Overall Progress Narrative:

In Q4 2024, staff continued to implement the PIER and HARP programs, and finalized the development of Housing Support Services, which includes Intermediate Housing Assistance, Down Payment Assistance and Housing Counseling program activities. Staff have been working with county partners who will be administering the Affordable Housing Development program to provide them with technical assistance as they prepare for implementation. The Housing Recovery Services, Housing Support Services, Resilience Planning and Affordable Housing Development program policies were finalized and submitted to HUD for approval. Staff continued development of the Legal Services program, the final program under the ReOregon Action Plan.

In-person public hearings and a virtual public hearing were held for the Substantial Action Plan Amendment (SAPA) #2 throughout October 2024. Feedback included the importance of expediting funding, support for the reimbursement pathway in HARP, and challenges for HARP participants managing their own reconstruction. The public comment period ended on November 8, 2024 and the SAPA was submitted to HUD for approval on December 4, 2024.

Major milestones in Q4 include:

- Rent assistance payments under the Intermediate Housing Assistance program were made in December as impacted households participating in state- and treasury-funded rent assistance programs were seamlessly transitioned to CDBG-DR funding.
- Submission of all remaining program policies for approval, aside from Legal Services
- HARP had its first home purchase award closing on 12/23/2024 in Jackson County.

OPERATIONS AND COMPLIANCE

In Q4 2024 the Compliance team:

- Completed eight Capacity and Risk Assessments for potential PIER and AHD subrecipients.
- Initiated three additional Capacity and Risk Assessments for AHD subrecipients currently in progress.
- Provided technical assistance to multiple subrecipients which clarified grant requirements, policy guidance, and staffing capacity needs for the AHD program.
- Fulfilled recruitments to build staffing capacity for ongoing monitoring needs.
- Assisted OHCS internal auditors with a review of various DRR components to ensure CDBG-DR Federal Compliance.
- Collaborated with Oregon Secretary of State to initiate an audit of DRR to ensure CDBG-DR Federal Compliance.
- Began quality assurance and quality control reviews of AHD program software.

PROCUREMENT

The Procurement Team workedn the following during Q4 2024:

- PIER Program Subrecipient Agreement Templates were approved and put into use with 5 agreements executed in Q4.
- IHA Master Subrecipient Agreement Templates were approved executed with four subrecipients.

- Architectural and Engineering RFP- posted to Oregon Buys in Q3 and closed October 8th. Contractor selection and contracting process is ongoing.
- Executed several amendments to existing subrecipient contract to advance housing recovery support

Narrative:

With approval of the SAPA in January 2025, HSS was formally established. HSS consists of 3 distinct but related programs, including Intermediate Housing Assistance (IHA), Down Payment Assistance (DPA) and Housing Counseling (HC). During Q4, the four (4) IHA partner subrecipient agreements were executed, and roll-over of previous ERA2 participants commenced. IHA partners also participated in ongoing trainings and scheduled technical support meetings. IHA officially kicked-off and began supporting eligible household rents starting on January 1, 2025. Technical, programmatic and operations documents were developed and shared with partners during the Q4 for use in implementing IHA going forward. During Q4, OHCS continued to design and develop the DPA and HC portions of HSS. OHCS developed Requests for Applications (RFA) to identify subrecipients for both the DPA and HC programs. The RFAs will be published and DPA and HC partners selected in the next quarter.

The state provides a weekly touchpoint with intake subrecipients to provide training, technical assistance, and identify solutions that will convert more households into completed applications. Contract Administration responsibilities for subrecipient outreach and intake contracts have transferred from the External Affairs team to the Program team as a way of providing enhanced support to partners.

Draws for intake and outreach subrecipients have stabilized in Q4 2024 with most invoices being reviewed and approved within 1-2 weeks of receipt. However, there continues to be a lag in receiving invoices and getting these through to payment for some of our partners, for a variety of reasons. The state continues to provide technical assistance to partners to help with completing invoices and has implemented process improvements in Q4 to better support partners with invoicing, including Contract Administrator transfer, and a better-defined invoice review process.

Other accomplishments in Q4 2024 include:

- Substantial Action Plan Amendment finalized and submitted that impacts several elements of HARP, including increasing award caps, adding a reimbursement pathway and moving the ADU program under eligible AHD activities.
- The 7 local subrecipient intake centers have continued working within their communities to support both questionnaire and application submission through in-person and virtual support.

