LIHWA PROGRAM

Intake Operations Manual

Introduction:

Oregon Housing and Community Services (OHCS) administers the LIHWA Program using two federal assistance funding sources: the Consolidated Appropriations Act (CAA) of 2021 and the American Rescue Plan Act (ARPA) of 2021. As the LIHWA Program is independent of other assistance programs, it has its own distinct application process.

The LIHWA Program Intake Operations Manual establishes operating policies and procedures that govern both funding sources. The purpose of this manual is to provide detailed information and instructions for the administration of the LIHWA Program. Please note that this manual is not a compilation of best practices or suggestions; the requirements contained within it are not optional.

The LIHWA Program provides household drinking water and/or sewage disposal services assistance to low-income Oregonians, especially households with the lowest incomes and the highest water burden in relation to income. The purpose of this program is to supplement drinking water and sewage disposal services costs.

Water assistance payments are provided on a first come first served basis to households receiving services from any eligible public drinking water and/or water treatment utility. Allowable expenditures include arrearages and current due rate charges. The target population are those households with the highest water burden. Priority is given to households with disconnected services, pending disconnection of services, and arrearages.

OHCS recognizes that flexibility is necessary to meet the unique needs of each community across our state. It is critical that assistance coordinators and staff balance the requirements of this manual with the innovation necessary to move low-income Oregonians toward water independence.

While the policies and procedures included in this manual are rules for determining eligibility, delivering benefits, and administering the program, it is impossible to anticipate and provide examples for all situations; therefore, water assistance coordinators and staff are encouraged to use reason and apply good judgment in making decisions when rare and unusual situations are encountered. Decision-making based on the best information available, common sense, program knowledge, experience, and expertise in a particular situation is sometimes referred to as the Prudent Person Principle. OHCS requests coordinators and staff to document the rationale used in decision-making along with any applicable manual references and policy interpretations.

This manual, which is adapted from the Energy Assistance Programs Operations Intake Manual, is a direct reflection of the years of collaboration between OHCS and volunteer representatives from the statewide network of energy assistance coordinators and intake staff, the Oregon Energy Coordinators Association (OECA), and discussions convened at the annual statewide energy assistance meetings.

Confidentiality

Confidentiality of client information is essential and must be assured by the agency. The Master Grant Agreement (MGA) between each agency and OHCS specifically addresses this responsibility. Please reference the current MGA for specific language.

Each agency must have in place policies and procedures to assure compliance with this grant requirement. Refer to local agency confidentiality forms and policies.

For the protection of applicants and recipients, you must not disclose or use the contents of records, files, papers, or communications for purposes other than those directly connected with the administration of water or energy programs, whether on or off duty.

Preparing for Intake Appointments or Application Submissions

If clients are contacted prior to application submission, the following sample questions may provide measures to identify initial eligibility and determine necessary documentation required by low-income applications:

Intake Manual

- In which county does the client live? (Must be in local service area.)
- Has the applicant received assistance before? (If possible, check history in OPUS or client files.)
- Does the client have a combined bill or separate billings for drinking water and sewage disposal services?
- Does the client pay a utility or a landlord for water and sewage disposal services?
- How many people reside in the household? How many adults? How many children?
- What are the sources and amounts of gross income for the household? (Except income earned by minors.)
- Is the household in a crisis? (*See section Four*)

All applicants should be prepared to provide the following information, except for those items indicated with an asterisk (*) when the LIHWA application is being approved through express enrollment using LIHEAP:

- *Social Security number(s) and birthdates for everyone in the household.
- *Identification for all adult members. (*See following section for examples of Identification Verification.*)
- *Income verification for **all** household members except for income **earned** by minors.
- Drinking water and sewage disposal utility/vendor bill(s), statement, invoice, or receipt (must be in the name of applicant or adult HH member). All households are required to bring both their drinking water and sewage disposal services bills (if separate), and account information for both must be updated in OPUS. (Intake worker may verify utility information if no bill is provided).
- Landlord/Renter Documentation (where applicable).

The applicant may need one or more of the additional forms to supplement their intake appointment or application submission. Please refer to your local agency form(s):

- Landlord/Renter Verification Forms.
- Declaration of Household Income Form (DHI) and/or other local agency form(s).
- Self-Employment Form.
- Other form(s) as determined by local agency policy.

Verification of Identification

At a minimum, all adult household members must provide proof of identity once per program year. Agencies are strongly encouraged to keep copies of identification documents.

Below are examples of documentation that can be provided to establish identity:

Driver's License

Passport

Intake Manual

Military Identification	State Identification/ Government issued identification
Birth Certificate	School Records/ID
Insurance Card	Tax Records
Insurance Records	DHS Printout
Court Documents	Utility Bills
Government Records	Pay Stub
Social Security Records	
Other paperwork identifying household member	

During the Application Review

Verifying and entering/updating all necessary information provided by the applicant helps to ensure that the household is eligible for water assistance, and that the intake worker has all documentation required to process the application and make a water assistance commitment.

During each intake, the intake worker should document the following information:

- Names, birthdates, and Social Security numbers for every household member. In cases where issues inhibit applicants from providing a social security number, OPUS will issue a unique client identification number (OPUS System ID) to assure non-duplication of services. When an OPUS system ID number is used, and the client meets the exception criteria, it must be noted in the client file which exception criteria have been met (*See exception criteria on page 1.5*). (*Confidential/sensitive information should never be entered into OPUS*)
- Contact information (phone number, mailing address, and physical address).
- Residence information (type of dwelling).
- Demographic information (intake workers must ask, however services will not be denied for refusal to provide information).
- Gross income documentation for all household members (may include Declaration of Household Income (DHI), Social Security calculator worksheet, and/or local agency forms).
- Vendor/account information (drinking water and sewage disposal services, either combined or separate).

Intake workers must include copies of all relevant documentation that the applicant provides to produce a finalized application (*See page 1.13 of Intake Manual for further explanation of documents required for a completed application*).

Intake Manual

Depending on local resources available to the client, intake workers should also provide additional information and contact numbers to the client during the intake appointment or process. This should include, but is not limited to, energy and weatherization assistance and education, case management, interagency services, and local community programs.

