LANDLORD COMPENSATION FUND PROGRAM Application Deadline Extended!

Oregon Housing and Community Services (OHCS) received a tremendous response to the first round opening of The Landlord Compensation Fund. Thank you to all those who continue to express interest in the program and provide feedback. We are reaching out with a couple important updates on our current application round!

1- The Application Deadline for the Landlord Compensation Fund program has been extended to 4pm on Friday March 5th, 2021.

We are extending this application deadline for this first round of applications to ensure that all interested parties are given adequate time to complete their application and receive needed technical assistance in doing so. We are working hard to ensure that all requests for assistance are able to be responded to; at the same time we have implemented several system updates in response to the feedback we have received so far – thank you!

2- We have published a video walk through of the full application process. You can find this video online here: <https://youtu.be/MOExFm2Pjlg>

In addition, be sure to check out the detailed [application instructions](#), [rent roll template](#), [rent roll video](#), and FAQ documents on our [program webpage](#).

As a reminder, the following are the best way to contact our customer service team for assistance on your application:

- If you have general questions related to the LCF program, such as eligibility requirements, scoring criteria, application timelines, etc. please email HCS.LCF@oregon.gov

- If you have specific questions about the application itself, including your rent roll, incorrect data, or problems uploading files, please reach out via chat in the application portal or by email to HCS.LCFsupport@oregon.gov. The more specificity you can provide about your question the easier it will be to get you a response.
- If you are seeking accommodation to the electronic application based on need, please contact HCS.LCF@oregon.gov. The more specificity you can provide about your question the easier it will be to get you a response.
