1. Rent Guarantee Program Overview

OHCS's Rent Guarantee Program provides incentives and financial assistance to Landlords that rent or lease to low-income households by guaranteeing payments to Landlords for unpaid rent, eviction, and property damage costs.

To be eligible to participate in the program, Tenants must be low-income, and experience barriers to obtaining housing, including, but not limited to, poor credit history/ratings, lack of rental history, criminal history, a history of housing eviction(s), having been a ward of the state and may be homeless or unstably housed.

To be eligible for program benefits, a Tenant must have graduated from a Rent Well© Tenant-Readiness Course offered by the Provider within the previous 18 months. Financial assistance is limited to a maximum of \$5,000 per tenancy.

Provider accessing the Rent Guarantee Program must determine which Tenants meet program eligibility and are selected to participate in the program. Once Tenants successfully complete a Rent Well© Tenant Readiness Education course, Provider gives Tenants a Certificate of Completion which the Tenant can use to assist their search for permanent housing. Once a Landlord is selected, the Landlord must enter into a Program Provider/Landlord Agreement with the Provider within 60 calendar days of Tenant's move-in, as well as a Landlord/Tenant Agreement with the tenant.

4. Program Provider

Provider is responsible for accessing the Rent Guarantee Program through the registration of eligible tenancies.

Required duties of the Provider are:

- Determine eligibility of Landlord and Tenants in the program and timely register such tenancies;
- Provide communication and outreach to Landlords to increase their willingness to rent to Tenants who have rental barriers, but have gone through the program's Tenant Readiness education course;
- Provide RentWell© Tenant Readiness Education at a minimum of twice per calendar year (not applicable for clients using the eCourse platform);
- Rent Well© will notify OHCS of any substantive changes to the Rent Well© Tenant Readiness Education. If other Providers wish to make any changes to the Rent Well© curriculum, they must first receive approval from Rent Well©;
- Execute program agreements with Landlords;
- Process applications for program assistance from Landlords, which include verification and approval of damages and expenses claimed by the Landlord;
- Provide timely submission of required program reports;
- Adhere to all program guidelines.

5. Partnered Vendor

- May provide communication and outreach to Landlords to increase their willingness to rent to Tenants who have rental barriers, but have gone through the program's Tenant Readiness education course; and
- Provide RentWell© Tenant Readiness Education at a minimum of twice per calendar year (not applicable for clients using the eCourse platform).

6. Landlords

A Landlord is an owner or operator, or represents an owner or operator, of any rental housing unit participating in the program through an agreement with a participating Provider and who have entered into a rental agreement with a participating Tenant. Landlords must completely execute a Program Provider/Landlord Agreement within 60 calendar days of the date a participating Tenant takes possession of the rented/leased residence to be eligible for the program.

The Rent Guarantee Program Provider/Landlord Agreement includes, but is not limited to, the following terms and conditions:

- Landlord is an independent contractor and not an agent of Oregon Housing and Community Services.

- Landlord agrees to rent/lease a residence to the Tenant in accordance with the Landlord/Tenant Agreement for a period of at least 12 months from the date the agreement begins, providing Tenant remains in compliance with the Landlord/Tenant Agreement; however, a month-to-month rental agreement is acceptable.
- The guarantee is only valid for damages that occurred within the first 12 months of tenancy. Tenant must have vacated or been evicted from the residence within this 12-month period for the Landlord to be able to request program assistance. The guarantee is subject to available funding at the time of the request and is limited to \$5,000 in total for all damages per tenancy. The guarantee covers only those costs allowable by the program and that exceed the security deposit.
- Landlord agrees to notify the Provider if the Tenant vacates or is evicted from the residence within the first 12 months of tenancy, **even if no assistance is requested**.
- Landlords agrees to submit a request for guarantee funds, with all required documentation if damages exceed the security deposit, to the Provider within 30 calendar days of the date when the Tenant vacates the residence or is evicted for non-compliance of the Landlord/Tenant Agreement.
- Landlord agrees not to recoup any costs paid by the program from the Tenant or from the Housing Choice Landlord Guarantee Program, or any other third party, such as insurance. If a judgment has already been filed against the Tenant, the Landlord will file a satisfaction of judgment with 30 calendar days of receipt of payment and send a copy of such satisfaction to OHCS.
- Landlord agrees to comply with all laws, regulations, and guidelines under the program, including, but not limited to program specific requirements, public policy for protecting civil rights, government-wide administrative mandates affecting the Landlord's accounting and record keeping systems, and any rules, regulations or guidelines imposed by the Provider.
- Landlord agrees to Provider's and OHCS' monitoring rights and responsibilities, and the methods used by Provider and OHCS for monitoring. Landlord agrees to the non-revocable rights to inspect the residence identified in the agreement by Provider or OHCS upon reasonable notice, for the purposes of monitoring and/or the verification of expenses requested in an application for assistance.
- Termination of the agreement may occur upon such a directive by the Provider or by OHCS through the Provider. OHCS shall not be liable to any of the parties of the agreement or to other persons for directing that such agreement be terminated.