Avoiding Duplicate Applications

To avoid duplicate applications, client information must be entered into the OPUS database. If intake is conducted without electronic entry into OPUS at time of application, data must be entered into OPUS according to standards outlined in the agency's LIHWA Amendment to the Master Grant Agreement.

LIHWA Program Authorization Form

The following are general steps and information for completing either an OPUS intake or filling out a hard copy application.

1. **Authorization Number:** Preprinted or computer-generated number.
2. **Applicant's Legal Name:** Enter applicant's full legal name as listed on the most current documentation from the Social Security Administration (SSA) or state issued photo ID.
3. **Agency:** Enter the agency acronym or name.
4. **Program:** Select the program for the application.
5. **Household type:** Enter the household type.

Client Information Section (Begin with the applicant.)

6. **Legal Name:** Enter full legal name as listed on the most current documentation from the SSA or state issued photo ID, for each member of the household.
7. **Birthdate:** Enter date of birth for each household member (Month/Day/Year).
8. **SSN/SYSID:** Enter the social security number (SSN) issued by the SSA for each household member.

In those cases where circumstances prevent applicants from providing a social security number, OPUS will issue a unique client identification number to prevent duplication of services.

Links to:

- [The Social Security Administration](#) website
- SSA info about SSNs [here](#) and [here](#)

Note: A valid SSN will not begin with 000, 666, or 900-999.

9. **Social Security Number Code:** *(See SSN code on reverse side of the application.)* When an OPUS

system ID number is used and the client meets the exception criteria, it must be noted in the client file which exception criteria have been met. Examples of exceptions for not providing a social security number include:

- Unavailable to custodial guardian/parent
- Domestic Violence (DV) (any information regarding DV should only be documented in/on the paper file, **not** in OPUS)
- Children under the age of one
- Adult applying for SSN with letter of SSN application

10. Adult Identification Verified: Select if adult household members' identification has been verified and documented. If adult ID has *not* been verified and documented, the household member's income will be counted but the member will not be counted towards the benefit matrix.

*Client Demographics Section - ALL DEMOGRAPHIC DATA **MUST BE REQUESTED FOR EACH HOUSEHOLD MEMBER** (However, services will not be denied for refusal to provide demographic information).*

11. Language: Enter the applicable language acronym for each household member.

12. Gender: Enter gender code.

13. Ethnicity: Enter ethnicity code.

14. Race: Enter the applicable race(s) acronym for each household member (select all that apply).

15. Oregon Tribes: Enter Oregon Tribes code.

16. Education: Enter the acronym of the highest level of education completed for all Household Members.

17. Disability: Enter disability code.

18. Veteran: Enter veteran code.

19. Homebound: Enter homebound code.

20. Non-Cash Benefits: Enter the non-cash benefit(s) code, select all non-cash benefits that apply.

21. Phone: Enter a primary telephone number for the household. When available enter secondary phone number(s).

22. Mailing Address: Enter the household's mailing address, if separate from the physical address.

23. Physical Address: Enter the household's physical address, which should match the service address on the utility bill/vendor receipt. ***Changes to OPUS should not occur for minor discrepancies in the address format between utilities (i.e., 1234 W Main St versus 1234 Main St W).***

- 24. Dwelling Type:** Enter the correct dwelling type.
- 25. Residence Status:** Enter the correct residence type.
- 26. Energy Sources:** Enter the heat/energy source type. (*This does not apply for the LIHWA Program*).
- 27. Income Source/Income Reported:** Insert letter(s) that correspond(s) to the client(s) who receives income. Enter specific income source.
- 28. Income Type:** Enter income type code.
- 29. Income Verification:** Enter income verification code.

Required documentation may vary across agencies. Staff should verify guidelines and policies with their local assistance coordinator.

- 30. Comments:** Enter any comments related to payment details. All special circumstances must be documented.
- 31. Calculating Income:** Determination of income is based on all household income ***before any deductions*** (this is known as **gross income**). (*See “What Is Income and What Is Not Income” chart in Section Two.*)

Income must be calculated/entered exactly; do not round up or down, do not project or average income.

Income must be calculated using data from one of the following three time periods: one (1) month, three (3) months, or twelve (12) months. Within a household, if using monthly income, you must consistently use either one (1) calendar month or previous thirty (30) days. Count past income, do not project forward.

These time periods also apply to applicants who are self-employed.

Amount: Household income must be documented and verified. If the household has more than one income source, list each source individually and total the income in the Annual Amount column. Income documents must be addressed with a household member with either a name or social security number.

Frequency: At a minimum, verification must be collected for at least one consecutive month or 30 days of income but may be collected for the quarter or year.

Income verification timelines may vary across agencies. Staff should verify policies and procedures with their local agency.

Annual amount: Total calculated income for the year (i.e., monthly amount multiplied by twelve (12) for annual income, quarterly amount multiplied by four (4) for annual income).

NOTE: Income that exchanges hands within a household is not counted.

Income certification: Household income must be certified at the time of intake. This certification is considered valid for a maximum of 60 days, but agencies may elect to recertify at a shorter interval. The exception to this requirement is if the intake worker is using a LIHEAP payment made for the same household in the same program year for express enrollment into the LIHWA Program. ***Express enrollment may be completed using either a LIHEAP22 or LIHEAP22-ARPA payment, as these income and eligibility guidelines are identical. Include an OPUS household view or payment view screenshot with the application.*** Certification timelines must be consistent for all households, and all completed file requirements (as outlined on page 1.13) must be followed.

32. Program Payment Type: Circle the correct payment type out of the following options:

- Regular (Standard)
- Crisis
- Combo

33. Account Status: Circle the utility account status at the time of application.

Please note: The “Disconnected” option should only be used when utility service is actually disconnected.

- Current
- Past Due
- Shutoff 1-5 days
- Shutoff 0-24 hours
- Disconnected

34. Energy Education: Select the appropriate response.

35. Intake Date:

- **In-person interview:** This is the date the interview process takes place.
- **Mailouts:** This is the date the application is received and or completed by the local agency.

