

February 2022

You are receiving this letter because you may sell beverages in containers that have an Oregon refund value. If any of your business activity is regulated under Oregon law (ORS 459A), it is your responsibility to understand that you may be required to report some or all of the beverage containers you sell, so please read this letter carefully.

Oregon law requires businesses that have reportable beverage containers to take two annual actions for the prior calendar year. Currently businesses must:

- 1) **Report to OLCC** their sales and return data for calendar year 2021, AND
- 2) **Register with OBRC**, if not already participating in the cooperative, any redeemable beverage containers sold or offered for sale in 2021.

OLCC has developed an online report that businesses must complete and explains the requirements as you progress through the report. All affected businesses are required to complete basic contact information, but not all businesses will have to answer each question in the report. For example, early in the report you will be asked if you distributed any redeemable beverage containers in the past year. If you only sold wine, which includes cider over 8.5% ABV, you would check 'no' and you will be finished with the report. OBRC also has its Beverage Container Registration form available online.

To access the OLCC report and OBRC registration, use the links or QR codes below:

For OLCC: <https://www.oregon.gov/olcc/Pages/BottleBillReport.aspx>

For OBRC: <https://registration.obrc.com/>

**Note, OBRC Patrons do not need to complete a separate registry with OBRC. OBRC will submit sales and return data to OLCC on behalf of its Patrons.**

You must complete the OLCC report and register your beverages with OBRC **no later than April 1, 2022**. In most cases, this notice is being sent to one mail or email address per business. If you are associated with several businesses or have multiple locations, please either include in one report sales and returns for all relevant and related businesses or submit multiple forms.

If you have questions about reporting, email [OLCC.BottleBill@oregon.gov](mailto:OLCC.BottleBill@oregon.gov). If you have questions about beverage container registration, email [ORBottleBillRegistration@obrc.com](mailto:ORBottleBillRegistration@obrc.com). **The statutory deadline for submitting your information is July 1, 2022**, after which OLCC may impose penalties.

Thank you for your attention to this matter.
