## LANDLORD COMPENSATION FUND PROGRAM – Round Two Open

We are happy to let you know Round Two of the Landlord Compensation Fund Program is now open.

**Applications can be submitted until Monday, May 17<sup>th</sup> at 5pm.** Round Two will offer \$70 million in assistance and cover rent nonpayment for tenants with a signed Declaration of Financial Hardship **from April 2020 – May 2021**. As a reminder, this program is not first come, first serve.

Please review the [Application Checklist](#) and [Instruction Manual](#) to see what information is needed to complete your application. Significant updates to the Landlord Compensation Fund Application Portal have been made to support landlords and property managers when submitting the required information. Even with these improvements, there still may be occasional technical glitches due to the expected high volumes of applicants. Please reach out to [HCS.LCFSupport@oregon.gov](mailto:HCS.LCFSupport@oregon.gov) if you are having any difficulties.

For those who submitted applications in Round One and have been recommended for funding; you should have received an email notification requesting that you log back into the system to [complete your grant agreement](#). Once that has been completed, you are able to submit an application for Round Two, for rent non-payments that were not covered with your first-round application.

Please review the application [instructions](#) and [FAQ](#) for additional details. General program questions can be directed to [HCS.LCF@oregon.gov](mailto:HCS.LCF@oregon.gov).
