Oregon Housing and Community Services (OHCS), together with the Oregon Department of Revenue (DOR) provide oversight and leadership for the Oregon IDA Initiative. A successful Oregon IDA Initiative will help move Oregon closer to OHCS's vision for the state, which is that: "All Oregonians have the opportunity to pursue prosperity and live free from poverty." Together, OHCS and the Oregon IDA Initiative work to create pathways to prosperity for Oregonians with low incomes.

OREGON IDA INITIATIVE

What are IDAs?

Individual Development Accounts, or IDAs, are matched savings accounts that build the financial management skills of qualifying Oregonians with lower incomes while they save towards a defined goal. IDAs build pathways of opportunity and create models of economic success in Oregon communities.
