**RE: COVID-19 Impacts on Property Operations, Data Request for Property Owners/Managers**

Good afternoon partners,

We recognize that these months have been extremely challenging in many different ways for everyone as a result of the COVID-19 pandemic. In order for OHCS to better understand the impact on project operations, we are gathering property operations data on your rental housing portfolio to evaluate needs.

**This data collection tool is designed for those who are owning or operating rental housing, and have information about April and May rent receipts, operating reserves, and communication with tenants.** We are continuing to assess the need for resources to help ensure the ongoing financial viability of our portfolio; by providing us with this data we will have better clarity about this need. **Please participate to the best of your ability!**

**You can access this survey [HERE](#)**

If you have any questions or concerns throughout this crisis please don't hesitate to reach out to OHCS staff in the Affordable Rental Housing Division at [ARH.HCS@oregon.gov](mailto:ARH.HCS@oregon.gov). Please stay safe and healthy.

Sincerely,

A handwritten signature in black ink that reads "Julie V. Cody". The signature is written in a cursive, flowing style.

Julie V. Cody

Director for Affordable Rental Housing