7. Rental/Lease Agreement

Landlords may execute any type of rental or lease agreement with the tenant, including a 12-month lease or a month-to-month agreement; however, there is an expectation that the landlord intends to provide a 12-month period of stability to the Tenant, under the condition that the Tenant remains in compliance with the terms of said lease/agreement.

8. Guarantee Certification Extension

Statute requires that financial assistance be limited to costs incurred during the first 12 months of any single rental or lease agreement; however, the intent of the program is to provide 12 months of housing stability if the Tenant is compliant with all terms and conditions of their lease/rental agreement.

If a Landlord needs to evict a Tenant within the first 12 months of the tenancy for **no cause**, a Tenant may extend their guarantee certificate to use with a subsequent Landlord for an additional 12 months, providing that no request for program funds is received by the initial Landlord, which must be in writing.

Such an extension must occur within the first 18 months after a Rent Guarantee Certificate is issued. Allowing for this extension, a Tenant could rent for 11 months on the first unit, be evicted for no-cause (with no request for program funds), at which point the Tenant reuses the guarantee on a second place (within 18 months of getting the certificate) and receives another 12 months of guarantee – which technically would keep the guarantee active for 30 months.

To use this extension the following conditions **must** apply:

- a) The second tenancy is secured within 18 months of the date the Rent Guarantee Certificate was issued; **and**
- b) The eviction from the Landlord is for **no cause**; **and**
- c) The eviction from the Landlord occurred within the first 12 months of tenancy; **and**
- d) There is a written confirmation from the initial Landlord that no funds will be requested from this program.

No further extensions will be allowed.

9. Tenant Readiness Education (TRE)

Provider will execute the Rent Well© as the Tenant-Readiness Education approved by OHCS. Delivery of the Rent Well© curriculum must include:

- A trainer who has received a Rent Well© Instructor certification.
- A course that extends over multiple weeks. The curriculum schedule will be pre-determined and available to students at the beginning of the first class (unless clients use eCourse option).
- A course that is offered at a minimum of twice per calendar year (unless clients use eCourse option).
- A passing or failing grade for each student. Students who pass will receive a Certificate of Completion. Students may fail for non-compliance with the attendance policy or for non-completion of all assignments identified in the course.
- An Attendance policy in alignment with Rent Well© requirements, which may include:

- If a student misses the first section of the course, the student will be dropped from the class. The student may attend another series; however, availability is not guaranteed.
- No absences will be allowed; however, if a student misses a section, they may be allowed to make up the section by reviewing the materials with an instructor. No more than two sections may be missed. Providers may impose a stricter policy, if needed.
- If a student misses more than two sections, they will be dropped from the course and must take the course again from the beginning; however, availability is not guaranteed.
- If a student misses more than 15 minutes of class time or is more than 15 minutes late to the beginning of a class, the student will be considered absent.
- Students will be made aware of the attendance requirement. No student who is in violation of the attendance policy will receive a Certificate of Completion connected to the Rent Guarantee Program. Students who do not meet Rent Guarantee Program eligibility requirements or do not otherwise qualify for the Rent Guarantee Program may still receive a Certificate of Attendance for the purposes of proving their tenant readiness education completion.
- The following areas of education:
 - a) Landlord/Tenant Law
 - b) The Application and Screening Process
 - c) Understanding a Rental or Lease Agreement
 - d) Personal Finance, Budgeting, How Credit Reports are Used
 - e) Energy Conservation
 - f) Fair Housing Rights and Responsibilities
 - g) What Makes a Good Tenant and Communicating With Your Landlord
 - h) Barriers to Obtaining Housing
 - i) Tips for Moving In and Moving Out
 - j) Care and Maintenance of Your Unit and Maintenance Responsibilities
 - k) Termination Notices
 - l) Recovering your Deposit