Narrative: With approval of the Substantial Action Plan Amendment by HUD in January 2025, the Affordable Housing Development (AHD) program policy and guidelines were completed and steps taken to finalize agreements with implementing partners. Seven (7) regional/local organizations were identified to implement the AHD program in their respective jurisdictions. OHCS worked closely with each selected partner on their general development plans and budgets. Subrecipient agreements for each AHD partner were initiated by OHCS and we expect each to be executed by February. Ongoing technical and operational support meetings took place in Q4 and will continue to take place in the next quarter.

Narrative:

- OHCS executed five subrecipient agreements (4 Jackson, 1 Douglas), and issued one Notice of Award (1 Lincoln) during Q4.
- Environmental Reviews were completed for two Economic Revitalization projects and initiated for three infrastructure projects.
- One proposed infrastructure project in Douglas County was determined as ineligible for CDBG-DR funding; the project will be fully funded by FEMA Public Assistance and non-federal cost share by Business Oregon. The Douglas County PIER Project Selection Committee will select an alternate project for CDBG-DR funding.
- The Lane County PIER Project Selection Committee withdrew one project from consideration when the Committee did not support use CDBG-DR funding for the project's revised scope of work.
- OHCS continues to provide technical assistance for 15 selected PIER Projects with weekly check-ins with the five active subrecipients.
- Risk and Capacity Assessments were completed for all project lead organizations.
- Lane County agreed to be the subrecipient for six projects (3 Economic Revitalization, 3 infrastructure) since selected project lead organizations do not have capacity to administer fiscal requirements of CDBG-DR. Subrecipient agreement and Activity Delivery Costs are under consideration with Lane County.
- The first Jackson County PIER Advisory Committee was scheduled for January 29, 2025 to begin the process to solicit additional projects to fund with the remaining allocation of Jackson's PIER funds.
- The Marion/Linn Selection Committee continues to plan leveraging PIER funding with other grants before selecting projects in February 2025. OHCS continues to provide technical assistance to the Committee and supports their planning efforts to make the best use of PIER funds.
- The Clackamas County PIER Selection Committee has been composed and will have their first meeting for orientation and strategy on January 30, 2025.
- The PIER System of Record, Neighborhood, was implemented in Q4 with positive outcomes. Active and pending projects have been migrated, and five active subrecipient organization users were onboarded to the system and trained on submitting draw requests. First draw request completions anticipated early Q1 2025.
- In addition to the PIER Subrecipient Toolkit, an interactive public dashboard with program statistics, project information, and contract information is being finalized to be published in Q1 2025. A new web page for PIER was implemented with a new section to post public notices.

Activity Description:

The PIER program provides direct county allocations for local governments, non-profit organizations, school districts, public housing authorities, and other public or quasipublic entities in the eight most impacted counties to address the unmet infrastructure, planning, and economic revitalization needs that fall within their counties. This particular DRGR Activity is intended for OHCS to charge activity delivery costs for managing and overseeing the program. When PIER Activities are created and a cost allocation is determined, costs will be reallocated out of Admin to the PIER program.

Activity Description:

The Lincoln County Community Long-Term Recovery Group (LC LTRG) was created in response to the 2020 Otis Oregon wildfires. The Lincoln County Long Term Recovery Group (LC LTRG) coordinates resources and services to support the resilience of local residents impacted by disaster. Their goal is to be prepared to respond to any future disasters declared in Lincoln County.

This activity is for HARP outreach efforts to inform survivors about upcoming processes, help them prepare for the application process, etc. Primarily for UN applicants.

When OHCS determines the proposed accomplishments for this subrecipient, performance measures will be updated. Currently, OHCS has entered zero for for several anticipated measures. OHCS should be able to make updates once the HARP program is lauched and there is more information from the intake process.

Community Services Consortium1	\$892.85	\$892.85
Most Impacted and Distressed Expended	\$892.85	\$892.85

Activity Description:

Community Services Consortium helps people in Linn, Benton and Lincoln counties to access tools and resources to overcome poverty and build brighter and more stable futures. CSC is supported by federal, state, and local funds, as well as private grants and donations.

This activity is for HARP intake efforts to understand impacted residents’ unmet needs. They will help Applicants understand the Program, how to apply, gather additional information/documentation, and guide Applicants to resources that are not funded through HARP. Primarily for LMI applicants.

When OHCS determines the proposed accomplishments for this subrecipient, performance measures will be updated. Currently, OHCS has entered zero for for several anticipated measures. OHCS should be able to make updates once the HARP program is lauched and there is more information from the intake process.
