

Community Driven Vaccine Event Process

For Community Partners and Organizations

Vaccine Operations Team-Equity (VOTE)

Vision

Put equity values into action through vaccine solutions that address health disparities in communities systemically left behind.

- OHA will partner with community partners and organizations to co-create vaccination opportunities.
- Create collaborative approaches to address health disparities in communities.

VOT-E is committed to partnerships

- Local Public Health Authorities
- Health Systems
- Federally Qualified Health Centers
- Pharmacies
- Community Partners (OHA funded and not already funded)

*We will have **staff dedicated** to support these events on the ground and **funding** to support these collaborative efforts.*

Partnerships
already exist

What if you are already hosting
vaccine events?

Great, keep going!

Supporting events and partnerships

- OHA will support the matchmaking process
- Dedicated team to support event planning efforts
- Reimbursement and funding

Step 1: Fill out Interest Form

- Connect with your community partners to discuss collaboration for this work
 - **Promote** a vaccination effort
 - **Support** community members
 - **Volunteer** at an existing event
 - **Host** an event

Step 2: VOTE Team reaches out

- Vaccine Engagement Coordinator will reach out to discuss your event and how you'd like to get involved.
- Start the process on matchmaking
 - Finding a vaccinator if needed
 - Starting contract for payments
 - Getting vaccine allocation set up

Example of request or partnership

Organization intends to collaborate with a local pharmacy to serve a specific community group

- OHA will connect a pharmacy or vaccination site
- Local organization will conduct outreach and schedule times
- Transportation needs assessed and booked by community partner

Example of request or partnership

A church wants to vaccinate homebound individuals in their congregation and finds a CBO partner.

- Mobile vaccination unit is identified by OHA
- CBO will work with church on outreach
- Church and CP will schedule appointments
- Trusted members might travel with the mobile unit
- Language needs will be supported- translators can be paid under this grant

Example of request or partnership

A faith organization wants to host a large event in their parking lot with a resource fair

- Faith Organization will lead planning logistics
 - Create a community resource area—invite partners
 - Coordinate vaccine distribution with local public health
 - Schedule times
- Vaccinator/Health Partner will lead other logistics
 - Create flow for physical distancing
 - Bring vaccine, perform data entry and tracking

Example of requests or partnerships

A LGBTQ+ celebration with performances and health care providers in Drag.

- LGBTQ+ Organizations plan the event
- Outreach, performances, stage, audio needs
- Health System- Federally Qualified Health Center provides vaccinators.
- OHA funds LGBTQ Organizations, gets FQHC allocations if needed.

Link to Interest form

Arrange

If selected, OHA will work with applicants to find solutions or other needed resources.

This could include:

- Financial support
- Coordinating vaccine doses
- Connecting event host(s) with vaccinators
- Connecting hosts with a testing team representative
- Supporting accessibility needs
- Communication with LPHAs for situational awareness

Host

- Some community partner events may align better with other vaccine hosts (ex: FQHCs, Mobile vaccine)