Tenant Readiness Completion Certifications are valid for a period of 18 months following the date of the final Tenant Readiness class to allow students an opportunity to find housing. Certificates must include an expiration date and be identified as non-transferable.

The Rent Well® Completion Certification is non-transferable and may only be used by the individual completing the class. The guarantee must be used in the first rental/lease agreement immediately following the completion of TRE. The guarantee does not apply to subsequent landlords/rental units, with the exception noted in the Guarantee Certification

Extension section of this manual. Students may use the certification as a means of proving class attendance with subsequent landlords/rental units, which may assist them in obtaining a unit; however, the guarantee will not apply.

The Rent Well© Completion Certification applies only to those Tenants who have completed Rent Well© TRE. If other adult members of the household move in either at the inception of a rental/lease agreement or during tenancy, the guarantee applies only to the Tenant with a TRE certification. If a TRE Tenant moves out of a guarantee-covered unit before other adult members of the rental/lease agreement move out, the guarantee does not continue with the unit, but leaves with the TRE Tenant.

Other adult members of the household may be listed on the rental/lease agreement and the Provider/landlord agreement. If the Provider submits a Provider/landlord agreement that includes additional adult members of the household, the Provider must notify OHCS for which specific tenant the guarantee applies, either as a notation on the agreement or by email. It is the responsibility of the Provider to notify the landlord how the guarantee applies to the household with additional adult members who did not complete TRE.

10. Tenant Eligibility

(A) Income

The countable income must be at or below **60%** of the area median income in the month of application, as determined by HUD **HOME** Income Limits. Find Income limits at <https://www.oregon.gov/ohcs/compliance-monitoring/Pages/rent-income-limits.aspx>. Count the earned and un-earned income of every adult person in the household to determine financial eligibility for the program. Once income is certified, it does not need to be recertified prior to placement in permanent housing. Tenants have 18 months from tenant readiness education completion and tenant certification to final placement in permanent housing in which to use the guarantee.

(B) Housing Status

Tenants may meet one of the following definitions for their housing status.

Literally Homeless—household who lacks a fixed, regular, and adequate nighttime residence, meaning:

- Living in a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport or camping ground; **OR**
- Living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, or hotels and motels paid for by charitable organizations or by federal, state or local government programs); **OR**
- Exiting an institution where he or she resided for 90 calendar days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

Unstably Housed—household who:

- Is at risk of losing their housing, and does not otherwise qualify as homeless under the above listed definition, provided that:
- They have been notified to vacate current residence or otherwise demonstrate high risk of losing current housing; **AND**
- Lack the resources or support networks to obtain other permanent housing.

(C) Barriers

Tenants must experience specific barriers to housing stability. Barriers include, but are not limited to, having a poor credit history or ratings, lack of rental history, having a criminal history, been a ward (see definition section) within the past 10 years and is at least 16 years of age and less than 27 years of age, and/or having a history of housing eviction(s). Meeting the homeless/unstably housed status or having a low income are not considered additional barriers for the purpose of the program. A tenant must experience an additional barrier to housing stability as stated in this section.

(D) Tenant Readiness Education

Tenants must have successfully completed a Rent Well© Tenant Readiness Education course, prior to a landlord signing the Provider/Landlord Agreement or registering the guarantee.

(E) Residence Location

Residences covered by the Rent Guarantee Program must be in Oregon.