36. Matrix Energy Type: Enter the type of energy used to process the payment based on the selected matrix. (Not applicable to LIHWA)

37. Referral to Weatherization: Check box if applicant is referred to Weatherization.

38. Referral to Non-Energy Service: Check box if applicant is referred for Non-Energy Service (examples include prescription assistance, rental assistance, food box, etc.).

39. Energy Advocacy: Check box if applicant is provided Advocacy for water and sewage disposal services (examples include assisting with payment plan, arrearage forgiveness, medical certification).

40. Total Annual Income: Fill in the annual income amount from the calculation.

41. Vendor/Utility: List each vendor/utility separately.

42. Account Number: Account number on the most recent vendor/utility bill or contact made. If a standardized account number is not utilized by utility/vendor, at a minimum, a client name must be listed in lieu of account number. *Leaving the account number box blank is not acceptable.*

43. Name on Account: The utility/vendor account holder must be the applicant or an adult member of the household. In the case where the applicant pays the landlord for water and sewage disposal services, the account holder name should reflect as such, notes must indicate that the account holder is the landlord and who the payment should credit, and the landlord authorization form must be on file.

Every effort should be made to place the applicant or an adult household member on the utility bill/account. In cases where this is not feasible, justification must be well documented. Examples include:

Intake Manual

- Domestic Violence (DV)/Safety Concerns (any information regarding DV should only be documented in/on the paper file, *not* in OPUS)
- Military Deployment of the Account Holder
- “Payee” or “Power of Attorney” Arrangement
- Incarcerated Account Holder

44. Account Status: Enter the status of the account for each account.

45. Authorized Amount: The water assistance benefit amount for the household, based on the specific household’s need.

46. Vendor Amount: The benefit amount committed and paid to each vendor.

47. Payment Comment Box: This section must be used to describe special circumstances. This includes, but is not limited to:

- Reason for denial or void
- Justification for Crisis Payment
- Justification for Crisis Benefit Amount (*particularly when the benefit exceeds documented need or may result in a credit on a utility/vendor account*).

48. Program Type: Select the appropriate program type.

49. Approved/Denied: Mark approved or denied box.

50. Signatures: The applicant signs and dates the application after they have reviewed the information and have read the current program applicant disclaimer and release (see current year applicant disclaimer and release below). The intake worker then signs and dates the application; a copy of the application must be provided to the client upon request.

In those circumstances, where obtaining a traditional, original signature is not possible or presents an undue hardship for the client, the intake worker may accept an emailed, faxed, or otherwise electronically transmitted document in lieu of a hardcopy signature. The intake worker may also be permitted to read the LIHWA Program disclaimer to the client over the phone and document a verbal agreement in lieu of a signature. The document(s) must be printed and either stamped or marked as “Original” and a notation made in the client file as to the substitution of an original signature.

APPLICANT DISCLAIMER AND RELEASE:

I understand that these programs are voluntary; if I choose to apply for assistance I must provide all required information. During the Application processing I may be asked for more information in order to determine my eligibility.

I understand that the information I provide to complete this application will be used to determine and verify my eligibility for water services and for the purposes of referral, research, evaluation, and analysis. I understand that if I feel my application was unjustly denied or not processed in a timely manner, I may be entitled to a fair hearing if requested within 30 days of the completion date of the application or date of denial. Any such request for a hearing must be in writing and delivered or mailed to the service provider. In addition to any appeal rights from such hearing granted by the service provider, I may contact the Oregon Housing and Community Services Department (OHCS) within 30 days of the hearing decision to request that OHCS review the hearing decision for material deficiencies. The request for OHCS review must be in writing and delivered by email to energyservices@oregon.gov or mailed to 725 Summer St NE Suite B, Salem OR 9301. Review by OHCS, and the manner thereof, is at the sole discretion of OHCS.

I declare, under penalty of perjury, that the information I provided to complete this application is true and correct and that any funds received by me will be used solely for the purpose of paying my energy costs.

My signature gives consent for other offices of the state and federal governments, their designated subcontractors, and the utility(ies) or home energy supplier(s) identified in this application to share information related to my application including information about my account(s) including, but not limited to, account number, account name, service address, annual usage or consumption, and annual costs. I agree to hold harmless and/or release such organizations from and against any claims, losses, demands, damages, or liability of any kind caused by or allegedly caused by such disclosure.

I authorize my utility and/or my fuel suppliers/vendors to release my account information to OHCS and to the service provider for the purposes of providing water services for the current program year (10/1 to 9/30). I am the 50 holder or the customer's authorized agent for the utility, fuel supplier, and/or fuel vendor service account(s) identified in this application.

Distribution of Authorization Copies

Once the applicant and intake worker have signed the assistance application, the authorization form is now complete and ready to be turned in for approval, data entry and payment. Intake and application processes may vary across agencies; staff should verify policies and procedures with their local assistance coordinator.

The Original document must be maintained for agency records and should also be the document used for data entry. After the information from the form is entered into OPUS, it should be kept as part of an official agency file. It is not necessary to maintain separate number and alpha files. All official program files must comply with standard records management principals. There must be a date recorded on all authorizations for audit purposes.

The Original document should be kept in the sub-grantee or sub-recipient's official program files. All documentation used to establish household eligibility must be attached. The file should contain all copies of correspondence pertaining to the application and should be considered as the official program file.

Upon request, the Client Copy must be given to the client to retain for future reference.

In accordance with the Federal LIHWA Program Statute, the Oregon LIHWA Program State Plan indicates that: *"Households are notified regarding the amount of assistance committed at the time of their intake. Applicants who apply by mail will receive a notice by mail or may be notified by telephone."*

Each agency must have a process in place to assure compliance with this program guideline. Staff should verify policies and procedures with their local agency.

Completed Files

A completed file **must have** the following:

- File is defined as an original application with all supporting documentation for a single payment, from a single funding source including original signatures. "Signature-on-file" is not acceptable.
 - The completed application and OPUS must match.
1. The file must contain one of the following with all required signatures and dates in addition to current year disclaimer:
 - Local Application
 - OHCS Authorization Form
 - OPUS Authorization Form

Local applications and/or OPUS Authorization Forms must be signed and dated by the applicant, the

intake worker, data entry worker if applicable and an authorizing agency representative. If a non-household member is signing the application/OPUS Authorization Form, a Power of Attorney form or a “permission to sign” form, with a justification must be included in the file.

