

OREGON'S BOTTLE BILL

Included Beverages

Most beverages have an Oregon refund value. There are too many beverages on the market to list them all individually. Below is a list of beverages that are commonly asked about that have an Oregon refund value.

Included, but only if they are in sealed glass, metal, or plastic bottles or cans in the following sizes:

Beverages in sizes 3 liters or less

- Soda (carbonated/sparkling beverages)
- Beer and other malt beverages
- Water
- Kombucha*
- Hard Seltzer*

Beverages in sizes from 4 ounces up to and including 1.5 liters:

- Coffee/tea (even if they contain milk)
- Energy and sports drinks
- Fruit and vegetable juice (does not have to be 100%)
- Aloe vera juice
- Non-alcohol wine
- Hard cider if 8.5% ABV or less

- Oral electrolyte replacements (such as Pedialyte)*
- Beverages containing dairy milk or plant-based milk if milk is not listed as the first ingredient
- Ready-to-drink cocktail mixers, like margarita mix or bloody Mary mix

Rule of Thumb:

Generally, if you can pour it and drink it, it's covered **unless**:

- ✓ It's one of the specifically excluded beverages (distilled spirits, wine, infant formula, liquid meal replacements, and beverages that list dairy milk or plant-based milk as the first ingredient).
- ✓ It's in a carton, foil pouch, drink box, or metal container that requires a tool to be opened.
- ✓ It's outside the size ranges listed above.

**These beverages are currently redeemable even though they may not have OR 10¢ on the container. The deadline to include OR 10¢ on containers is January 1, 2021.*