11. Eligibility Documentation

Documentation related to tenant eligibility must be obtained and available in tenant files. Documentation must include barriers to housing stability, income, and the successful completion of a Rent Well© tenant readiness education course. Provider and Partnered Vendors may use the Rent Well© Student Information/Release of Information Form (SIF) for self-certification. Some barriers may be documented through background/credit screening documentation received through TRE activities (i.e., PacificScreening). In the case where tenant files are collected and maintained electronically, required documentation must be made available to OHCS in paper form when requested.

Documentation may be received via electronic communication, mail, or other method that maintains safety and upholds distancing and health recommendations.

12. General Program Requirements

(A) Release of Information

Tenant information (including identifying the person as a tenant) must not be released without written authorization from the tenant. Program Provider must ensure that a Release of Information (ROI) form authorizing the release of information pertinent to determining program eligibility, providing assistance/service, data collection and reporting, monitoring or other relevant

need for sharing information, is signed by all persons participating in the Rent Guarantee Program and is/are kept in the tenant's file (the SIF is used for this purpose). Release forms must be time-limited and specific as to with whom and what information will be shared. OHCS must be listed as an entity with which tenant information will be shared as it pertains to data collection and monitoring (including third-party audits and reviews).

Tenant refusal to provide such authorization **cannot** be the basis for denying program services to otherwise eligible tenants.

(B) Confidentiality

Confidentiality of tenant information is essential and must be assured by the program Provider and to protect the confidentiality of all information concerning applicants for and recipients of program services. Program Provider must not release or disclose any such information except as necessary for the administration of the program, as authorized in writing by the applicant or recipient of program services or as required by law.

Program Provider must ensure that policies and procedures are in place and ensure all tenant information and records are secure and confidentially maintained. Officers, employees, and agents must be aware of and comply with the program Provider's confidentiality policies and procedures.

Confidential records are all applications, records, files, and communications relating to applicants for, and recipients of program services.

Electronic collection of tenant information requires procedures for ensuring confidentiality including:

- Computer terminal(s) must be located in a secure location, limiting access to only those persons who have a legitimate interest in and are responsible for tenant records;
- Computer monitor must be cleared (or a screen saver activated) immediately after accessing a tenant record;
- Computer terminal must be on a "locked" mode or turned off if the terminal is unattended; and
- Access to tenant data shall be given only to authorized personnel as necessary for performing the work required for the program.

Program Provider must have procedures that ensure the safety and security of program participants who are victims of domestic violence, including maintaining strict confidentiality of records.

The confidential policy standards maintained by program Provider must comply with all applicable local, state and federal requirements. All records shall be open for review to federal, state, and program Providers' auditors and/or examiners

during their regular audits and monitoring functions of the Rent Guarantee Program.

(C) Nondiscrimination

Program Provider is required to comply with all state and federal statutes relating to nondiscrimination. Program Provider may not take any of the following actions based on race, color, national origin, religion, gender or gender identity, sexual orientation, marital or familial status, age, physical or mental disability, victims of domestic violence, harassment, sexual assault or stalking, retaliation, genetic information, or association with protected class:

- Refuse to provide services;
- Make services unavailable;
- Deny a service;
- Set different terms, conditions or privileges for obtaining services;
- Provide different services;
- Falsely deny that services are available; or
- Deny anyone access to a facility or service.

(D) Grievance and Appeals

Applicants/Participants must have the right and opportunity to grieve/appeal any decision that terminates, denies, limits, reduces or modifies benefits for any reason. Applicants/Participants must be notified of their right for a grievance or appeal of such decision and Rent Guarantee Program Provider's policy must clarify how and when applicants/participants are notified of their right to grieve/appeal decisions. Such grievance/appeal policy can be posted in a public place; however, applicants/participants **must** receive a written notification for any decision that terminates, denies, limits, reduces or modifies any benefit. At a minimum, Provider must:

- (1) Inform the participant/applicant that they can contest any decision that terminates, denies, limits reduces or modifies any benefits and identifies the steps to follow to contest the decision;
- (2) Inform the participant/applicant of the reason for termination, denial, limitation, reduction or modification of benefit;
- (3) Allow any aggrieved person a minimum of thirty (30) days to request an administrative review/appeal of such decision;
- (4) Inform the applicant/participant of their right to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the decision;
- (5) Identify what reasonable accommodations are available for applicant/participants who have language, mobility or disability barriers that

would prevent them from participating in the review/appeal process and how to request such accommodations; and

- (6) Inform the applicant/participant and OHCS in writing of the final determination and basis for the decision within ten (10) days of the final determination.

