisfactory to OHCS;
- 18 • OHCS determines the Applicant or other Program participant made a material  
19 misrepresentation, affirmatively or by omission;
- 20 • OHCS determines the Applicant or other Program participant is debarred from accessing  
21 Program resources or otherwise is not a qualifying Applicant; or
- 22 • The Applicant, Owner, or other Program participant defaults with respect to any  
23 Program Requirement or obligation to OHCS.

24  
25 OHCS will have no duty, obligation, or liability to the Applicant, the lender, the tax credit  
26 investor, or other related Program participant for exercising such remedies. Applicant and  
27 related Program participants, including lenders and tax credit equity investors, expressly waive  
28 any claims, causes of action or other remedies against OHCS with respect to a disqualification,  
29 cancellation, or modification as described above as a condition of Applicant’s filing of its  
30 Application or their participation in the Program.  
31  
32

1 **Remedies**

2 In the event of any failure to adhere to the terms of this Plan or any Program Requirements,  
3 including as described above in the Violations section, OHCS may elect to pursue any and all  
4 remedies available to it under the Program Requirements, including executed documents, or  
5 otherwise available to it at law. These remedies include, but are not limited to:

- 6 (i) Cancellation of an Application.
- 7 (ii) Revocation or modification of an Allocation Credit or other award of OHCS  
8 resources.
- 9 (iii) Debarment of person or entity from accessing OHCS Programs.
- 10 (iv) Recoupment of allocated or disbursed resources.
- 11 (v) Specific enforcement.
- 12 (vi) Actions for direct, indirect, consequential or punitive damages.
- 13 (vii) Appointment of a Project receiver.
- 14 (viii) Foreclosure of secured interests or otherwise.

15 Furthermore, OHCS may, and specifically reserves the right to, modify, waive, or postpone any  
16 restrictive covenants or equitable servitudes with respect to the Project or any part thereof.

17  
18 No Third-Party Liability: Nothing in the Program Requirements is intended, or shall be  
19 construed, to create a duty or obligation of OHCS to enforce any term or provision of the  
20 Program Requirements or exercise any remedy on behalf of, at the request of, or for the benefit  
21 of, any former, present, or prospective resident. OHCS assumes no direct or indirect obligation  
22 or liability to any former, present, or prospective resident for violations by the Applicant,  
23 Owner or any other Program participant.

24  
25 **Effective Date**

26 This Qualified Allocation Plan shall be effective upon its approval and execution by the Governo  
27 and shall remain in effect indefinitely or until modified or terminated.

# Appendix

## Appendix: Underwriting Criteria

## Appendix 1 – Underwriting Standards

### Program Limits:

OHCS has established the following Program Limits for evaluating Projects. The Applicant should demonstrate in the Application compliance with all of the Program Limits. In determining the amount of Program resources to allocate to a Project, OHCS may reduce the budget and funding amounts to reflect the Program Limits listed below. If the Applicant varies from the following Program Limits, mitigating factors must be provided by the Applicant, which factors will be subject to OHCS consideration in its sole discretion.

#### **i. Maximum Construction Contingencies included in LIHTC Determination:**

The maximum amount of LIHTCs reserved or allocated to a Project will be determined after limiting the rehabilitation contingency to ten percent (10%) of the rehabilitation costs and the new construction contingency to five percent (5%) of the new construction costs. Rehabilitation costs include rehabilitation hard costs, site work costs, general conditions, and contractor profit and overhead. New construction costs include new construction hard costs, site work costs, general conditions, and contractor profit and overhead.

**ii. Maximum Developer Fees**

OHCS will consider a Maximum Developer Fee, as specified in the table below; calculated as the Developer Fee plus Consultant Fees divided by the Total Project cost minus Acquisition, Developer Fee, Consultant Fees and Capitalized Reserves.

The table below sets forth the maximum Developer Fees allowed under the LIHTC Program Limits.