An intake worker is generally defined as the person who gathers information, conducts the interview with the applicant via phone, mail, or in person and determines eligibility.

A data entry signature is required from the person who enters the application information into OPUS. If the same person is completing the intake and the data entry, an intake signature alone is sufficient.

An authorizing agency representative is generally defined as the person who reviews the application for accuracy and signs the application for processing.

For internal control purposes, the person completing the intake and the person authorizing the file (and their corresponding signatures) may not be the same.

For monitoring and quality assurance purposes, all applications must be reviewed for accuracy and contain an authorizing signature prior to being authorized in OPUS.

In addition to the things listed above, all pages of the intake report/application must have matching dates and times.

2. OPUS screenshot of LIHEAP22 or LIHEAP22-ARPA payment or copy of the application if income qualification provided through express enrollment.
3. Justification for crisis or combo payments as described in *Section Four*.
4. Contact with utilities/vendors must be documented and included in the client file. If contact is made by phone or through utility portal, the following information must be included on a *Utility Verification Form*; a printout of the client’s information obtained via a utility portal may be used in place of a utility verification form.
 - Name(s) of utilities/vendors
 - Person(s) contacted (if verifying via a log-in required utility portal, make note)
 - Date(s) of contact
 - Utility/vendor account number(s)
 - Verification of name and address on account(s)
 - Landlord Authorization Form
 - Account balance
 - Signature of agency representative completing form (clients may not fill out the Utility Verification Form for themselves, it must be done by agency staff)

5. Income documentation for all household members, excluding income earned by minors. This could include, but is not limited to:
 - Wage Slips
 - Employer Statement
 - Official State and/or Court documents
 - Benefit Verification Letters
 - Self-employment form
 - Bank Statements

If any adult member(s) of the household do not have income, this must be accounted for on a Declaration of Household Income form (DHI). *The Food Stamps screen should only be used as last resort for income verification and is only accepted as a last resort for limited types of income.*

6. Proof of all household members' Social Security numbers and copies of all adult ID.
7. Copy of all correspondence/documentation such as:
 - Notice of Action (NOA)

A NOA is required when an application is pended or when a benefit amount changes. A NOA may be required by the local agency for other changes or modifications.
 - Declaration of Household Income Form (DHI) and/or other local agency form(s)
 - Self-Employment Form
 - General Release of Information Form
 - Subsidy Verification– verification is only required if the household is not receiving a utility allowance (see LIHWA Coordinator for specific recommendations).

Please Note:

- Any local forms with signature lines must be signed (see page 1.10).
- Additional file/documentation may be required by agency. Staff should verify policies and guidelines with their local energy assistance coordinator.
- If changes are made to the client record/payment in OPUS after the initial intake, the household must be “re-qualified” in the OPUS system for these changes to be reflected.

Pending Applications

Applications that need additional eligibility verification may be placed in a pending file or placed on “Hold” in OPUS. Applicants should be informed that it is their responsibility to provide the additional information promptly.

Pending applications or applications on Hold must be held a minimum of fifteen (15) calendar days and a “Notice of Action” (NOA) containing the following information must be provided to the applicant:

- Reason the application has been pended
- Information needed to complete the application
- Date by which the information is to be provided
- Result if information is not received by deadline (including denial of application)

Applicants may be denied after the appropriate pending period as detailed above.

Denied Applications

An application is **denied** if the applicant fails to meet program eligibility requirements at the time of application.

Applicants must be provided a copy of the application, or a notice of action which outlines the reason for their denial. For households whose applications were pended then denied due to non-completion, the original pending notice (see above section, Pending Applications) is sufficient notice of denial.

All notices of denial (including pending notices) must include information regarding fair hearings. Any individual whose claim for LIHWA assistance is denied, or not processed with reasonable promptness, is entitled to ask for a fair hearing at the local agency level. The reason for denial must be documented.

All denied applications must be kept on file and have an intake and authorizing signature. Unless a client refuses, a client signature is required on all denied applications. If refused, please note “Refused” in place of the client signature.

Clients may contact Oregon Housing and Community Services (OHCS) within 30 days of the hearing decision to request that OHCS review the hearing decision for material deficiencies. The request for OHCS review must be in writing and delivered or mailed to OHCS at 725 Summer St NE Suite B, Salem OR 97301, or by email to HCS.WaterAssistance@hcs.oregon.gov. Review by OHCS, and the manner thereof, is at the sole discretion of OHCS.

Voided Applications

An application is **voided** when it is found to be in error or when it is withdrawn by the applicant after it has been signed by an intake worker but not batched in OPUS. Applications already batched in OPUS can only be voided by OHCS.

Voided applications do not need to be printed but the reason for voiding an application must be documented in OPUS.

Data Entry of Forms

Accurate data entry is very important. Data entry errors can lead to duplicate or denied applications. Inaccurate entry of address or account number(s) could result in checks being mailed to the wrong address or applied to the wrong account.

Unusual Eligibility Situations

The following section provides some basic guidance regarding eligibility determination in unusual situations. This information is not intended to be comprehensive, and discretion should be used in circumstances that do not fall neatly into the categories listed below.