Any person or persons designated by Provider can complete the administrative review/appeal, other than the person who made or approved the decision under review/appeal or a subordinate of this person.

13. Financial

(A) Allowable Expenses for Reimbursement

The guarantee is subject to available funding at the time of application. Requests for assistance are limited to \$5,000 per request. Requests for allowable expenses for reimbursement include:

- Unpaid rent;
- Damages beyond the normal wear and tear of tenant occupancy cause by tenant;
- Expenses related to removal of excessive debris left by tenant, including disposal fees;
- Eviction costs include court filing fees, attorney fees, and serving of notice;
- Unpaid utilities that were the responsibility of the tenant, inclusive of water, sewer, garbage, gas and electricity;
- Damages by pets or service animals included on the tenant's rental agreement.

(B) Unallowable Expenses

Unallowable expenses for reimbursement include costs that do not exceed the security deposit and are not limited to:

- Costs deemed to be due to normal wear and tear of the tenant's occupancy, including, but not limited to, those costs attributable to the depreciation of flooring, paint and appliances;
- Any costs requested by the landlord from the Oregon Housing Choice Landlord Guarantee Program; and
- Costs paid by the tenant or costs paid by a third party (e.g., insurance).

(C) Requests for Assistance

Provider must submit a Rent Guarantee Program Provider Request for Assistance Form (Form) to OHCS for reimbursement of allowable expenditures using the Form located on the Rent Guarantee Smartsheet Dashboard located at:

<https://app.smartsheet.com/b/form/984b882de9b14540bee2d25b7f4e9f85>.

Provider is responsible for verifying expenses requested for reimbursement by the Landlord, which may include a site-visit to the vacated unit to verify condition and repairs. Copies of the final security deposit accounting, move-in and move-out inspection/checklists, applicable receipt or proof of damages, documentation of non-payment of rent may all assist in the Provider's verification of expenses. Provider will use a consistent methodology for the review of request for funds that includes appropriate depreciation as determined by the Provider and is consistently used for all landlords requesting assistance. Provider has discretion to disallow costs as the Provider deems appropriate.

All documentation used to verify expenses must be kept in the tenant file. There is no requirement by OHCS for Landlords to use a specific request form when submitting a request to the Provider; however, sufficient documentation must be kept in the tenant's file that supports such a request and may be reviewed during monitoring and Provider may require a specific form that landlords must submit to the Provider to request funds.

Landlords are required to request funds from the Provider within 30 calendar days from the date when landlord takes possession of the unit, whether by voluntary tenant move or tenant eviction. Requests must be made for damages that were incurred within the first 12 months of occupancy and only upon tenant's vacancy of program covered unit, either by voluntary move-out or by eviction.

Provider submit the Rent Guarantee Program Provider Request for Assistance Form to OHCS within 30 calendar days from the date that Landlords submit requests to the Provider. This allows a total of 60 days in which requests for assistance must be provided to OHCS and Providers have the flexibility to yield a portion of their 30 days to the Landlords, if the Provider deems it necessary .

OHCS will review requests on a first-come, first-served basis within 10 calendar days of receipt from the Provider. OHCS may request additional or clarifying information regarding the request. Once approved, OHCS will provide written notice to the Provider of approval and submit a Notice of Allocation for the approved landlord payment to the OHCS Fiscal Department. Provider must submit an Agency Grant Request/Request for Funds in OPUS (OHCS' financial system) to draw the funds.

It is the responsibility of the Provider to reimburse the Landlord for expenses within 30 calendar days of the Provider's receipt of funds from OHCS.

14. Reporting

(A) Data Entry

Providers are responsible for entering requests for assistance, TRE data, tenant data and move-out data into OHCS-approved forms available on the Rent Guarantee Smartsheet Dashboard located at:

<https://app.smartsheet.com/b/publish?EQBCT=a09499a5ca154ef790baee31d36dc34f>. (see also the Requests for Assistance section of this manual).