Developer Fee **PLUS** Consultant Fee  
 Total Project Cost **MINUS** Acquisition, Developer Fee, Consultant Fee, Capitalized Reserves

Project Size	9% LIHTC New Construction	9% LIHTC Acquisition/ Rehab	4% LIHTC New Construction	4% LIHTC Acquisition/ Rehab
<31 Units	18%	20% + \$4,000/unit OR + \$5,500/unit for Preservation	20%	22% + \$4,000/unit OR + \$5,500/unit for Preservation
31-75 Units	16%	18% + \$4,000/unit OR + \$5,500/unit for Preservation	18%	20% + \$4,000/unit OR + \$5,500/unit for Preservation
76-100 Units	14%	16% + \$4,000/unit OR + \$5,500/unit for Preservation	16%	18% + \$4,000/unit OR + \$5,500/unit for Preservation
100+ Units	12%	14% + \$4,000/unit OR + \$5,500/unit for Preservation	14%	16% + \$4,000/unit OR + \$5,500/unit for Preservation

For this purpose, Developer Fees shall be deemed to include all consultant fees (other than arm’s length architectural, engineering, appraisal, market study and syndication costs), and all other fees paid in connection with the Project for services that would ordinarily be performed by a developer, as determined by OHCS.

The Developer Fee, as represented by a percentage calculated as described above, will be set at the time of the construction/equity closing based on the Project's final budget after construction bids have been accepted and final sources and uses have been balanced. If the developer fee will exceed the amount in the application, it must be due to justifiable increases in the scope of work and the developer fee must still be within OHCS's approved applicable maximum for the Project. The fee presented in the Placed-in-Service documentation may not exceed the total percentage (including deferred and cash payments) allowable in the chart above.

For any cost to be included in tax credit basis, the cost must be an eligible cost and in the case of deferred developer fees, the fees must be due and payable at a certain date (generally within a time period that does not exceed fifteen (15) years). Cash-flow projections must support the expectation of repayment. If repayments are not projected annually in the pro forma, the portion not projected to be repayable will be removed from eligible basis.

### **iii. Operating Expenses**

Operating expenses will be reviewed for reasonableness within the budgets submitted. Applicant may be required to submit documentation (including for example three years of audited financials for rehabilitation Projects) to substantiate that any or all of the Project's revenue or costs are reasonable. OHCS will review this documentation against its portfolio and take into consideration input from lenders and investors.

### **iv. Maximum Contractor's Profit and Overhead**

When the general contractor is a Principal, related party or otherwise has an Identity of Interest with the Applicant or Project Owner, OHCS will limit the general contractor's combined profit, general conditions and overhead to an amount not to exceed ten percent (10%) of total rehabilitation/construction costs plus site work costs. All others will be limited to a combined profit, general conditions and overhead amount of up to fourteen percent (14%) of total rehabilitation/construction costs plus site work costs.

## **Inappropriate Use of Resources**

### **(i) Debt Reduction**

Program resources may not be used to buy down or refinance existing debt.

## (ii) Reimbursement for Prior Construction

Program resources may not be used to reimburse construction or rehabilitation work started or completed within six (6) months before a 9% Application or approved intent resolution for 4% LIHTC.

## Financial Feasibility

### i. Sources and Uses Statement:

The Applicant must submit the Sources and Uses statement with its Application or as otherwise required by OHCS. The Sources and Uses statement must describe all of the funds or sources to be used to pay for Project costs and the intended uses of such funds. The Sources and Uses statement must identify each separate source and use and the estimated timing of final approval for each. The sources and uses must balance fully and no source may be identified as unknown. If any sources or uses are identified as unknown at the time of review, the Application may be deemed incomplete and removed from further processing.

Below are the LIHTC program pro forma required financial assumptions:

<b>Acquisition cost must be supported by an appraisal</b>	
<b>Construction Inflation Factor/Cost Escalator</b> (Applies to separate line item above and beyond construction bid)	3 % of total construction cost
<b>Contractor Profit, General Conditions and Overhead – non Identity of Interest</b> (Does not include insurance)	14% of total construction cost or less
<b>Contractor Profit, General Conditions and Overhead – Identity of Interest</b> (Does not include insurance)	10% of total construction cost or less
<b>Soft Costs</b>	30% of Total Project Cost or less
<b>Operating Reserve</b>	Generally, six (6) months of operating expenses or lender / investor conditions