- **Dwellings with a Shared Meter:** Many applicants reside in a dwelling that utilizes a single or master meter. These may include, but are not limited to:
 - a) **Multifamily Complexes and Manufactured/Mobile Home Parks:** Multifamily properties or manufactured/mobile home parks that have one water/sewer meter supplying more than one residential unit. Typically, the property/park owner or landlord is the utility account holder. A landlord authorization form must be on file.
 - b) **Roomer/Boarder:** A roomer/boarder is a person who rents a room from the building owner. A roomer/boarder does not have a separate site address from other occupants of the building and independently provides the necessities of life (e.g., food, living costs). A roomer in a single-family structure must verify he or she is not part of the economic unit of the other tenants of the structure (e.g., rental agreement). Typically, the single-family structure owner is the utility account holder. A landlord authorization form must be on file.
 - c) **Co-Habitants/Roommates:** Persons living in a housing arrangement with their own room, sharing common spaces (such as kitchens, living rooms, TV rooms, recreation rooms), and sharing the costs of the necessities of life are generally *not* considered roomers. Persons sharing common spaces are part of a household with other members and eligibility must be assessed for the whole group as an economic unit (household).
 - d) **Neighbors/Land Sharing:** Applicants who obtain their water/sewer from a neighboring residence are not eligible to receive LIHWA for their water/sewage disposal services costs. However, they may apply as part of the neighboring household.
 - e) **Hotels/Motels:** Applicants may be eligible for LIHWA if they have resided in a hotel/motel for 30+ days **OR** if they are paying a “rental” (long-term) rate. Applicant is responsible for verifying length of stay and/or special rate. A landlord authorization form must be on file.
 - f) **Group Homes:** The Income of all residents must be considered in determining eligibility. “Group Home” examples may include Adult Foster Care, Oxford Houses or Homes for Adults with Developmental Disabilities. Group homes administered under a contract with or administered by a government unit are considered an “institution” and are *not* eligible to receive LIHWA services (e.g., most nursing home facilities).

- g) **Institutions:** Applicants living in institutions are *not* eligible to apply for water assistance. Institutions include, but are not limited to correctional facilities, nursing homes, alcohol/drug rehabilitation centers, treatment programs, dormitories, fraternities, sororities, domestic violence shelters and homeless shelters.
- **Commercial Utility Account:** Applicants with a commercial utility account are *not* eligible to receive water assistance.
 - **Non-Public or Non-Residential Utility Account:** Applicants with a utility account that is not public or not residentially based are *not* eligible to receive water assistance.
 - **Companion/Attendant/Caregiver (C/A):** Some applicants may have someone living with them who provide health/supportive services. If the caregiver lives with the applicant and that is their only residence, they will be counted as part of the household and their income will be included. If the caregiver provides documentation that they have their own residence, they will not be included as part of the household and income will not be included. If the live-in caregiver is paid solely by the applicant and no other money is paid from outside of the household the income of the caregiver will not be counted as income. If the live-in caregiver is paid from a source outside of the residence that amount shall be counted as income.
 - **Household Separation:** If a previously served household separates, none of the adults may receive another standard payment. Each new household *may* still be eligible for a crisis payment.
 - **Counting Children in more than one household:** Children can be counted in more than one household based on local agency decision and policy. Both households may qualify for a standard payment.
 - **Agency Staff as Applicants:** Eligible agency staff may apply for LIHWA assistance. Employee applications must be approved and signed by the Executive Director or their designee. **A list of agency staff receiving LIHWA must be retained for auditing purposes and supplied to OHCS upon request.**
 - **Family and Friends as Applicants:** Eligible family members and friends may apply for LIHWA assistance; however, a staff person other than a family member or friend should conduct the interview. In agencies where it is otherwise not possible to meet these criteria, the staff person ***must*** record the relationship in OPUS **and** on the application. **All** applications of family and friends must be approved and signed by the agency Executive Director or their designee. (When friends or family members are assisted at the agency, a list of those served and the relationship must be retained for auditing purposes and supplied to OHCS upon request).

Please note that these are minimum requirements, and that the definition of “friend” is not always clear. For further guidance staff should verify policies and procedures with their local agency.

- **Tribal Members:** Prior to receiving LIHWA assistance, agency staff must verify if a member of the eligible household has received LIHWA assistance from his or her tribe. If the household has received LIHWA assistance from their tribe, they would only be eligible to receive a LIHWA Crisis payment (assuming they

meet the crisis criteria for each agency). Please work with the OPUS HelpDesk to edit payments as necessary to reflect crisis assistance after initial tribal assistance has been received.

Any deviation from these policies must be approved by the State LIHWA Coordinator within local agency work plans.

Fraud and Identity Theft

Fraud and Determination of Fraud

Fraud can involve applicants, employees, or vendors. In all cases of actual or suspected fraud the sub-grantee shall take necessary action to recover the funds and must inform OHCS. Fraud occurs when a household or business takes any of the following actions knowingly, willfully, and with deceitful intent by:

- Making false statements, or knowingly assisting applicants to make a false statement(s) to the agency or its agent(s), either orally or in writing, to receive benefits, services, or payments, for which the household/business are not eligible
- Concealing information that would change or disallow benefits for the household
- Violating provisions set forth in the program regulations, vendor contracts, or other documents pertaining to LIHWA

Identity Theft

OHCS is committed to mitigating identity theft amongst low-income Oregonians who receive LIHWA funding. In addition to protecting the privacy and confidentiality of applicants, agencies should also be making efforts to ensure that day-to-day program practices guard against identity theft.

Some households may self-report establishing accounts in other household members' names to avoid large arrearages or maintain utility service. In these situations, agencies are advised to work with the applicant, utility and OHCS to re-establish an account in the proper name including arranging for additional water assistance and/or alternative payment options if necessary.

Recovery of Ineligible Assistance

The local agency is responsible for recovering duplicate payments, overpayments, and forgeries. Agencies should first determine if the ineligible assistance is due to agency error, or applicant error. *If assistance has been provided due to agency error, the agency is responsible for repayment and/or recovery of ineligible benefits.*

If ineligible benefits are due to applicant error or fraud, agencies should follow the recovery procedure as outlined below:

Notify the vendor with information about the problem, and request return of the funds. If entire amount is returned from the vendor, the case is closed.

If funds have already been applied to the applicant's account by the vendor, the applicant is responsible for repaying the full benefit amount to the local agency. Send a certified letter to the applicant requesting reimbursement and providing a specific date for response. If fraud is suspected, include the fact that no response to the letter will result in the case being turned over to appropriate authorities for fraud investigation.

1. Send a copy to OHCS and keep all related documents in applicant file. The applicant's Authorization Number must appear on all correspondence.
2. If there is no response within thirty days from initial applicant contact, send a second letter to the applicant by certified mail, return receipt requested, with a copy to OHCS. This letter shall state that the matter is being turned over to OHCS, as of a specific date (use seven days from date certified letter was received), for fraud investigation.

All cases of actual or potential fraud must be reported to the state LIHWA Program Coordinator at OHCS. Additionally, all attempts to recover energy assistance funds by an agency must be reported *in writing* to OHCS.

