	b. It was suggested that "Leaving the Service Area" be added with "Housing				
	Unknown" as people tend to move around				
	5. Open floor discussion:				
	a. Chris let everyone know that he is leaving OHCS to work at Oregon Metro. Everyone				
	is sad to see you go Chris, but we're excited for your new future! Lise will be assisting				
	with reporting until Chris's position is filled.				
	b. Tim brought up adding pronouns to the entry/exit. It was decided that OHCS will				
	reach out to Lane and Multhomah counties and see if they are already collecting				
	this data and if they are, ask to map to ours. If they aren't, we'll add it in. Mark				
	stated that this discussion is being had at the HUD level. There is the possibility that it				
	will be added to the HUD Data Standards 2026 but is unsure if that will happen at				
	that time. If it gets added to the 2026 data standards, OHCS will work with our				
	vender to update so no one will have to go in and update.
