Update For: HTBA use of Coordinated Entry and Waitlists

Message:

Now that the use of Coordinated Entry is part of a service provider's routine, a number of subgrantees have questioned if they need to keep separate HOME TBA wait lists. Subgrantees will be happy to learn the answer to that is "no" if the subgrantee uses their CE list to keep track of households eligible for HOME TBA assistance. Please remember HOME TBA does require subgrantees to develop a Tenant Selection Plan or Policy and you are expected to provide HOME TBA services according to that Plan.