Should the applicant not complete their obligation to repay all ineligible funds received, notify OHCS.

Declaration of Household Income (DHI)

Each household applying for assistance must provide documentation of income. Household members claiming no income or irregular income must sign a DHI).

This form must be used for the following circumstances:

- A household member has no income
- A household member whose irregular income is the result of occasional work such as mowing lawns, childcare, donating blood, collecting cans/bottles, or a household whose income is from an informal child support agreement
- Regular cash gifts-gifts given *three consecutive months or more* will be counted as income

At a minimum the form must contain:

- Applicant's name
- Name of adult HH member(s) claiming zero or irregular income
- Amount and type of income (if applicable)
- The month/time period for which information is being collected
- A brief description of how basic needs (shelter, utilities, food) is being met
- A statement certifying accuracy of information
- An applicant's signature and the date signed

Multiple members of the household may be listed on one (DHI) form and/or other local agency form(s)—and the applicant may sign the form for all household members.

Intake Manual

Local agencies may require applicants and/or households claiming zero income to submit additional information. Staff should verify policies and procedures with their local agency.

Self-Employed Clients

For applicants who are Self-Employed, income should be based upon the adjusted gross income remaining after the cost of doing business. Business expenses include all costs necessary to maintain the business.

Previous year's losses or expenses are not allowed to be carried forward.

All self-employed applicants (including those landlords who own rental properties) should complete the self-employment form.

Additional supporting documentation may be required at the local level. Staff should verify policies and procedures with their local agency.

SECTION TWO: INCOME

This Section contains:

- ✓ [Income and Income Exclusion Chart](#)
- ✓ [Proof of Income](#)
- ✓ [What Is Not Income](#)
- ✓ [Private Disability Insurance and Gross Income](#)
- ✓ [Social Security Retirement Calculator](#)

Income Definition and Determining Income Eligibility

To be eligible for assistance, a household's gross income (total household income from all sources before any deductions) must be within the income guidelines provided by OHCS for each program year (*See Section Five*).

Eligibility for LIHWA is based on the following:

- All household income before any deductions (*gross income*).
- Number of household members.

Households must provide documentation of their gross income for the eligibility period determined by their local agency (in compliance with the timelines expressed in this manual). Declaration of household income (DHI) forms must be used for the households or household members claiming zero income (local agencies may require that applicants and/or households claiming zero income to submit additional information).

Please Note:

- **Income that exchanges hands within a household is not counted.**

Example: Bill lives with Mary and pays her cash for rent; the money he gives her would not be counted as income for Mary.

- **If the name listed on the income documents differs from the legal name(s), the reason must be documented in the comment section. All income documents must have the client's name on them, or be linked to a specific client in some form (SSN#, etc.)**

Title I of the Workforce Investment Act of 1998 (WIA): Supportive services to participants. Supportive services include assistance that enables people to participate in the program, e.g., transportation, health care, childcare, handicapped assistance, meals, temporary shelter, counseling, and other reasonable expenses or participation in the program. Exclude all WIA-supported income received by dependent household members who are 18 years old or younger or attending school K-12.

- **Indian Per Capita Judgment Payments** – Payments made to any tribe or group whose trust relationship with the Federal Government has been terminated and for which Legislation in effect before October 12, 1973, authorized the disposition of its judgment funds.
- **In-kind Income** – Food or rent received in lieu of wages.
- **Job Related Expenses for Non Self-Employed Applicants** – Business expenses comparable to self-employment, such as a salesperson, truck driver, cab driver, or mechanic.
- **Job Related Reimbursements** – Job related expenses such as mileage, meals, uniforms, medical expenses, etc.
- **Lump Sum: Non-recurring** – Income considered of a nature not likely to occur or happen again (i.e., lump sum insurance settlements; workers compensation settlements; lottery winnings; sale of property, house, or car; etc.).
- **Rebates and Refunds** – Income tax refunds, Property tax refunds, renters’ refunds, security deposits of utilities and rentals.
- **Reverse Mortgage** – A mortgage in which a homeowner, usually an elderly or retired person, borrows money in the form of annual payments which are charged against the equity of the home.
- **Senior Companion Program** – A program which offers an opportunity for volunteers aged 60 and over to provide companionship and support to homebound adults, most of whom are also seniors.
- **SNAP** – Supplemental Nutrition Assistance Program – Formerly known as Food Stamps. Assistance given under a federal entitlement program to eligible persons for food at designated grocery stores or markets.
- **Student Aid** (see Work Study) – The full amount of all financial assistance paid directly to the student or to the educational institution. This includes scholarships, grants, or loans.
- **Temporary Assistance for Needy Families (TANF)** – Assistance for working families. **Note: this is different from LIHEAP, as TANF is countable income for LIHEAP.**
- **WIC** – Benefits from the Women, Infant, and Children (WIC) Nutrition Program, Child Nutrition Act.

Private Disability Insurance and Gross Income

Gross income is defined on page 2.1 and 7.6 of this manual as “total household income from all sources before any deductions.

An exception to this definition is with regard to certain private disability insurance payments. While the terminology and the format of the document(s) will vary between insurance companies, if we count the gross amount from the insurance company and we also count the Social Security benefit, we may be counting the Social Security benefit twice.

In some insurance documents the maximum amount the client can receive may be referred to as the “*gross amount*” or “*gross benefit*” or “*total benefit.*” There may also be a deduction for a Social Security amount referred to as an “*offset*” or “*deduction*” and then an “*adjusted net*” or “*net benefit amount.*”

In these specific cases, the only way to get the correct gross income amount may be to use what is often referred to as the “net” amount by some insurance companies. However, clear documentation is essential in determining accurate income for the household. It is also important to note that the amount of the “offset” or “deduction” in the insurance documents must match the amount in the SSA benefit verification letter.

The examples below were taken from actual client files:

Example A

Client A receives a gross monthly benefit of \$1,166.39, less a Social Security offset in the amount of \$847.00 resulting in a net monthly benefit of \$319.39. Client A also presents a benefit verification letter from the Social Security Administration showing a benefit of \$847.00.

Under the current policy, we would use the gross amount of \$1,166.39 and add the SS income of \$847.00 for a total gross income amount of \$2,013.39.