(B) Reports

Providers are required to submit program information within the timeframe requested by OHCS and in accordance with OHCS directives for content and format.

Reports include Tenant data, Provider TRE Input data, Tenant Move-Out Tracking data, along with a copy of each Provider/Landlord Agreement.

At the discretion of OHCS other reports/data may be required when deemed necessary to provide adequate program utilization and performance information.

Provider will need Partnered Vendors to provide required data to the Provider, so that the Provider is able to submit this data to OHCS within the timeframe required.

(C) Tenant Data

Tenant Data is submitted, within 60 calendar days from the date of execution of the Provider/Landlord Agreement and receipt from the landlord of the lease/rental agreement and move-in condition report. Tenant data must be submitted electronically through the Rent Guarantee Program Smartsheet Dashboard located at:

<https://app.smartsheet.com/b/form/6fafea8c89d9405091b10ab7bd6514e6>.

Provider may submit Provider/Landlord Agreements either through the Smartsheet attachment function, or by sending via encrypted email to rent.guarantee@oregon.gov, through the U.S. mail or through other secure methods. By submitting the data, the Provider certifies the following for each Tenant for which they are reporting:

- All information reported is true and accurate to the best of the Provider's knowledge;
- All Tenants meet the eligibility requirements of the program;
- The Tenants receiving the guarantee have completed and been certified in the Rent Well© Tenant Readiness Education course required by the program; and
- The individual records for the Tenants are kept on file, including relevant Landlord and Tenant communication.

(D) Personally Identifiable Information (PII)

Provider must use a unique identifier when completing the Tenant data form. Providers must use the same number on the Provider/Landlord Agreement. Such a unique identifier protects personally identifying information; however, OHCS must be able to match up the Provider/Landlord Agreements with the data entered into the Smartsheet in order to ensure no duplication of funds have been used for the Tenant.

(E) Tenant Move-Out Tracking Form

If a Tenant remains in their unit for 12 months, no further tracking is required. However, if a Tenant moves out or is evicted within the first 12 months of tenancy and the Landlord **does not** request program assistance, the Provider **may** enter the move-out date in the Tenant Move Out Tracking form in the Rent Guarantee Smartsheet located at:

<https://app.smartsheet.com/b/form/1e39c7b148b24d6e8a611ce4ce5effe1>, within 10 calendar days from the date in which the Provider was notified by the Landlord of the Tenant's move out. Some Landlords will not notify Providers of a Tenant move-out/eviction even though it is required; however, no follow-up is required by Providers to determine a move-out/eviction date. OHCS will conclude that if no notification is received regarding the length of a Tenant's occupancy, then the Tenant successfully remained stably housed for the first 12 months.

(F) Provider Tenant Readiness Education Reporting

Providers enter general information about TRE in the Provider Semi-Annual Report:

- 1) the number of persons referred to TRE;
- 2) the number of persons that did not show up for their first class of TRE (no-show);
- 3) the number of persons who completed TRE; **AND**
- 4) the number of persons who were given a Rent Guarantee Certificate, which may or may not be the same number as the number of persons completing TRE.

Provider may submit this data in the Semi-Annual Report as stated in the Provider's grant agreement by either email to rent.guarantee@hcs.oregon.gov or emailing directly to the OHCS Program Analyst.

15. Records

(A) Tenant File Documentation

Sufficient records must be established and maintained to enable OHCS to determine whether program requirements are being met. Provider must make sure that any organization accessing the Rent Guarantee Program through the Provider submits appropriate and complete records as required by this manual.

Documentation of Tenant eligibility must be maintained in printed or electronically saved Tenant case files, including files for applicants found to be ineligible. File documentation will be the basis of OHCS monitoring to ensure Provider is following program requirements and regulations.

