

Oregon Centralized Application (ORCA) Available Resources & Waitlist Status

As of May 07, 2026.

This document provides information about the resources OHCS intends to award through the ORCA by funding source and set-aside.

With the new investments from the 2025 Oregon Legislature, OHCS is now transitioning the ORCA to allocate those funds to projects in the ORCA waitlist pipeline. Though there was significant investment in housing production, it was less than anticipated in the Governors Recommended Budget and we expect the resources will be swiftly reserved to projects at the top of our waitlist where the funds are sufficient to do so.