In this case however, the maximum the client will ever receive from both sources is \$1,166.39. This is the amount that should be used to calculate the appropriate energy assistance benefit.

Example B

The disability insurance benefit for Client B is determined as follows:

\$1,786.15 (Gross Monthly Benefit)
-\$825.00 (Deduction for Social Security Disability)
-\$414.00 (Deduction for Dependent Social Security Disability)
+\$162.18 (Cost of Living Adjustment)
=\$709.33 (Monthly Benefit Paid)

In this example and under the current policy, we would add the gross amount of \$1,786.15 and the \$162.18 Cost of Living Adjustment (COLA) for a total of \$1,948.33. Because we also have Social Security benefit verification

Intake Manual

letters, we would add the Social Security benefits of \$825.00 and \$414.00 for a total gross income from both sources of \$3,187.33.

Here again, the maximum the client will ever receive from both sources is \$1,948.33 (\$1,786.15 + \$162.18). This is the amount that should be used to calculate the appropriate energy assistance benefit.

Calculator for Social Security Retirement Benefits

- This calculator is for use only between the timeframe of December and January when:
 - An applicant does not have a current Benefit Verification Letter AND
 - It would be an unreasonable hardship to obtain a current Benefit Verification Letter AND
 - [My Social Security](#) is not an option AND
 - The automated SSA telephone system 800-772-1213 is also not an option.
- SSA Cost of Living (COLA) information for the next calendar year is generally released in October.
- COLA increases take effect on January 1 for both Social Security Retirement and SSI recipients. If the applicant's current benefit amount (January 1 through December 31) is known and the amount of the COLA increase is known, the previous calendar year monthly benefit amount can be estimated.
- Benefit Verification Letters were generally released in January but are now available electronically in December.
- The calculator may not be used in two consecutive years for any client.
- If the calculator is used, a copy of the calculator must be printed and included in the client file in addition to whichever benefit verification letter was provided by the client. In OPUS, the income verification drop-down box must show that the calculator was used and must also include a brief description as to why it was necessary.
- Use of this calculator is optional. However, if an agency decides to use it, the calculator must be used consistently for all clients in similar circumstances.

*Month-by-Month Examples:***October – November**

Ideally, the Benefit Verification Letter from the previous *program* year would be available from the client file from that year.

December – January

Now that SSA is moving away from mailing Benefit Verification Letters, it may be more likely that a client may come in with a letter for the *new* calendar year, effective in January, when documentation is needed for either November or December. If the letter used for the previous *program year* is not available or accessible from the old client file, the calculator may be used.

For the current SSA calculator, see the [OHCS Service Provider](#) webpage, under "Program Manuals & Guidance." An example of the SSA calculator is shown below:

Social Security Income Calculation Worksheet

Social Security Retirement & Supplemental Security Income (SSI) recipients received a cost of living increase of 2.8% for Calendar Year 2019. The standard 2019 Medicare Part B premium is \$135.50 for 2019.

Social Security Retirement

To calculate 2019 (prior year) Social Security income amount from a 2020 benefit verification letter:

1	ENTER the Social Security benefit amount for 2020, minus the medicare premium.	a.		A bank statement may not be used because it will not show other deductions.
2	If the 2020 benefit verification letter shows something other than the standard Medicare Part B amount and/or other deductions are shown, put the total amount in b. The standard Medicare Part B premium for 2020 will be announced in October of 2019. The 2019 deduction was \$135.50.	b.		
3	CALCULATION: Adds lines a and b (Results in estimated 2020 gross benefit).	c.	\$ -	
4	Cost of living adjustment (COLA) factor <COLA % increase/100>=1=factor entered>	d.	2.8%	
5	Divide line d by line c. The result is the estimated monthly gross 2019 income.	e.	\$ -	← Estimated monthly gross is what we'd need to use for reporting (as well as income eligibility).

To calculate 2020 Social Security income amount from a 2019 benefit verification letter:

1	ENTER the Social Security benefit amount for 2019, minus the medicare premium.	a.		A bank statement may not be used because it will not show other deductions.
2	The standard 2019 Medicare Part B premium is \$135.50. If 2019 benefit verification letter shows something other than the standard Medicare Part B amount and/or other deductions are shown, put the total amount in b. The standard 2020 Medicare Part B premium is \$xxx.xx	b.		
3	CALCULATION: Adds lines a and b (Results in estimated 2019 gross benefit).	c.	\$ -	
4	2020 Cost of Living Adjustment (COLA) factor <COLA % increase/100>=1=factor entered>	d.	1	
5	This is the estimated monthly gross 2020 income.	e.	\$ -	← Estimated monthly gross is what we will use for income eligibility, reporting, and determining energy burden.

This estimated gross income calculator may only be used in December and January when:

- An applicant does not have a current Benefit Verification Letter AND
- It would be an unreasonable hardship to obtain a current Benefit Verification Letter AND
- [My Social Security](https://www.ssa.gov/myaccount/) (https://www.ssa.gov/myaccount/) is not an option AND
- The automated SSA telephone system **800-772-1213** is also not an option.

SECTION THREE: PAYMENT TYPES

This Section contains:

- ✓ [Allowable Costs](#)
- ✓ [Determining Payment Amounts](#)
- ✓ [Payment Types:](#)
 - Regular/Standard*
 - Crisis*
 - Combo*

Allowable Costs

The purpose of the LIHWA Program is to pay off all arrearages of drinking water and/or sewage disposal services costs. Eligible costs are those related to water and/or sewage disposal services. Examples of these include the following:

Water base, use, and volume charges	Sewer base, use, and volume charges
Stormwater base, use, and volume charges	Disconnection and reconnection fees
Late and delinquent account fees	Residential backflow prevention fees
Administration fee specific for water, sewer, and stormwater	Utility user tax
Portland Harbor Superfund	Same day service and after-hours fees
Regional and local service fees related to utilities (i.e., water boards, etc.)	Water, sewer, and stormwater bonds

Ineligible costs are those incurred for other services or unrelated costs. Examples of these include the following:

Franchise fees	Streetlight fee
City operations fee	Fees and charges related to meter tampering
Charges, fees, or bonds for electricity, heat, or garbage	Charges, fees, or bonds for police or fire services
Irrigation fee or charges	Road construction or maintenance fees
Returned check fee	Fees and charges related to damaged meters (related to household cause)

Please see the [LIHWA website](#) for a living list of eligible and ineligible costs. Those ineligible costs related to infrastructure—those costs necessary to reinstate service or stop an ongoing leak—may be covered with CSBG or another allowable fund, but LIHWA funds may not be used to cover these costs.