At the minimum, Tenant files must contain the following:

- signed Release of Information (or documentation of refusal to sign ROI);
- Tenant intake form (and/or Student Information Form);

- verification of Tenant income (and/or Student Information Form);
- verification of Tenant housing barriers (and/or Student Information Form);
- certification of successful completion of Rent Well® Tenant Readiness Education;
- Rent Guarantee Program Provider/Landlord Agreement;
- Landlord/Tenant Agreement;
- move-in condition report;
- verification of housing status, if Tenant is homeless or unstably housed (and/or Student Information Form);
- Landlord request for funds, if such request was made;
- final security accounting containing an itemization of expenses charged, if a request for program assistance was made;
- move-out condition report, if a request for program assistance was made;
- receipts for any repairs, if a request for program assistance was made;
- receipts for any eviction related court costs, if Tenant was evicted and a request for program assistance was made; and
- documentation of non-payment of rent if a request for program assistance was made.

(B) Electronic Files

If Tenant file documents and signatures are collected and maintained electronically, required documentation must be made available to OHCS in paper form when requested.

(C) Records Access

Provider must permit OHCS, the Oregon Secretary of State's Office, the federal government, and the duly authorized representatives of such entities access to, and the right to copy, all program books, accounts, documents, records, and electronic records at any such representative's request. At the sole discretion of OHCS, access to records shall include the removing of records from the Provider's office.

(D) Records Retention

Provider shall retain all program records in a manner consistent with the requirements of state and federal law. This includes, but is not limited to, those requirements listed in Administrative Rule, this Operations Manual and OHCS Special Schedule. Find the OHCS Special Schedule at the Oregon State Archives:

(https://sos.oregon.gov/archives/Pages/state_admin_schedules.aspx);

Find the State Agency General Records Retention Schedule at the Oregon State Archives:

(<https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=591>).

Provider shall retain and keep accessible all such program and fiscal records, books, documents, papers, plans, and writings for a minimum of six years, following final payment or termination of agreement, or until the conclusion of any audit, public records request, controversy, or litigation arising out of, or relating to, the program or such longer period as may be required by applicable law, whichever date is later.

16. Monitoring / Remedies

Provider shall cooperate fully in any inspections or other monitoring actions taken by the OHCS, the Oregon Secretary of State's Office, and their duly authorized representatives.

OHCS may conduct a program/fiscal monitoring of Provider as needed. Provider is customarily notified 30 calendar days in advance of the monitoring visit and informed of what documents and records will be reviewed and any required staff interviews. Monitoring may include attendance at a class(es) of the Tenant Readiness Education course. OHCS will provide Provider with a written draft Management Evaluation Report inclusive of any findings, concerns or comments within 30 calendar days of monitoring.

OHCS may take such remedial action as it deems appropriate in accordance with the Provider's agreement with OHCS, including, but not limited to requiring repayment of partial or all program funding, if it determines (in its sole discretion) that the performance of the Provider is deficient in any manner.

OHCS will notify Provider of deficiencies identified through the monitoring process within 30 calendar days from the date the monitoring took place (draft Management Evaluation Report) and provide documentation for the basis of such determination and the specific deficiency or deficiencies that must be corrected.

OHCS will require the Provider to make timely, within 30 calendar days correction of any deficiencies in a manner satisfactory to OHCS.

OHCS, at its discretion, may offer the Provider training and technical assistance in the development of a corrective action plan. OHCS will review and issue a decision to Provider on whether to approve or disapprove the corrective action plan.

OHCS will notify Provider of resolution, acceptance or denial of any deficiency corrections identified through the draft Management Evaluation Report and complete a final Management Evaluation Report within 30 calendar days of Provider's response/resolution of any deficiencies.

OHCS will provide adequate notice and opportunity for an appeal prior to a remedial action that terminates organizational eligibility for program funding for cause.

Appeals will be addressed to the Housing Stabilization Services Assistant Director or their designee, whose decision may be further appealed to the OHCS Director of Housing Stabilization.

Issuance of a deficiency notice shall not constitute a waiver of other remedies available to OHCS or preclude OHCS from exercising such other remedies available to it under the Provider Agreement with OHCS, program requirements, at law or otherwise.

It is customary to notify the Provider 30 calendar days in advance of such a review; however, this is not a requirement and, when appropriate, spot reviews may occur. Such reviews will include an entrance and exit interview with the Provider's representative; however, they do not need to be present during the review. Whether there are findings or not, OHCS will create a Management Evaluation Report in response to the review.