<b>Lease Up Reserve</b>	Submit cash flow analysis utilized to determine the amount
<b>Reserve for Replacement (Capitalized)</b>	Submit evidence of the partner lenders and/or investors to document their requirement. Minimum guideline of \$350 per unit per year, \$300 for Senior Projects

**ii. Operating Pro Forma:**

The Applicant must submit with its Application an operating pro forma for the Project, satisfactory to OHCS, demonstrating financial feasibility and viability of the Project for a typical twenty (20)-year permanent loan period. Different Programs may have different compliance periods and OHCS may require that the operating pro forma address relevant compliance periods. In addition, the Applicant must demonstrate that the Project will continue to be economically feasible and have adequate replacement reserves for an extended use period of an additional fifteen (15) years after the initial compliance periods. The operating pro forma must list each of the compliance periods and extended use periods separately and include assumptions, notes and explanations regarding the respective income and expense projections.

Absent a long-term commitment (in excess of ten (10) years), Projects with rental assistance must demonstrate financial feasibility, excluding the rent subsidy.

If the Project includes commercial and/or other non-residential space, the Applicant must submit the following information and supporting documentation in addition to the residential pro forma requested above:

- a. A breakdown of the total residential and commercial Project costs;
- b. A list of the financing sources for the commercial areas;
- c. The owners and management agent of the commercial areas;
- d. A twenty (20) year operating pro forma for both the residential and commercial areas; and
- e. Such other information as OHCS may require.

The pro forma must contain the following data:

- a. Growth assumptions that are typically estimated at two percent (2%) per year for income and three percent (3%) per year for expenses.
- b. Estimates of income and expenses that are well documented by actual historical amounts, comparable income or expense studies, Applicant market assessment, a market study, or an appraisal.
- c. Such other information as OHCS may require.

The pro forma also must address the following industry benchmarks:

- a. A vacancy rate of not less than seven percent (7%); if a different rate is used, explanation must be provided in the Financial Description section of the Application.
- b. An expense ratio and expenses per unit properly scaled to the size and scope of the improvements, the cost of local utilities and taxes and the makeup of the tenant population served.
- c. Replacement reserves properly scaled to the size and scope of the improvements and the age and condition of the property. Minimum guideline of \$350 per unit per year, \$300 for Senior Projects; amounts in excess will be allowed if reasonably justified by Capital Needs Assessment and / or lender conditions.
- d. Operating Reserves are generally six (6) months of operating expenses or lender / investor conditions.

While OHCS will use certain benchmarks and industry best practices to evaluate the information, each pro forma will be separately assessed based on its reasonable and well-documented projection of income and expenses to determine if it effectively demonstrates the Project's financial feasibility and viability.

### **iii. Minimum Debt Coverage Ratio**

The minimum Debt Coverage Ratio (DCR) will be 1.15:1 for all hard amortizing debt through the initial 20-year pro forma period. Projects with debt coverage ratio that exceed 1.30:1 may be eligible for less credit amount than calculated. Projects are underwritten on an individual basis in concert with the lenders to determine an appropriate DCR and perform subsidy layering.

### **iv. Debt Underwriting:**

Many Projects require hard amortizing debt as one of the sources of funds. If there is hard amortizing debt, the proposed debt service coverage, and breakeven ratios must be in conformance with OHCS limits and industry norms noted previously. If there is no mortgage debt, then the pro forma must demonstrate a stable positive cash flow over 20 years.

## **Development Team Capacity**

### **i. Previous Experience**

The Applicant must demonstrate to the satisfaction of OHCS that the Applicant, the developer, the Project management consultant, the general contractor, the development consultant under contract and/or other persons or organizations materially involved in the acquisition, construction, rehabilitation, development, or improvement of the Project have:

- a. Successfully completed a multi-family housing project of a comparable number of housing units, of similar complexity, and for a similar target population as the proposed Project.
- b. The necessary level of staffing and financial capacity to successfully manage development and operations of the current Project portfolio, including, but not limited to, all current and pending Projects and Applications.
- c. Successfully completed previous projects for which a similar Program allocation was received in Oregon or other states with no extensions or minimal carryovers.