Determining Payment Amounts

Agencies must determine the total account balance(s) for drinking water and/or sewage disposal services to determine the type of payment. *When households have separate vendors that provide drinking water and sewer disposal services, agencies are highly recommended to process a single LIHWA payment for both services at one time to alleviate the risk of unnecessarily using a crisis payment for the second vendor later.* Agencies may elect to apply a **stabilizing payment** in the amount of the household's average monthly eligible charges (the typical or usual monthly amount) if it is consistently applied with all households. All households may be eligible for this credit except for households with a zero (\$0) balance; in these cases, the household is eligible for the \$100 minimum standard payment.

Agencies may only commit payments to utilities in the amount of *total eligible costs*, including the optional stabilizing payment. Clients will be responsible for any remaining ineligible costs. Utilities may require account payment in full to avert disconnections or reconnect client accounts. Agencies must develop internal policies regarding client advocacy to ensure continuity of services.

Payment Types

The following are the different types of payments for water assistance and their definitions:

- **Regular/Standard Payment** – The standard water assistance payment has a floor (minimum) of \$100 and a ceiling (maximum) of \$1,000, determined by the individual household's utility bill need. Households who receive a regular payment are not required to have a past due or shut-off notice.

Households may only receive one LIHWA standard payment (regardless from which funding source) with the LIHWA funds allocated during Program Year 2022. If these LIHWA funds are available into Program Year 2023, households who have already received a LIHWA standard payment will be considered ineligible for a new standard payment.

For multifamily properties/parks: The agency must obtain a signed Landlord Authorization Form and verify an arrearage at the utility prior to qualifying the household units at the property/park. The agency may award LIHWA payments upon arrearages based on the proportionate share of eligible household units to total property/park units (i.e.: 5 units for a 20-unit property results in 25% of the arrearages paid). Properties/parks in the OHCS affordable housing portfolio are not subject to the proportion share rule; eligible household units qualify for 100% of the arrearages paid. Payments to each eligible household must reflect an equal proportion of the total eligible arrearages (i.e.: \$5,000 of arrearages for 10 qualified household units results in \$500 LIHWA payments to each household).

- **Crisis Payment** – A payment with the same floor to ceiling range as the regular/standard payment, based on actual need, may be paid to help alleviate an existing crisis. Households must have received a Regular

Payment prior to receiving crisis payment (*See Section Four on Crisis Services.*).

Households may only receive one LIHWA crisis payment with the LIHWA funds allocated during Program Year 2022, unless OHCS grants approval of an additional payment. The LIHWA crisis payment funding source does not have to match that of the LIHWA standard payment. If these LIHWA funds are available into Program Year 2023, households who have already received a LIHWA standard payment will be considered ineligible for a new standard payment.

- **Combo Payment** – A payment made on behalf of a household to prevent disconnection or facilitate reconnection. A combo payment is issued as a regular and a crisis payment at the same intake appointment. The amount may not exceed the total of a regular payment plus the maximum crisis payment. Like a crisis payment, a combo payment should reflect actual need.

LIHWA payments should cover all water and/or sewer disposal services account(s) charges in full and may apply a small credit. For households who have total eligible charges greater than these amounts, program coordinators must send a request for override to the LIHWA Program Coordinator.

SECTION FOUR: CRISIS & COMBO PAYMENTS

This Section contains:

- ✓ [Crisis Payments](#)
- ✓ [Crisis Services](#)
- ✓ [Life Threatening Crisis](#)

Crisis Payments

A crisis situation includes, but is not limited to, events or conditions leading to drinking water or sewage disposal services disconnection, pending disconnection, or when disconnection will result in a life-threatening situation. Each agency has its own crisis policy, which may elaborate on these situations.

Eligible costs incurred for which crisis payments may apply include:

- Late and past due fees
- Disconnection and reconnection fees
- Other fees and penalties
- Excessive current charges

Combo Payments

If the regular benefit is sufficient to cover eligible costs during a single appointment, a household may then seek a second appointment for a crisis payment at a later date. If the regular payment does not cover all eligible costs, then a combo payment may be used.

Justification for the crisis benefit and amount must be documented.

As with standard benefits, coordinators are encouraged to contact the state LIHWA Program Coordinator if they feel extreme circumstances warrant an exception to the maximum benefit guidelines.

All Crisis Payments must be approved by the local water assistance coordinator, or their designee, with a description of the situation written in the Comments Section of the Authorization form and in OPUS.

Life-Threatening Crisis

A life-threatening crisis exists when a is either be disconnected or at imminent risk of disconnection (within 5 days of application). Life-threatening crisis situations must be addressed within either 18 (if already disconnected) or 48 (at risk of disconnection) hours of application. These timeframes must be documented to ensure compliance with the federal requirement and must include comments outlining how the situation was addressed.

Agencies are authorized to provide any of the following forms of assistance, or a combination thereof which best resolves a given emergency situation:

- Bill Payment Assistance
- Other Emergency Services--including, but not limited to, information, referral, coordination of benefits, advocacy, case management and/or other goods and services necessary to relieve immediate threat to health and safety.

These are minimum requirements; individual agencies may have additional requirements. Staff should verify crisis-related policies and procedures with their local assistance coordinator.

Definitions

Authorization Form – The official term for an energy assistance application. The term **may** be used interchangeably with water assistance application form.

Boarder – A roomer/boarder is a person who rents a room from the building owner. A roomer/boarder does not have a separate site address from other occupants of the building—however, a roomer/boarder does not share in providing, or being provided for, the necessities of life (e.g. food, living costs) with other residents of the structure.

Caregiver/Personal Care Attendant – An attendant is a person who works during the **day** and/or lives at the residence.