If the Applicant is using a development consultant to show this capacity, the Applicant must also submit a copy of the executed contract detailing terms, conditions, and responsibilities between the Applicant and the development consultant at the time of Application submission.

## **Property Management Capacity**

If the Applicant is going to employ a property manager with respect to the Project, the Applicant must provide a document detailing the experience level of the proposed property management firm and demonstrating that the firm has successfully managed:

- a. a multi-family housing development of a comparable number of housing units and/or of a similar complexity as the proposed Project; and
- b. a multi-family assisted or subsidized housing development with local, state, and/or federal operating requirements comparable to those of the requested Program.

OHCS will review the initial implementation of, and any changes of management agents, including Owners who are proposing to manage properties as Owner. OHCS policy requires 60 days' notice prior to any change. The owner must submit the proposed new agent plan and qualifications to the Asset Management & Compliance section of OHCS. OHCS will review the materials and approve, conditionally approve, or disapprove the proposed agent. Management agents and/or Owners responsible for LIHTC compliance must attend LIHTC training and receive a certification from a nationally recognized LIHTC compliance trainer. Any exceptions to this policy will be made solely at the discretion of OHCS.

### **Financial Capacity:**

As disclosed in the Application or other required information, the Applicant's financial condition must not contain any adverse conditions that might materially impair the Applicant's ability to perform its financial obligations during the construction or stabilization of the Project.

## OHCS Sole Discretion

OHCS reserves the right to determine at application, reservation and/or at any point during the underwriting process and at its sole discretion, whether the Third-Party Letters of Interest or Intent, Award Letters, or Commitment Letters are satisfactory, and whether a lender or investor possesses the financial or other capacity to make a specific loan or investment. A change in the Project's financing structure or financing terms after Reservation of OHCS funds must be brought to the attention of OHCS. OHCS may in its sole discretion re-underwrite the Project, which may result in all or a part of OHCS resources being recaptured or reduced by, or returned to, OHCS.

## Project/Request Denial

OHCS may reject an Application where the Applicant, Owner, Principal, or other participant with respect to the proposed Project, previously has:

- a. Failed to complete Projects in accordance with requests or certified plans presented to OHCS or other public or private allocating agencies.
- b. Failed to complete a Project within the time schedule required or budget indicated in the request.
- c. Failed to effectively utilize previously allocated Program funds and was notified of such failure to meet appropriate utilization in advance of the request or NOFA closing date.
- d. Been found to be in non-compliance with Program rules as evidenced by OHCS or other public or private Allocating Agency Project monitoring and missed the cure time deadline given in writing.
- e. Been debarred or otherwise sanctioned by OHCS or other state, federal or local governmental agency.
- f. Been convicted within the last ten (10) years of criminal fraud, misrepresentation, misuse of funds, or moral turpitude or currently is indicted for such an offense.
- g. Been subject to a bankruptcy proceeding within the last five (5) years.
- h. Otherwise displayed an unwillingness or inability to comply with OHCS requirements.

OHCS reserves the right to disapprove any Application if, in OHCS's judgment, the proposed Project is not consistent with the goals of providing decent, safe and sanitary housing for low-income persons. OHCS may impose additional

conditions on Applicants for any Project as part of the Application, Reservation or Allocation processes.

## **Financial Solvency**

As part of the Application and at such other times as required by OHCS, the Applicant must provide a certification with respect to the financial solvency of the Applicant, the Project and certain Project participants in the form required by OHCS.

If the certification discloses any financial difficulties, risks, or similar matters that OHCS believes in its sole discretion might materially impair or harm the successful development and operation of the Project as intended, OHCS may:

- i. Refuse to allow the Applicant or other participant to participate in the Tax Credit Program or other OHCS Programs.
- ii. Reject or disqualify an Application and cancel any LIHTC Reservation or allocation.
- iii. Demand additional assurances that the development, ownership, operation, or management of the Project will not be impaired or harmed (such as performance bonds, pledging unencumbered assets as security, or such other assurances as determined by OHCS).

## **Take such other action as it deems appropriate.**

The Applicant must also immediately disclose if there is a material change in the matters addressed in the certification throughout the Application process and throughout the development and operation of the Project. Failure to do so may result in a loss of Reservation.
